LARRY BROADLEY
Manager of Stone Road Mall

**Mall
open
6 nights**

Stone Road Mall will continue its successful history of opening 10 a.m.-10 p.m. Monday through Saturday night to provide the most convenience for shoppers. All stores with the exception of Sears, who will be open until 5:30 Monday, Tuesday and Saturday and 9:30 Wednesday, Thursday and Friday will be open for your shopping convenience each evening.

Mall Manager, Larry Broadley, says the mall will open the hours that our customers want us to be—we find with the modern society we live in with both husband and wife working that it's important to be open in the evening so the family can shop together.

**Boutique
for shoes**

Fredelle Shoe Boutiques are "better shoe stores" for the young and fashion conscious, each location delightfully unique, yet unmistakably a part of the family of Fredelle extending coast to coast.

Each Boutique is a stunning—even eclectic—contrast of old and new. Genuine Canadiana (furniture, knick-knacks and art) create a warm and inviting "ambiance", while shoes, boots, and bags are distinctively new and exciting.

Part of the reason for Fredelle's unflinching trendiness is the excellent taste and fashion sense of its buyers. Plus, a central computer link-up keeps all stores in touch with what's happening in the world of footwear.

Come visit the new Fredelle Shoe Boutique at Stone Road Mall.

They are a beautiful place to shop. Or browse. And they're looking forward to showing customers what's new.

**Treasure
Hunt

Almost 100 prizes will make up the \$10,000 Treasure Hunt that gets underway at Stone Road Mall Opening Day.
