## Tennis Talk

by Mark Hurst

The following are the results of the Acton Tennis Club Junior Championships.

Girls' singles under 18, Carole Saxon defeated Janet Saxon.

Boys' singles under 18, Dave McGilloway defeated Scott Malcolm.

Boys' doubles under 18, Gord Bruce and Mike Morris defeated Scott Malcolm and Dave McGilloway.

Mixed doubles, Mike Morris and Carole Saxon defeated Scott Malcolm and Sharon Cook.

Boys' under 14, Paul Nolan defeated John Toebes.

There was no girls' doubles division.

Together with the senior championships, this tournament topped a very successful season at the Acton courts. Plans are well under way for next season. A senior team and a boys' junior team will be entered in intercounty competition beginning next spring.

With regard to the construction of four new courts which we are anxiously awaiting, tenders have been approved and work will begin any day. A large percentage of the work can be completed this fall with the remainder being done in the spring. The tender package includes new superior lighting and an inside the court viewing area.

Don't miss the "Tennis Ball" awards night and dance this Saturday. Hope to see you all there!

## Splash Flashes

by Helen Vadekka and Judy Paterson

Halton Hills Swim Team, Acton Division, has been operating for about 3 years. It has at present 29 swimmers, ranging in age from seven to 20 plus. These young people show great dedication by coming to practice at the Acton Pool every Thursday morning at 7:20 and every Saturday morning at 9:00.

In a one hour practice, they swim from 1500 metres to 2500 metres depending on age and ability. They learn and gradually improve their technique on the four competitive strokes, freestyle, back crawl, breast stroke and butterfly. They try to increase their endurance and speed with every practice. All this sounds like a great deal of work, and it is.

Our swimmers have a meet coming November 20 against the Orangeville team and an inter-club meet will take place in Georgetown on November 3. We look for your support and encouragement.

The Halton Hills Swim Team is not for those who are easily discouraged but if you can give your dedication while enjoying a social relationship with other young people, then the Halton Hills Swim Team needs you!
