

# BLACK'S CAMERAS

## two ways to save . . .

by price reductions on clearance items—  
or by year end bonus on latest models

An event that took place in 1931 will be repeated for the 48th time this month — "BLACK'S GIANT INVENTORY YEAR END SALE" — a policy was set way back then that is the same today — "All items not to be carried into next year's inventory must be cleared." Take advantage of these bonus value savings while they last!
