## Cancer Society pins presented

On October 18 the Acton Branch of the Canadian Cancer Society held their meeting at the home of Marion Patterson and after her business meeting there was a presentation to new and older members of the executive of the Cancer Society's symbolic Cadeusus lapel pin. Cathy McGillivray read the history of this symbol to the group of 15 members who were present and this made the presentation a very meaningful experience to them, and indeed all volunteers who wear the Cadeusus with pride.

A letter of appreciation from Princess Margaret Hospital was read by Mary Papillon, former Activity Group leader. The hospital expressed enthusiastic appreciation for the beautiful knitted goods made by the Acton Volunteers.

Gloria Coats expressed sincere gratitude to Mrs. Wes Beatty and some members of her Georgetown Arts and

Crafts Group who have very generously donated some very beautiful stuffed toys and lovely jewellery which was sent to the Ottawa Children's Hospital to young cancer patients. She informed us that this will be an ongoing thing and Mrs. Beatty has offered to send these very special gifts to Ottawa twice a year. They will be cherished by the children there.

Christmas baking and jams and jellies that are so generously donated by the general public of Acton will be packed on December 8, to be sent to the Princess Margaret Hospital for Christmas, so anyone wanting to get a head start on these projects is welcome to phone Mrs. Hilda Goulding at 853-2251 and she will be happy to pick up your articles, as well as any knitted goods you may wish to contribute to this worthy cause. It certainly cheers the patients at Christmas time to receive a personally-made item as a special gift.

Transportation chairman Susan Keuchler reported on a conference she recently attended on Sept. 14 in Toronto entitled "Happiness Is Service" and she brought back many interesting and worthwhile ideas. The goal of seven million for campaign was met this year, and that the goal for 1978 is to be eight million dollars for Ontario.

Cathy McGillivray, new Education chairman, is planning a great "Theatre Film Preview Night" for Nov. 23 to be held at the new high school in the Resource Centre at 7 p.m. The first hour of this will be devoted to Youth and Smoking Films and the second hour will be for Adult Education Films and at 9 p.m., refreshments will be served. The purpose of this event is to invite a representative from every service club and church group and every teacher in town to come and see just what is available to take back to their respective groups. Mrs. McGillivray points out that it is a fact: children begin smoking at Grade three level! It is a fact: smoking causes lung cancer. It is a fact: lung cancer is fatal in 95 per cent of cases. It is a fact: each year in Canada, 5,000 people die of lung cancer.

The Central Counties Meeting is to be held at the Woodbridge Golf and Country Club on Wednesday, October 19 and it is a dinner meeting for the executive and several members will be attending.

Members wished to acknowledge the work of a former resident of Acton who has moved to Brantford. George Bowman worked very hard as a Campaign Captain in this town and his contribution of time is gratefully acknowledged. Members will miss him and wish him well in his new home, with his wife Evelyn.

This was a very informative meeting and the enthusiasm of newer members is a gratifying experience to see for those on the executive who have changed positions after holding the same ones for some time in the past. Fresh ideas are always welcome and they only heighten the enjoyment of this worthwhile group of people.

## Laymen's

Sunday, October 23, St. Alban's Anglican Church celebrated Laymen's Sunday with the 10:30 service of worship conducted by Grant Puchon. Les Dudy was the preacher, Alec Pitt the liturgist, David Hunter read the first lesson and George Hargrave read the second lesson.

## Awards

Last Wednesday evening two Acton women were presented with service awards from the Cancer Society at their annual district meeting in Woodbridge. Mrs. Sue Sale and Mrs. Gloria Coats both received this award for their long and dedicated work for the society.

## Local lawyer to speak, Christmas party planned

Minutes of the September meeting of the Trinity Activity Group were read by Jean McLean.

Sue Sale had a devotional

reading, Joyous Service. The treasurer's report was given by Gloria Coats. Margaret Mackenzie, a local lawyer, will speak at the next meeting November 16. There will also be a question and answer period.

The group's Christmas party was planned for the December meeting, December 15, when there will be a cookie exchange. Several items of business were discussed. The ladies worked on items for the bazaar which is to be held November 12 in the church basement.

Cake, tea and coffee were served to the 15 people present.

Dave Pink is making another move in the newspaper business. He has recently been with the Peterborough Examiner, and now he's switching to the Saskatoon Star-Phoenix. He expects to be political features writer there as well as covering regular news. The Acton native started out at the Free Press and Milton Champion.

# TWO NEW CANADA SAVINGS BONDS

## A GREAT CHOICE

This year, Canada Savings Bonds offer you a great choice. There's a new Regular Interest Bond that pays interest each year. And a new Compound Interest Bond that re-invests your interest automatically, earning interest on your interest.

## SAFETY, INSTANT CASH AND A GOOD RETURN

Both new bonds retain the great features that have helped to make Canada Savings Bonds the favourite investment for millions of Canadians over the past 31 years. They're a safe, secure investment. They're instant cash anytime. And they earn good interest — year after year.

New Canada Savings Bonds are dated November 1, 1977 and yield an average annual interest of 8.06% when held to maturity in 1986. Each new bond begins with 7% interest the first year and earns 8.25% interest for each of the remaining 8 years.

## REGULAR INTEREST BOND

If you want a regular annual income from your investment, you'll like the new Regular Interest Bond which pays interest automatically each Nov. 1st. You have the choice of receiving your interest either by cheque or by direct deposit into your chequing or savings account. This new direct deposit feature is an added convenience for you.

You can buy the Regular Interest Bond for cash wherever you bank or invest in denominations of \$100, \$500, \$1,000 and \$5,000.

## COMPOUND INTEREST BOND

If you seek savings growth, or an investment for the future, or a retirement fund, you'll choose the new

Compound Interest Bond. After the first year you will earn interest on your interest at the annual rate of 8.06%. Interest on this bond is left to accumulate and is payable only upon redemption or at maturity.

Here's how the value of a \$100 bond grows:

Nov. 1 Value	Nov. 1 Value
1978 \$107.00	1983 \$158.78
1979 \$115.81	1984 \$171.77
1980 \$125.34	1985 \$185.81
1981 \$135.63	1986 \$200.97
1982 \$146.76	

The Compound Interest Bond may be purchased for cash or on the convenient Monthly Savings Plan wherever you bank or invest. It is available in denominations of \$100, \$500, \$500, \$1,000 and \$5,000.

## THE CHOICE IS YOURS

As you can see, new Canada Savings Bonds offer you a great choice — the Regular Interest Bond and the Compound Interest Bond. Both new bonds are on sale now up to a combined total purchase limit of \$15,000. They have been specifically designed to meet your savings goals. Choose the one that's right for you.
