

Splash Flashes

by Judy Paterson
Synchronized Swimming
The synchro swimmers have been exceedingly busy in the past month preparing for a swim meet and working on their fund-raising for the new sound system.

In October they were busy collecting recipes for their fund-raising cook book due to arrive early December. This was quite a large time-consuming operation and the club wishes to thank Cathy Ashley, Liz Cooper and Pauline Leslie for their time and support.

The next fund-raising endeavour was the synchronized swim this past Sunday. Although the meet was not a fund-raiser we played host to approximately 125 hungry swimmers from Burlington, Oakville, and Milton. All the Acton swimmers had baked delicious saleable goodies and they were so good that they sold everything. Of course this sale was not possible without a great deal of effort from the swimmers and their reliable, understanding and indefatigable parents who helped set up and sell all these goodies while the meet was running. Thank you so much Mrs. Wynneck, Mrs. Duncan, Mrs. Moore and Mrs. Thatcher.

Swim meet

The swim meet was also a success. The swimmers had four other teams competing and in the final team results Acton placed third behind Burlington synchro and Burlington Y, both of which have twice as many swimmers as Acton does. For half of Acton's swimmers it was their first time in a competition and they performed exceedingly well. The meet consisted of two hours of basic figures followed by conditioning relays.

Figures

In Figures there were usually 10 to 14 competitors at each level and considering that, the following swimmers did very well: Recreation Event (10 and under) Lori Fountain 4th, Katey Wynneck 5th, Laura Ann Leslie 7th and Lisa Krzyzik 8th. (11 and 12) Alanna Bowen 6th, (13 and over) Andy Anderson 4th, Jodi Duncan 7th.

Novice Event: (12 and under) Laura Brillinger 6th, (13 and 14) Caroline Thatcher 7th. (15 and over) Beth Grein 1st.

Category D Event: (12 and under) Renata Brillinger 6th. (15 and over) Teri Flinders 2nd.

Category C Event: (15 and over) Liz Cooper 5th.

In the relays they had two seconds and five thirds. Congratulations to all those girls who competed and put forth so much effort.

Their next major project is the Christmas Bazaar and Flea Market at the Acton Arena December 10, from 10-5 p.m. Work for this is well under way. It should be a good one as they intend to feature nearly-new toys and sporting goods; nearly-new clothing (especially children's wear), crafts, baked goods, and their recipe books. If you have any items you wish to donate please contact Judy Paterson at the pool.

Remember come to the bazaar December 10th and the Third Annual Water Show, is December 11, 7 p.m. They hope to see you both days!

Rebuilding tennis courts

Reconstruction of the Acton tennis courts is underway now as the old surface has been entirely ripped up and the fences and lights removed.

Cost of the renovations will be in the vicinity of \$32,500 of which \$13,000 will go for the new lights and the rest for the new surface and fences.

The surface being used is an emulsion penetration type, according to Anne Pickering, recreation co-ordinator for Acton, and when finished the courts will be exactly the same as those at Gordon Alcott in Georgetown, but with an extra 10 feet inside for seating.

The tennis club is contributing about \$2,500 towards the seating area and for extra candlepower in the lighting, according to Miss Pickering.
