Four school teams in hockey tournament

The annual school boys' tournament pitted four teams against each other in the Community Centre today. McKenzie-Smith Middle School took on Centennial (Georgetown), Fairview (Milton) and Stewarttown for the North Halton championship title.

In an attempt to balance the team in terms of strength Fairview is permitted to dress five all-stars from rep

teams. McKenzie-Smith will have two town team players in its line up, but Centennial and Stewarttown may not draw on any Tri-County players to bolster their squads.

To gain berth in finals teams must accumulate points from the round robin games. Three points are awarded for a win, two for a tie and one for a loss.

In case of a tie, officials will

report to the scoring stats to declare a winner.

In addition to the departure from the usual manner of awarding points for win-ties, another wrinkle is worked into the games.

Each game will be divided into two 20-minute halves, instead of the usual three periods. The final five minutes of the second half will be clocked on stop-time.

Game officials for the tournament are drawn from the Acton Referees Association.

CV tames Tigers in non-con hockey

Cedar Valley eliminated Acton Tigers from the Wellington-Dufferin-Halton Non-Contact League quarter-finals Friday at Hillsburgh.

Cedar Valley will now face Georgetown Patterson in a best of three game semi-final series. Meadowdale plays Halton Hills in the other series.

Cedar Valley led throughout the game, however it was not until a penalty riddled third period did the Hillsburgh based team flex superiority over the Tigers.

Willy Coelen fired two Tiger goals while mates Wayne Munro and Kevin Kenally accounted for singles.

Cedar Valley took a 3-1 lead in the first period on markers

by Keith McKinnon. Don McKenzie and Andy Hamilton. In the middle frame Acton closed the gap, after CV's Bob Dempster made the score 4-1.

McKenzie with a single and Andraan Vander with a pair finished off Cedar Valley's tallies.

This is the first year Acton has entered the non-contact league and team spokesman Wayne Munro stated that though the Tigers got knocked out of the playdowns, the team is looking for older guys to lace up the skates for next season. Munro would like to hear from men in the 30s, 40s or older, who have some hockey experience. His number is 833-1512.

There are ten teams in the league.

ATW managed a two-goal lead earlier in the third period off Severinski's first goal of the game. Peter Morrison and Henry Toebes assisted. Bruce Cooksley tallied the second goal for ATW with his solo play.

In the opening two period, ATW and FC traded goals. ATW took a one to nothing lead into the second period on the strength of Steve Bennett's goal from Bren Irwin and Cooksley.

Gordon inked his first goal for FC in the middle period. Ernie Waller and John McCutcheon assisted.

Larry McKafee then came right back for ATW. Severinski and Irwin set up the McKafee goal.
