# Vacations, visitors keep residents busy lately

by Doris Fines  
Mr. and Mrs. H. R. Howard spent two weeks at a wilderness fishing camp on beautiful Ranger Lake, 60 miles north-east of Sault Ste. Marie, in the district of Algoma. Their daughter Jean and her husband Edward Butkewitz, of Naperville, Illinois, spent several days with them at the camp.

Mr. and Mrs. Byron Bruce enjoyed a vacation in the West, where they saw Byron's brothers and sister, and visited with his mother, Mrs. Wesley Bruce at White-wood, Sask. They stopped to see the Calgary Stampede on their way to Banff and Jasper, and went fishing at Turtle Lake. Mrs. Bruce appeared to be the expert fisherman, as she caught four Jackfish.

Vacation Bible School was held at Everton last week with a very good attendance. Flora Stewart, Crystal Clark, Shirley Fletcher and Bobby Fletcher attended from this district. The theme was 10-4 God's Message Received and Understood. Friday was the final day, which ended with a program when each class did something they had learned through the week. The Primary class, in charge of Mrs. Vernon Stewart, had a puppet show.

# Record price for ram

by Winifred Smith  
Dr. and Mrs. Brian Buckrell were pleasantly surprised on Saturday, when a ram that was born and raised on his farm fetched the highest price ever paid for a ram in Canada. Several enthusiastic buyers were at the auction in Erin when these special lambs were sold. Dr. Buckrell's ram went for the high price of \$1,000. It was a fall born lamb and one of quadruplets.

The Buckrells have a farm on the 8th Line near Ballinafad and specialize in raising sheep. Mr. and Mrs. Jimmie Miller and Mrs. Rose Miller of Toronto were visitors with the Marshalls on Sunday. Mrs. Ruth Burt accompanied her friend Mrs. Hilda Skippon when they spent the weekend at a summer cottage by one of the northern Ontario lakes.

Mr. and Mrs. Dan O'Connor and daughters are spending some holidays with friends in Trenton. Mr. and Mrs. Jesse McEnery were among those present to congratulate their friend, Mr. Bert Davidson at a special birthday party held in his honor at Acton on Sunday afternoon.

# Jelinek to run in Halton

Contrary to a front page story published in The Etobicoke Gazette, Otto Jelinek is not considering running in any of the Toronto ridings but instead will stick by his decision of a year ago to run in Halton.

he was waffling in his choice. "This is the choice I made and this is where I'll seek the nomination," he said. Former Halton MP Terry O'Connor is also expected to contest the nomination. Jelinek said that with the

polls showing the Conservatives so low, he felt some ridings could have problems finding candidates. "So it's really no big deal when associations are phoning around looking for people to run, especially a sitting member."

# Scouts return from jamboree

by Mrs. Art Benton  
The three Limehouse Scouts have returned from the fourth Canadian Scout Jamboree held in Cabot Provincial Park, P.E.I. Lee Ionsan attended as part of the patrol from second Georgetown led by Bob Barber, and Lyle Campbell went with the patrol from First Georgetown under Brian Ferras. David Hannah was also one of the staff. All had a good time even though a few tents were blown down. The program was excellent, and they enjoyed seeing the island and having Anne Murray there. They would

like to thank all who helped to send them there. We are sorry to hear that Mr. Sam Mileham is a patient in hospital in Georgetown. We hope for his improvement soon. Mr. and Mrs. George Brown, 20 Sideroad, are entertaining his sister and family from Kent, England. Mr. and Mrs. Frank Hannah and Michael motored to P.E.I. where they attended the Scout Jamboree, toured the east coast and visited Boston before returning. Their son Doug returned with them.

# Area boy returns from Guatemala

by J. Turner  
David MacAdam has recently returned from a month's visit to Guatemala City where he stayed at the home of Ridley schoolmate, Juan Carlos Olyslager. During the school year Juan Carlos has been a frequent weekend visitor in the MacAdam home, and David's chums in the community have become his too. They were anxious to hear David's account of his trip.

5th line, Erin township. Though a severe respiratory ailment the last few years restricted her activity, she maintained a keen interest in church and community affairs. Our last meeting of the Churchill Church Women was held at the Griffin home in June, and as always we were made very welcome. She was a patient of Guelph General Hospital at the time of her death.

A large number of family, friends and neighbors attended the funeral service at Churchill Thursday afternoon. Interment was at Coningsby. Sympathy is extended to Harold, Smith, and all the family. David Milne and Stanley Smith are attending hockey camp at Harriston this week.

Guatemala City is a very modern city in the mountains and the weather was quite comfortable. Most of Juan's friends speak English as well as Spanish, and communication was not a problem. A man of varied interests, Mr. Olyslager writes commercials for Coca Cola, sells small aircraft and owns a busy ice cream parlor.

There were a couple of sight-seeing expeditions to Antigua, an old Spanish city on the coast, and to Lake Atitlan high in the mountains. Guatemala's mountains are of volcanic origin and earthquake tremors are common.

There was some talk about the current "threat" of war with tiny British Honduras, and Israeli jets and tanks were in evidence, but no one seemed too concerned about it.

David's trip home was delayed by the blackout in New York City.

Congratulations to Miss Helen Kockx who earned first class honors in her grade three piano Toronto Conservatory examinations. Helen is Mrs. Marie Anderson's pupil.

Mr. and Mrs. Lloyd Griffin of Mishawaka, Indiana, visited for a week with their aunt and cousins, Mrs. Thomas Fines and Doris, Mr. and Mrs. Ross Ferguson, and other relatives in the area.

Mr. and Mrs. Bruce Smith, accompanied by Mrs. Smith's parents Mr. and Mrs. George Kearns of London, have returned from a most enjoyable trip along the east coast of United States. They spent a day each in Boston, Philadelphia, Plymouth Rock and Cape Cod, and two days in Washington where a highlight of the trip was a tour of Smithsonian Institute. Their two weeks were well stocked with sightseeing activities and pleasant weather.

Mr. and Mrs. Wallace Nuttall celebrated their 24th wedding anniversary on Saturday. It was also their daughter Sandra's 22nd birthday. Relatives and friends came from Georgetown, Burlington, Port Elgin and Erin, to help them celebrate the occasion.
