

# Elora falls 9-2 to peewees, Fergus takes 4-0 decision

Acton major peewees walked over Elora 9-2 Saturday but were unable to keep their winning ways going Monday as they dropped a 4-0 decision to Fergus.

Acton was never behind in the Elora game as they scored first and took a 3-1 lead out of the frame. Brian Canary got the first score for the home team, taking the pass from Joe Balkin to open the score.

Elora replied, but Acton took the lead back within twenty seconds when Wayne McMillan got through from Canary. Mike McNabb scored the third for the peewees with just 36 seconds left on the clock in the period.

Three points Acton scored all four goals in the second frame to open

an insurmountable lead. Canary scored again, from Paul Vermeulen, then McMillan took over with three goals in a row. The first two were unassisted, while Ken Kavanaugh and Andy Cunningham assisted on the third.

McMillan netted his fifth of the evening from Vermeulen.

Acton minor peewees suffered their second successive shutout at the hands of Elmira last Wednesday, dropping the game 6-0. "We just can't seem to click," said coach Barry Insoce.

The peewees were more successful against Fergus Thursday, tying them at 2-2 on a third period comeback. Trailing 2-0 with just over a

minute to play, Acton scored twice in seven seconds to earn the tie. Paul Cargill was the first marksman, sailing in unassisted, while Lorenzo Civierto got the game knocker from Brad Youmans.

Tonight the peewees meet New Hamburg in the arena. Saturday they play in Hespeler.

KAREN CHAPMAN PLAYED an aggressive defensive game to help Acton High to their 51-43 win over the favored Oakville Trafalgar squad Monday in Halton quarterfinal action.

# Town needs two advisory boards

## Hunters bag deer

Acton hunters had a busy weekend up north. The Lucky 11, a local group, went to Muskoka where they bagged three deer, and Bert Fowler and son Bruce were in Huntsville with a group from that town where they brought down six.

Members of the Lucky 11 are Will Duval, Herb Dodds, Grant Withers, Archie Pappilon, Kaz Lewandowski, Don Anderson, Tom Elliott, Dave Manes, Ray Nellis and two hunters from up north.

other things, reorganizing a recreation advisory board in Acton. The Acton board disbanded, upset that council was not heeding their advice. Mary McEwen said at last week's board meeting that she's really concerned about getting a committee for Acton.

Councillor Peter Morris told the board that Acton Councillor Peter Marks is interested in reviving the committee in Acton. "You people have done a lot of work. I'm sure a lot of improvements have taken place and Georgetown is a lot better off for you people meeting. Acton is lacking from not having a committee."

Chairman Clare Riepma said he wonders what kind of a reception Georgetown people, pushing for some-

thing in Acton, would get. Claudette Smith said she sometimes gets the impression that some members of council like the division in the two towns. "It works to their advantage and tends to foster these petty rivalries," she said.

Riepma said the reason council didn't see the need for a joint meeting with the board last month is that Councillor Morris is now attending monthly board meetings.

Mrs. Smith said she wants a reaffirmation from council on the value of recreation.

"Peter can't be a mouthpiece for us just because he comes to our meetings, he's got other things he wants to tag them about," said Mrs. Smith.

to end in December, but Councillor Morris suggested the board write council asking that their terms be extended to March 1978.
