A NEW EXECUTIVE FOR the Ladies' Division of the Acton Agricultural Society was chosen in the library last Thursday. Sitting are first vice-president Lucille Cooksley, president Carmela Cobham and second vice-president Marlene Steckley. Standing are secretary-treasurer Diane Evans, auditor Linda Hignett, past-president Irene Swackhamer and press reporter Heather Rennie.

Fair ladies' division starts its 20th year

The 20th year of the Ladies' Division of the Acton Agricultural Society began with the election of a new slate of officers: President Carmela Cobham, past-president, Irene Swackhamer; 1st vice-president Lucille Cooksley; 2nd vice-president Marlene Steckley; secretary-treasurer Diane Evans; press reporter Heather Rennie; auditor Linda Hignett. Mrs. Mabel Frank, a member of long standing, submitted her resignation from the board of directors. In her letter, Mrs. Frank noted that she has prize ribbons she has won from the Acton Fair dating back to 1955. Mrs. Irene Swackhamer left the president's chair after two years of service. In her closing words she reminded

the lady directors that they were entering their 20th year of operation. She paid tribute to Mrs. George Somerville and Mrs. R.L. Davidson, active members until the times of their death; and to Mrs. A. Robinson, Mrs. George Mussele, Mrs. A. Near, Mrs. J. Dennis and Mrs. Mabel Frank, all who were able to be at the Christmas party. "These are all names that I remember as having been a great help to me when I became secretary-treasurer of Agricultural Society in 1954." Mrs. Swackhamer went on to recall past presidents: Mrs. Lloyd McEnery, Mrs. William Thompson, Mrs. Wilfred Waidie, Mrs. Donald Mathews, Mrs. Mel McCullough, Mrs. Walter Linham, Mrs. Edward Arch-

bald and Mrs. Vivian Beer; and past secretaries: Mrs. Ralph Denny, Mrs. William McDonald, Mrs. Donald Mathews, and Mrs. Evelyn Atken. To Linda Hignett, who had served as secretary-treasurer during her term as president, Mrs. Swackhamer expressed a special word of appreciation. Mrs. Swackhamer reflected on an active year which included 10 regular meetings, a pot luck supper, a Christmas party, a euchre and penny sale, participation in Back to Acton Days, as well as a \$50 donation to the Town Hall Restoration Fund. Both the change to a separate prize list and the move of the hall exhibits to the ice surface involved extra work for all. She expressed thanks to all who worked to make it a good year. Under the new president, Carmela Cobham, the meeting continued with discussion of conveners and committees. These will be finalized next month. The Ladies' Division decided to serve coffee and cookies at the annual meeting of the Acton Agricultural Society on January 23.

Friends-in-Deed could use help

by Emily Price
We hope everyone had a real good holiday season and that each one of you was well treated by Santa Claus, and we hope 1978 will prove to be the best year of all, in every possible way. We also hope the flu that is so prevalent, will soon disappear.

As 1978 starts, our organization are hoping for a bigger and better year, as successful, and more so, as our past years have been. With everyone's co-operation and each one of us doing our part to help our committees, we could have an organization to be very proud of.

Our first meeting of the year will be held at M.Z. Bennett school on Tues., Jan. 31 at 7:30 p.m. sharp, so let us all get out, and make our first meeting of the year, one to be remembered. A warm invitation is extended to all to come out and join us, and especially the newcomers to Acton.

We would like to hear from any handicapped person, or

from anyone knowing of these people in need of help, as we would like to keep in touch with them, and help them in whatever way we can, as that is what our organization is all about.

Volunteer help is needed by our group for the ladies' dressing room at the pool on Sunday mornings from 10:30 to 12 and any ladies who feel they could help us out, and can spare a little time, we would appreciate it very much. They can get in touch with me at 853-2224 or Anne Dodds at 853-2423.

Volunteer drivers are also needed, as conditions sometimes arise, being a handicapped organization, where extra help is needed, and anyone who would like to help in this capacity, can get in touch with the above numbers, or Marj McDonough at 853-1606. Our sincere appreciation goes to anyone who can help us in both situations.

Will see you all at the meeting and hopefully, at swimming on Sunday morning.

Lioness club discussed

The first regular monthly meeting of Acton Lions for 1978 was held Monday at the Station Hotel.

Lion Rod McDonald, past district governor, and his wife Jean of the North Peel Lions Club were special guests and provided information regarding the formation of a Lionesses club in Acton.

Acton CB'ers meeting

The Acton Hillbillies CB club held their first meeting of the year Sunday at the scout hall and rules and regulations of the club were discussed.

New members were welcomed into the club and old members welcomed back after the Christmas and New Year's holidays.

The club hopes there will be more CB'ers and their families at the next meeting, scheduled for February 5.

Anita Bryant crusade begins in Toronto Sunday

Anita Bryant will fly to Toronto this weekend to help Rev. Kenneth Campbell of Milton launch a Canada-wide "Christian Liberation Crusade" with rallies planned in six Canadian cities through to mid-March.

Miss Bryant, famed as a singer and Florida orange promoter, last year spearheaded a battle against homosexuals and her appearance in Toronto this weekend has met with a lot of publicity — plus threats of lawsuits if she speaks out against homosexuals while here.

Mr. Campbell, the Milton evangelist who launched the Renaissance movement three years ago, will participate in

the morning and evening services at Peoples Church in Willowdale Sunday with Miss Bryant, and they will attend a press conference at the Airport Holiday Inn Monday morning. Dr. Charles Seiden-spinner, president of the Evangelical Fellowship of
