

Legion news

by Harry Norton
Plans are now complete for another 'Open House' at the Legion for Saturday September 17 in conjunction with the Acton Fall Fair.

Comrade Vic Patrick's famous breakfast of bacon and eggs, toast and coffee will be served from 8 a.m. to 10 a.m. Only \$1 per person. Come on down and bring the family. In the afternoon the Ladies' Auxiliary will be serving hot beef sandwiches at \$2 each.

The Camilla Show Band will provide music for dancing in the Auditorium and Kent Tocher will perform in the Lounge. The Pipe Band from Branch 66 will keep things hopping at the Branch after the parade.

Remember no cover charge for the dance or entertainment on Fair day.

With the Golf Classic over and all arrangements made for the Fall Fair it is time to look ahead.

Comrade Vic Patrick advises that the Service Officer from the Provincial Command will visit the Branch on October 24th. Any comrade wishing an appointment should get in touch with our Branch Service Officer Vic Patrick.

Comrade Fred Allen has scheduled a meeting of the Acton Table Tennis League for Saturday, September 24 at 3 p.m. at the Branch. Plans for the 1977-78 season will be discussed. Interested players can get more information by calling Comrade Les Swift at 853-1981 or Comrade Andy Williams at 853-1414.

Santa Claus has been asking for the names and ages (if under nine) of the children of all new members. If you joined Branch 197 this year and don't want the kiddies disappointed at our annual Christmas Party please give Comrade Fred Allen the necessary information so he can make sure they are not forgotten.

See you at the Branch.

Clear up situation

Halton Land Division committee agreed to three separations at its meeting of September 6 to eliminate a number of encroachments and rectify faulty deeds pertaining to Superior Glove Works, the estate of Mary M. Duval and land owned by Archibald Leon and Ida Papillon.

Lawyer Aldo Braida explained that over the years as the Duvals and Papillons divided their jointly held land and later sold other pieces of adjacent property to various parties defects developed in deeds.

The whole chain of events began back in the 1930s and it was thought it was all straightened out in 1967. However errors made in rectifying deeds in 1967 have been uncovered now with the Duval home being sold.

He told the committee he only wanted to make sure everyone involved finally ended up with a correct and clear title to their land.

Committee agreed and approved the three separations.

Drivers a worry

Small children crossing the streets on their wheeled toys concern councillor Les Duby, and he mentioned it at committee meeting of council Monday night.

Children are playing with these mobile toys on the travelled portions of the paved streets, and he has been alarmed to see the approaching cars head into the dangerous situation.

He points out that the problem is compounded in some parts of town by the decision to have sidewalks only on one side of the streets. Children must cross the street to play on the sidewalks.

He has also been concerned to see youngsters racing down their own driveways on their little vehicles and right out onto the road.

"There is heavy, fast traffic on some of these streets," he said.

Slightly injured

Cynthia Carson of R.R. 3, Acton, received minor injuries after a one car crash on the Eighth Line on September 10 at 5:45 p.m.

Halton Regional Police estimate damage at \$250 to her vehicle. Police report she was driving north on a steep hill and a sharp bend, when the car went out of control.
