gen, David Elsley, Brian

Wong and Tracey Gordon.

School newspaper at McKenzie-Smith

The second issue of the Vince Spiteri, Kathy Edge, ackenzie-Smith school Peter Mills, Joel Pink, Ren-McKenzie-Smith newspaper known as the Observer was issued recently. The Observer is published on an occasional basis by the students of McKenzie-Smith and staff advisor Brad Fisher.

The paper is filled with poetry, student and teacher view points, school news, comic strips, feature stories, sports, compositions and con-

Editor-in-chief for The Observer is Tony Saxon. News editor is Eric Haugen, features editor Paul Carter, sports editor Paul Nolan and art director Jamie Dawkins.

Hard-working members include Kim Heaps, Tracey Collett, Kris Spievogel, Bruce Harris, Richard Binden, Monica Musselle.

No columns

There are no school columns this week since the schools are out for the March break and Easter holidays. Students will start back on Tuesday, March 28.

Wrong

Last week an article reported a special delivery parcel had taken four days to be delivered. All wrong. The promptly. Our information was in error. Sorry.

A strenuous twelve miles was covered by students who attended the overnight ski

hike March 10-11. The group of 11 left Acton by bus and headed for the Cataracts where they spent the night in a lean-to, a threesided shelter, which had been erected by the Bruce Trail Association.

The group set out Saturday morning and skied six miles in the direction of Orangeville and then made the six mile journey back to the campaite.

The ski hike was planned as an introduction to long distance skiing for Outers'

members of the group.

Palermo to close

Palermo school will close this June.

Halton Board of Education decided Thursday to close the school at the end of this school year because of low enrolment. Last year the board rejected an administration recommendation that the small school be closed.

The board also decided Palermo pupils living north of Highway 5 will go to Percy Merry School.

administration original changed ita recommendation that pupils living south of Highway 5 should go to W. H. Morden school, to Brookdale school

At a public meeting held at the school February 21 and attended by close to 25 parents a preference for Brookdale school was voiced. A follow up telephone survey showed 17 student's parents out of 22 wanted their chil-

dren at Brookdale. The school, which falls under new board policy was closed without comment from

Outers jackets

trustees.

Members of the Acton high school Outers are wearing bright blue jackets with the Outers crest boldly displayed on them. The crest was chosen by Outers members and was designed by former Acton high student Susan

4-H visit council meeting

by Lisa Petty The second meeting of Rock-a-long 4-H was held on Saturday, February 25 at the home of Mrs. Jean McDuffee.

The meeting began with a discussion of the club name. Other Outers' plans in the Many suggestions were made such as Rock-a-long Quilt Blocks, Quilting Gals, Crazy Quilters, Quilting Queens and Quilting Cuties. The chosen

name was Craxy Quilters. To co-ordinate with the name each member will pick their own color for the notebook. This way each book will be a different color.

Today we started a simple quilting piece. Mrs. McDuffee tried to get each member to use a thimble. Most members found it very difficult.

Miss Bayne told the group there would be no meeting next Saturday, Instead, the group will go to a council meeting on March 6. This will be in regard to the People, Ideas and Laws chapter in the book.

The meeting was closed with the 4-H motto.

The third meeting of Rocka-long 4-H was held on Monday March 6 at the Eramosa township hall on highway 24.

This meeting was to coordinate with the Peoples, Ideas, and Laws chapter in the books. For this meeting we sat in on a council meeting. Although some very large words were used, most of the members got the idea

of what the council was talking about. Meeting 4

The fourth meeting of Rock-a-long 4-H was held at the home of our leader. Mrs. Jean McDuffee.

Although this was fourth time we had met, meeting three's subject matter was discussed. This was because our trip to the Municipality centre could not be re-scheduled. Therefore, our meetings were.

Mrs. McDuffee played some of her records to see if we knew the composers. We discussed some of our leisure

time activities and how we would like to improve them. We discussed some good books that members may wish to read.

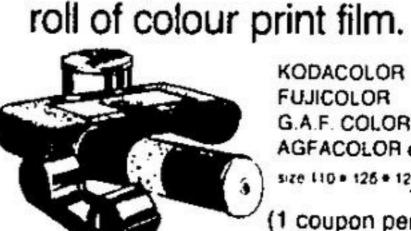

The chosen topic for our skit or demonstration for Achievement Day is "Focus on Leisure Time Activities". Members were asked to think of ideas for our topic.

There will be no meeting next Saturday because of the Easter break. The next meeting will be April 1.

Some work was done on our
