Bid fond farewell to Rev., Mrs. Lewis

by Doris Fines

Almost the entire congregation of Knox Presbyterian Church, Osprige, met at Burns Church, Erin, in a farewell gathering for the Rev. and Mrs. George Lewis, on Sunday morning. Mr. Lewis had been invited to take the service.

organist in Royce Presbyterian Church, Weston, when the Lewis' were on that charge. She sang "How Lovely are thy Dwellings". After the service, lunch was served in the basement, which was filled to overflowing by their many friends. Blythe Meek expressed the sentiments of the Erin congregation, and Ward Bruce spoke on behalf of Osprige, commending Mr. and

Mrs. Lewis for their love and concern for all people. A pair of bookshelves, beautifully crafted by Joe Vanderbent, was presented to the departing couple. A painting of Knox church and a sketch of Burns, handwork of JoAnne Page, corsages and flower arrangements designed by Dick Klooster, lent a friendly touch to the occasion.

Back of the table a banner "Bon Voyage to a beloved pastor and friend" was photographed by those present as a memorial of their time spent here.

Registration night for Brownies will be Thursday, Sept. 22, from 7 to 8 p.m. at Osprige School. Brown Owl Mrs. Jim Swackhamer, and Tawny Owl Mrs. Sam Nyholt, will be on hand to greet you.

Cubs are beginning their meetings Wednesday night, and Scouts got away to a good start last Monday night. All groups meet in the school gym.

Mrs. Ralph Sinclair, who is a member of Greenock Women's Institute, was one of 25 women from Wellington Centre on an exchange visit to South Vancouver Island. She enjoyed the smooth trip in a 747 jumbo jet to Vancouver, where they were greeted at Patricia Bay by W.I. members and taken to Duncan for the first three days of their memorable visit in B.C.

They had a guided tour of the Forest Nursery Research Station there, and also the 40 acre Forest Museum, where authentic antique forest equipment is being preserved. She said it was a real treat to visit the Communication Satellite Centre near Cowichan Bay, where they toured "Tele Sat" and "Tele Globe". There are only three such centres in Canada; the other is located at Owen Sound. An all day bus trip to Port Alberni included the thrill of a walk in the Cathedral Drive. The Nanaimo Marine Biological Research Station was also visited.

The last three days were spent in the Victoria area with conducted tours of the

Butchart Gardens and the Undersea Gardens, a sea food luncheon at Sooke, and other banquets and gifts. For Mrs. Sinclair, she claims it was a trip to be remembered.

Resident returns from California

by J. Turner

Miss Vera Strokov recently returned from a two week holiday, visiting with friends, Mr. and Mrs. Bob Tyler of Simi Valley, California. While there she attended the wedding of their son, Tom, on September 3. September can be the warmest month of the year in California and temperatures were in the 90's, lovely vacation weather.

Don and Marie Anderson and boys have enjoyed two weekends at a cottage at Wasaga Beach, joining Don's mother and aunt, Mrs. B. Anderson and Mrs. Fred Kentner, who were there for the week. The Two Houses was the Rev. J. H. McFadden's theme at Sunday's service, stressing that belief and faith in God must be accompanied by action. Susan Milne and Helen Kockx sang a duet Beautiful Garden of Prayer. The Fall Fair took its toll of

attendance, as many regulars tended to duties at the fair grounds. Choir practice for the Churchill junior choir begins this Thursday at 4 p.m. Children get off the school bus at Churchill corner and practice for an hour with organist

Marie Anderson and choir leader Joanne Turner. All children nine years and over who like to sing are welcome. Green Thumbs and culinary experts from the Churchill area earned their share of prizes at the fair last weekend. Congratulations all!

Residents have visitors from afar

by Mrs. Winifred Smith The monthly meeting of the U.C.W. was held at the home of Mrs. Ruth Shortill. There was a good attendance.

Mrs. Reta Shortill read the devotional. It was "Women of the Old Testament". Mrs. Eileen McEnery gave the minutes of the previous meeting. The treasurer's report showed finances in good shape.

There was a discussion about the centennial coming up. Mrs. Barbara Munroe showed slides of her trip to Britain. Mrs. Evelyn Snow speaking for the social committee gave some good ideas. Mrs. Viola Shortill assisted the hostess in serving lunch.

Mrs. Valerie Joy and family recently enjoyed a visit from her mother Mrs. Wakelin, from Belsize, Central America.

Mrs. Reta Shortill had a visit from a former neighbor Mrs. Edith Barnes, now of New Zealand. She is spending some time with her mother and sister in Brampton. She has relatives in England where she will spend some

time before flying back to New Zealand.

Mrs. Diane Cotton is a patient in Toronto Western Hospital. She underwent surgery over the weekend. We hope she had a speedy recovery and that she will be able to return home shortly.

The community was saddened to hear of the serious car accident the Quackenbush family was involved in last week. Thirteen year old Christine was seriously injured and is a patient in Toronto Sick Children's Hospital. We sincerely hope she is responding to treatment and that her stay there won't be too long. Mrs. Quackenbush and Laurie were less seriously injured and were released from hospital in Guelph but are recovering from bruises and cuts.

Mr. and Mrs. Wally Secuatto former Fifth Line residents now living in Trenton, were visitors in the community over the weekend and called on friends and acquaintances in the neighborhood.

How Should We Then Live? The Rise and Decline of Western Thought and Culture. A two-volume classic... by Dr. FRANCIS SCHAEFFER. Admissions free - no reserved seats. The program for each night will consist of two thirty-minute film episodes followed by informal discussion, or a one hour lecture at GEORGETOWN DISTRICT HIGH SCHOOL. Saturday, Nov. 12, 8:00 p.m. Episode 7 THE AGE OF NOW-REASON. In a review of modern philosophy and theology, Dr. Schaeffer illustrates man's attempted escape from reason into non-reason and his abandoning of the truth. Episode 8 THE AGE OF FRAGMENTATION. Here he reviews the current fragmented state of art, music, poetry, and the motion picture as expressions of man's dilemma. Saturday, Nov. 26, 8:00 p.m. Episode 9 THE AGE OF PERSONAL PEACE AND AFFLUENCE. A look at the youth of the 60's and their escape into drugs, occult, and the New Left. In the 70's the trend changes to apathy and they join their parents and accept the horrendous values of personal peace and affluence. Episode 10 FINAL CHOICES. Finally, Dr. Schaeffer reviews the tragic history of the last two decades and concludes that man's only hope is a return to God's biblical absolutes - truth revealed in Christ through the Scriptures - if authoritarian society and arbitrary absolutes are to be replaced by truth once again. About Frances Schaeffer. Time Magazine called him a missionary to the intellectuals. Hundreds of college students, curiosity seekers, drifters, and spiritually hungry nomads of all nationalities and ages have sought him out in his home in the Swiss Alps. There he has developed a reputation for his ability to communicate ideas and principles to men and women from all walks of life. In the U.S. communities and study centers in Europe, he and his staff have exposed these many individuals to Biblical Christianity, trying to meet every honest question with an honest answer. From Harvard to the local church, in Europe, North America and the Far East, he has raised the spectre of the potentially destructive direction of our society. As a voice in the wilderness, for years he has preached that Biblical Christianity is not only true, but intellectually defensible and reasonable. He has warned that our commonly accepted human freedoms, often taken for granted in the West, are in great danger of disappearing. But, unlike most doomayers, he offers positive alternatives for the future. Francis Schaeffer has written a number of books including "The God Who is There", "True Spirituality" and "Escape From Reason". These have been widely read and studied in over 15 different languages. The sales of his books have exceeded one million in the U.S. alone. Saturday, Oct. 1, 8:00 p.m. Episode 1 THE ROMAN AGE. Rome collapsed because it was built on man and his limited ideas alone. Early Christians survived the catacombs and the Coliseum by building their lives on a solid concept of God's truth and existence. Episode 2 THE MIDDLE AGES. The simple direct church in the Acts of the Apostles was tragically corrupted by political power and materialism. Dr. Schaeffer traces the subtle turning from the ways of God to the ways of man. Saturday, Oct. 15, 8:00 p.m. Episode 3 THE RENAISSANCE. Next Dr. Schaeffer salutes the artistic accomplishments of Renaissance man. Yet he warns against empty trust in man alone and the inevitable bankruptcy of humanism. Episode 4 THE REFORMATION. Here he reviews the many contributions of the Reformation and its culture, declaring that a modern Reformation could rescue modern man from his dilemma. Saturday, Oct. 29, 8:00 p.m. Episode 5 THE REVOLUTIONARY AGE. Dr. Schaeffer shows historically how tyranny and terror is a result of building a culture on a non-reformation base. Episode 6 THE SCIENTIFIC AGE. The fathers of modern science - Galileo, Bacon, Copernicus and others - built on a biblical understanding of the universe and of man. Apart from this, modern science can become the enemy of man.
