

## Eight bus routes stay same, but may change

There are eight rural bus routes for school children this year, the same as last, reports Ted Tyler, owner of the bus lines used by the Halton Board of Education in the Acton Area.

Route 1 leaves Tyler Transport at 7:35 a.m. and travels along Hwy. 7 to the Fourth Line, where it goes south to the 22nd Sideroad. On 22nd Sideroad, the bus heads east to the Sixth Line, and north to Hwy. 7. On Hwy. 7, the bus heads east to the Eighth Line, and north to the town line. On the town line, it travels east to the Ninth Line to approximately Lot 29. There it turns around and goes to the town line, where it travels west to Ballinacree, then south to the Seventh Line, to Hwy. 7, to the high school.

Route 2(A) leaves at 7:40 a.m. and travels east on Hwy. 7 to the Sixth Line where it travels south to the town line. The bus goes west on the town line to the Fifth Line, south to Hwy. 7 to the high school.

Route 2(B) departs at 8:00 a.m. and heads east on Hwy. 7 to the Fourth Line where the bus travels north until it hits the town line. It

then travels west to the Third Line and south to the school.

Route 3 leaves Tyler Transport at 8 a.m. and heads north on Hwy. 25 to the town line, where it travels west to the First Line. At the First Line the bus goes south as far as the Breezes park to Mill St., and on to the high school.

Route 4 departs at 7:25 a.m., and travels south on Hwy. 25 to 25 Sideroad, where it goes west to the town line. It travels south on the town line to 22 Sideroad, and then east to the First Line. On the First Line, the bus travels south to 17 Sideroad, and west to the town line. Here it heads south until it hits a dead end, where it reverses and heads back to 15 Sideroad and travels east to Hwy. 25, and north to the high school.

Route 5 starts its day at 7:30 a.m., going south on Hwy. 25 to 25 Sideroad, where it turns west and heads towards the Sixth Line. The bus goes south on the Sixth Line to the 15th Sideroad, and west again to the Fifth Line. It then goes north to Hwy. 7 and Hwy. 7 east into town.

Route 6 leaves at 7:25 a.m. and travels west on Hwy. 7 to the Fourth Line, where it heads south to the 15th Sideroad. Here it turns around and goes to the 20th Sideroad and west to the Third Line. On the Third Line, the bus goes north to 25 Sideroad, and east to the Sixth Line, then south to Hwy. 7, into town.

Route 7 also leaves at 7:25 a.m. and travels west on Hwy. 7 to the Third Line, and south to 25 Sideroad. The bus then heads west to the Second Line, and north to 28 Sideroad. On the 28 Sideroad, it travels west to the First Line, and goes south to 20th Sideroad, and west to the town line.

line. Once on the town line, the bus goes north to 25 Sideroad, and east until the First Line. On the First Line, the bus goes south to Eden Mills town line, and east to Hwy. 7, into town.

All buses arrive at Acton high school, where the children are put in shuttle buses at 8:30 and taken to Robert Little, M. Z. Bennett and McKenzie-Smith middle schools.

Mr. Tyler also said he expects some changes in routes as the need arises. Students will be notified, and parents should check with the bus lines.

Students living in the east part of town going to Robert Little school will be given free transportation.

Mr. Tyler also said there will be a pay-as-you-go bus starting at 8:30 running between Kingham Hill and Robert Little school. Two buses will be on duty, but students continuing on to McKenzie-Smith or the high school will be transferred to one bus.

There will also be a pay-as-you-go bus in the Lakeview subdivision taking students to the middle school and the high school.

McKENZIE-SMITH middle school principal Gary Dawkins is especially proud of that school's music room. A wall was knocked out to make two existing classrooms into one large

room, and then three small work areas were built in at the end for individual practices. Mr. Dawkins thinks the room is the best in Halton, including the music room at the new high school.

CLASSROOM AT McKenzie-Smith middle school shows off new desks, purchased for the move to the old high school building. All the classrooms in the building received a coat of paint, and in some cases, underwent complete renovations.

## School receives complete facelift

The old Acton high school building has received a complete facelift, making it a brighter and more cheerful place, according to McKenzie-Smith school principal Gary Dawkins.

The Acton High school will house the town's grades 6, 7 and 8 students, leaving all the junior grades to Hill Robert Little and M.Z. Bennett schools.

All the classrooms, hallways, and even lockers have received a coat of paint. The brighter colors, Mr. Dawkins says, help to brighten the halls and classrooms.

Locker doors were repaired or replaced, and proper numbers put on the walls, were knocked out between rooms, to make one large classroom instead of two small ones. Large very much needed storage space is built into these oversized rooms also.

Mr. Dawkins is especially proud of the school's music room, which he says is the nicest one in Halton, including the one at the new high school. Here, a wall was also knocked out to make one large room, with three small private, closest size rooms built into the end of the room for students to practice in

individually.

The room is also carpeted for better acoustics.

A new era began today, the first day of classes at the town's middle school. It's the first time in the town's history, the grades 6, 7 and 8 have had a school of their own.

### Desperately Needed

• Volunteer Leaders For Guides

FOR MONDAY and WEDNESDAY NIGHTS  
7:00 P.M. to 9:00 P.M.

• Volunteer Leaders For Brownies

FOR TUESDAY NIGHTS  
6:30 P.M. to 8:00 P.M.

NO EXPERIENCE NECESSARY

## Few changes in M.Z.B. staff

M.Z. Bennett school staff sees few changes this year, other than the absence of the senior grades teachers who have continued on to McKenzie-Smith middle school.

Doug Magwood continues his post as principal, but there will be no vice-principal this year.

Marlene Titon is teaching kindergarten in both the morning and afternoon, and Mrs. Joy Penttila will have an

extra kindergarten class in the afternoons.

Mrs. Ann Mulder and Miss Cindy Blades are holding the fort for the grade 1 students, and Miss Carol Lawson a combination of grades 1 and 2 students. Miss Linda Richardson and Mrs. Bonnie Williams each have a grade 2 class also.

Mrs. Monica Lawson is teaching the grade 3's, with Mrs. Rea Loch and Mrs. Joan Baker each having a grade 4

class. John Murphy and Mrs. Mary Irwin will be teaching a grade 5 class each, with Mrs. Juanita Sears teaching primary special education and Paul Hynds, junior special education.

Mrs. Barbara Knapp has been hired this year as a supply teacher.

Mrs. Irene Andrews is librarian and Mrs. Lillian Williams is secretary. Custodians are George Hurdle, Mrs. June O'Rourke and Adrian Swinkels.
