## Plattsburg tourney

### Novices blank Delhi, fall to Queensmount

Acton novices shut out Delhi 4-0 in the first game of the Plattsburg tourney last week but were unable to advance to the finals after taking a 7-0 drubbing at the hands of Queensmount.

Troy Nolan was in nets for the 4-0 win, which was a close contest until the final period, when Acton managed all their scores.

John Van Dam was the first marksman for Acton, connecting from team captain Peter Cargill at the 59 second mark of the period. Cargill garnered another assist twenty seconds later when Mike Baker connected. Chris Rodgers was also given an assist on the play.

Less than a minute from Van Dam's ice breaker, Doug McKnight potted Acton's third point unassisted.

That closed the scoring burst until the 6:16 mark of the frame, when Van Dam sailed in alone to pick up his second goal of the game. He was voted MVP of the game by a committee of the

organizers, according to manager Dave McKnight. "John's got another year left to play in this level. He's going to be another Mike

Hudson" said McKnight. McKnight had praise for the play of every boy on the team, saying "it was a well played game".

## Acton ladies chalk up win

The Acton ladies' basketball team defeated the "blue" team from the Georgetown ladies' league 34-15 in a recent exhibition game.

## Industrial

### Bennett nets three as ATW knots finals

Acton Terminal Warehouse avenged their loss last week to Lakeview with a 5-3 win in the second game of their best of five industrial hockey playoff finals.

Lakeview took the series opener 7-2 last week.

ATW were in no mood to be ousted that easily though as they outlasted their opponents in all three periods in a game which was fast from start to finish. The winners took a 2-0 lead in the first frame and never let up.

Steve Bennett managed the first ATW score, taking a

pass from Bren Irwin and Bruce Cooksley on the play. Bill Severinski fed Peter Morrison for the second point of the game.

Jim McDonald got Lakeview on the score board with a marker halfway through the second period, connecting from Steve and Tim McIntyre to pull within one of ATW.

Bennett took the second of his three goals with six minutes left in the period to regain the two goal margin. Irwin was credited with an assist on the play.

Bill Fields closed the gap

before the period ended with a score from Ron Schmidt, leaving the game close.

Bennett fired the winner six and a half minutes into the final frame, again getting assists from Irwin and Cooksley. Irwin tallied an insurance marker two minutes later unassisted and it looked like they would be running away with the game.

The Lakeview squad tightened up then in a last ditch effort to pull the game out, succeeding only as far as stopping the ATW attack.

With nine minutes left George McPhail found the range to keep Lakeview in the running, but they were unable to gain any more ground. Bob Brenton and Jim McDonald counted assists on the goal.

Referees called a fast game with few penalties despite the amount of body contact in the game. Eight minors were called in the game plus a five minute spearing charge.

The win by ATW knotted the series and forced a deciding game this Sunday at the arena. Gametime is 7 p.m.

## Bants dropped at Collingwood

Two goals in the last minute and a half gave Midland a come from behind 3-2 win over the Acton minor bantams in Collingwood in the first game of tournament play. The bants were eliminated from the tourney by a hard working Bowmanville squad in their second round game.

Jeff Gill put Acton in front in the first minute of play in the Midland game as he took a pass from Gord McArthur and Tim Ferguson to score.

Midland tied it up 40 seconds from the buzzer but

Acton scrambled right back to connect ten seconds later. It was Tim Evans who regained the lead for Acton as he drove one past the Midland goalie from Gill and Rusty Elliott.

Neither team scored again until the last minute and a half when Midland tied it up again. They went on to win with a score in the last four seconds.

Acton were held scoreless by Bowmanville until the last 17 seconds of play when Gill connected for an unassisted point. Final score of the game stood at 3-1.
