### Knotty Pine Pickwick Paneling

A wall cover-up that lets you downright show-off.

Knotty white pine panelling, chosen especially for its dominant knot and grain characteristics, is made from Ontario white pine trees. Individual planks are thick and embossed with the pickwick pattern for a truly unique and enchanting look. Finish it in the colour and lustre of your choice. Easy to apply

The 1/2" thick planks are available in 6" or 8" widths. Each panel is 7' long. The 6" wide panels cover approximately 18.5 square feet per bundle. The 8" wide panels cover approximately 14 square feet per bundle.
