**Minor atoms out of playoffs**  
Minor atoms will move from the OMHA playoffs to the Wellington-Waterloos because of a pair of losses at the hands of Orangeville last week.

The first loss was a 4-0 shutout in Orangeville January 30. "Acton played well for one and a half periods before being overpowered by Orangeville," said manager Jim Mitchell.

The game was scoreless until halfway through the middle frame, when Orangeville connected for the only goal they needed. They finished the period at 2-0 and added the final two goals in

the third period. Tuesday's game was different, with Orangeville taking the advantage right from the start. They went up 4-0 in the first period on the way to a 7-1 win.

The lone Acton marker came in the middle frame when Gord Mitchell fed John Lloyd, who powered it in. It was the only goal of the second period.

Both games were clean, with only three penalties being called in the series.
