Master-Bantam Bowlers win Guelph tourney

The Master-Bantam tournament for Zone F was bowled March 12 at the Sportsmen Bowl in Guelph with 37 teams from Acton, Georgetown, Guelph, Milton, Mississauga, Oakville and Streetsville competing. The format "best over average" has each master-bowler rolling three games with a bantam girl and three with a bantam boy, the result of being winners in the house competition. The winning trio from the tournament advances to the provincial championships at April Lanes, Toronto on April 1.

Master-Bowler Joan Knight with bantam girl Linda Bottero and bantam boy Barry Manes with a team plus of 370 pins took top honors, nosing out the team from Hopedale Bowlerama by 44 pins. The team of Master Bowler Ken Hulford, bantam boy Jeffrey White and bantam girl Nancy Van Der Eyken finished in seventh place with Jeffrey being top bantam boy for individual effort with a three game plus of 178 pins. The team of Master Bowler Sylvia Magee, bantam Stewart Hoy and Dianne Little finished in the 28th spot.

Lakeview take lead with 7-2 win

Lakeview upset Acton Terminal Warehouse 7-3 in the first game of the industrial hockey league finals Sunday scoring the first six goals of the game.

Lakeview finished the industrial season with a 7-2 record while ATW were 9-5-4.

George McPhail started the Lakeview ball rolling with five minutes left in the first period, taking a pass from Jim McDonald and Bob Brenton for the only point of the frame.

Three second period goals gave Lakeview an insurmountable lead with Ron Schmidt, Bob Jarrett and McPhail tallying singles. McPhail added an assist and Steve McIntyre, Bill Fields and Jim McDonald also picked up feeders.

John Ashley scored from Fields to open the final stanza and the two switched roles later in the frame to give the winners a 6-0 lead. Ron Schmidt added an assist on Fields' point.

With the game hopelessly out of reach, ATW staved off the shutout when Dave Cooksley slammed one home from Ted Saltz. Saltz was on the assisting end again when Peter Morrison picked up the final ATW tally.

Only five seconds remained in the game when Fields iced the cake with a point from McPhail and John Ashley.

Next game in the best of three final series is next Sunday. Acton starts at 7 p.m. in the arena.

Acton places team in fastball league

An Acton proposal to place a team in the Halton Ladies' Fastball League was accepted by the league on March 10, according to Acton team manager Ed Wood.

The Acton team, which is slated to play Tuesday 8:30 p.m. games, is looking for players, Mr. Wood said Monday. Games will be at Prospect Park.

The fastball league is a senior loop with no limit on the age of players.

The team will hold a registration day early in April, Mr. Wood said.

Curling fight

Thursday night ladies
 It was a fight-to-the-finish for the Thursday night ladies. The two teams that won the honor to playoff for the Acton Pharmacy Trophy were Gwen Tyler and her rink of Renee Watson, Mary Smith, and Heather Ferguson and Susan Patrick and her rink of Bev Appleyard, Anne Ridley and Lynn Franklin. Good luck to both in the playoff! A three-way tie for third was held by Phyllis Patrick, Karen Short-hill and Helen Otterbein. Next in line were Shirley Hunter, Dolly Moulden and Nan Hurst.

Congratulations to Anne Moore, Kae Hansen, Phyllis Patrick and Carol Korpella, who swept their way to victory. The rink placed third in the CIAG bonspiel held at the Guelph Country Club March 9.

Before you put away those brooms, girls, don't forget the mini spiel this Thursday. Everybody will get that "Once-In-a-Season" chance to call the shots the way each wants to. Good curling, good food, and a good time are guaranteed to all! See you there.
