Ski hill expansion

Despite the heavy rains of a few weeks ago, progress has been made on expansion of the Glen Eden Ski Area. Bill Warwick, director of conservation services for the Halton Region Conservation Authority (HRCA), told HRCA members he couldn't give a definite date for completion of the project. The Authority met Thursday.

Mr. Warwick said completion of the proposed new ski area will depend on continuing weather conditions. The new lounge should be ready for the skiing season. Whether or not the additional hill is completed, Glen Eden will still be opened for skiing.

This season HRCA will also get into the ski rental business at Glen Eden because the former concession holder had to give up the operation for health reasons.

Speaker for groups

Arthur Meunier has had several speaking engagements the past week. A week ago today (Wednesday) he spoke to the Ladies' Take a Break group in the Y. He spoke to Sheridan College journalism students one day and to the law class at the high school Monday. He will take part in the public forum at the Robert Little school to night.

Gordon Sinclair & friends

But even friends disagree. That's their prerogative as newscommentators. Each one different; each one with his own approach to the news. Four newscommentators extraordinaire!

Gordon Sinclair for 'News and Comments' 11:50 AM, weekdays. He's the dean of 'News and Comments'. The original loveable, irascible fighter. On some days you'll agree with what he had to say, on others you won't, but one thing everyone agrees upon is that he'll get you to think.

Torben Whitcup for 'News and Comments' 8 AM and 6:30 PM, Mon.-Fri. His consistently 'accurate' news will keep you on top of what's happening here and around the world. He's your man for 'Authoritative News'.

Bob Hesketh for 'News and Comments' 1 PM and 5:50 PM, weekdays. A free-thinker, outspoken reporter, feature writer and newscaster. His blend of sarcasm, wit and humour makes for dramatic listening.

Charles Doring for 'News and Comments' 7 AM and 10 AM Monday through Friday. His straightforward, no-nonsense approach to 'News and Comments' is refreshing. He pulls no punches and his comments usually hit home. It's this kind of 'people' combination that makes CFRB's News Commentary Team the most listened-to group in town.
