Congregational meeting at Trinity Sunday

An unusually long annual meeting was held Sunday by the congregation of Trinity United Church. As well as the usual business and budget, a new constitution was debated and approved.

The meeting began after

the church service, broke for lunch and resumed again afterward.

Toddlers were cared for in the church but older children played in the Y during the time of the meeting.

Bill Coats presented the

new constitution. Renovations in the church basement were approved. A wall will be removed between two rooms and folding doors installed. A committee had been working on the proposal, which was presented by Bob Hart.

New Unified Board members elected are Dorothy Allen, Crawford Caswell, Gloria Coats, Eldon Comfort, Heide Hessler, Lloyd McIntyre, Dave Sale, and Ken Slaney. They begin a three year term. There are 24 on the Unified Board.

Wyman Little was elected trustee, to fill a vacancy.

Chartered accountant Paul Jervis will audit the books.

Bob Hart expressed the congregation's appreciation to the minister, chairpeople, organist, caretaker and others who contributed much to the life of the church.

The Rev. Chuck Beaton was chairman, with Ethel Denny secretary. The annual reports were all presented, and the proposed budget of over \$40,000 accepted.

There were 54 new members during the year, 19 deaths, 10 baptisms and 10 marriages.

Re-elect chairman

The Regional Board of Health met briefly last week and approved the continuation of George Gray and S. Cramp as chairman and vice-chairman respectively of the board.

In other business the board approved, subject to approval of the Ministry of Health and the Anti-Inflation Board, fee increases for the Victorian Order of Nurses and the Red Cross Homemaking Service. YON fees will increase from \$12 to \$12.70 per visit and Milton Red Cross Home-

Legion news

by Harry Norton

That last week of January was sure a humdinger and although the sun is shining now and the roads are open again we will all remember the blizzard of 1978 for a long time.

There were tragedies and near tragedies throughout a major part of North America related to the late January storm and as you all know Comrade Frank Toth was involved in a serious accident during the worst part of the storm while trying to get someone else out of trouble. The Free Press will have details in another section of this paper but I am sure that all Legion members as well as all members of the community hope and pray for a speedy recovery for Frank.

The Ladies Auxiliary annual banquet is over, the ground hog will soon be hunting for his shadow and Pancake Tuesday is just around the corner. Can spring be far behind? Looking out our front window I can't see the cars going by for the snow piled on the side of the highway and it is hard to imagine that seven weeks from now spring will be here and a whole new cycle of life will be starting.

Cribbage and some other activities were cancelled because of the weather this past week but there are lots of things lined up for the days ahead.

Don't forget the adult skating party on Friday, Feb. 3 at 20:00 hours and the family skating on Sunday, Feb. 5 from 14:00 hours on. Food will

be available both Friday night and on Sunday afternoon.

If you have not signed up for the Legion Curling Bospital on Sunday Feb. 12 you better get your name on the list.

Last week we mentioned the Pee Wee Hockey tournament to be held in Acton on the weekend of Feb. 24, 25 and 26 and Allan Hall and Kerwin McPhail have their plans pretty well firmed up for this 9th Annual Tournament sponsored by the Acton Legion. There will be 16 teams competing from all over the province with one team coming from Sault Ste. Marie. Bill Cook is looking for goal judges, Bob Angell needs help to collect at the arena door as the games will be played Friday night, all day Saturday and Sunday till 15:00 hours. Anyone willing to help should contact any of the four men mentioned as lots of help at the arena and at the Legion (at meal time) will be required.

Just so you'll know it is not all work and no play at the Legion the entertainment committee has lined up some outstanding bands and groups so members and their guests can cut a rug on Friday and Saturday nights. On Friday Feb. 3 in the lounge the ever popular Bob and Corey will be entertaining and on Saturday B.J. Wright will be swinging in the auditorium. The Camilla Show band, Kalico Jack and the Country Dees will be playing in the auditorium later in the month and in the lounge we will be having Stereo Roe and the Dolsons.

Farmers overcharged for gas — Hannam

Peter Hannam, president of the Ontario Federation of Agriculture, warned many farmers were being overcharged for gasoline. Mr. Hannam explained that, "Some farmers are being charged at least six cents, and in one case, 13 cents a gallon more than service station prices. It's a rip-off. The extra cost of delivering gas to the farm does not justify the difference."

"There is a surplus of gasoline in Ontario right now. The oil companies are getting rid of it by lowering prices in some areas, but not all."

"If the oil companies would back up their dealers right across Ontario, we would all benefit from better prices. As it is now, you have to push the dealer to get a reasonable price."

Fuels are a major farm expense. Last year, Ontario's 80,000 farmers spent \$45 million on gasoline.

Mr. Hannam urged farmers to fight back. "Farmers should shop carefully. I know of cases where good bargaining has knocked five or even

six cents off the price. "You can get an even better price if you own your own bulk tank. If it's big enough, it gives you a lot more negotiating clout."

"Farmers are caught in a frightening cost-price squeeze," concluded Mr. Hannam. "Here is a way we can lower our costs. If we all start wheeling and dealing, we can drive the price down to a reasonable level."
