

# Peewees and Fergus knotted in league playoff

Acton minor peewees and Fergus stand at one win apiece in their league championship playoff series as Fergus topped Acton 5-3 in overtime Monday in Fergus and fell 5-1 to the locals last night in the arena.

Lorenzo Civiero managed to score three times in just 34 seconds in the first period of the peewees, overtime loss getting assists from Dave McKnight on all three, from Steve Raine on two and from Paul Cargill on the other.

Civiero and Acton were unable to keep up their momentum, though. The three goals at the end of the opening frame gave them a 3-0 lead, but Fergus came back to tie it up in regulation time and then pull it out with two goals in the ten minute overtime. Their last goal, with

just eight seconds left, was scored into an empty net.

Last night's game looked like it could have been more of the same when it started as Fergus took a 1-0 lead in the first minute of play, but Vince Danagher potted the tying goal one minute later from Jim Richard and the two reversed roles halfway through the period to collect the winner. David Milne contributed an assist on the winning point.

In the middle frame Richard connected again, this time benefitting from passes by Dave McKnight and Raine. The final frame saw goals from Cargill and Bruce Sheppard to send the game out of reach. McKnight, Raine, Danagher and Stan Smith collected assists.

The peewees made it to the finals by taking Elora in two straight by counts of 6-1 and 6-1.

Ten players figured in the scoring in the last game of the Elora series. Raine and Rick Dodds led the way with one goal and two assists each, while Bruce Canary managed two goals and Brad Youmans and Danagher two assists each.

Lorenzo Civiero and Stan Smith each collected one goal and one assist. Single goals went to Kevin McRae and Steven Dodson. McKnight picked up one assist.

The first game saw Acton take a 1-0 lead after one period on a goal by Richard, assisted by Smith and Milne. Raine, Milne and Youmans bagged goals in the second as

assists went to McKnight, Civiero and Dodds.

Elora's only score came in the third period before Acton came back with their final two goals. Danagher and Sheppard were the marksmen with each picking up an assist on the other's goal. Assists also went to Richard and Milne.

Next game of the playoffs is

tonight at the arena starting right after the atoms' game.

The peewees competed in a tourney in Stroud March 24 weekend, dropping a 4-3 decision to Midland and losing to Thornhill 3-1.

Acton took a 1-1 tie to the dressing rooms after the first period of the Midland game as a marker from Richard countered an earlier score

from Midland, and fell behind 2-1 in the second.

Midland took a 4-1 lead with less than two minutes remaining in the game but the Acton peewees fought back with goals from Civiero and Youmans, landing just short of the tie. Smith, McKnight, Dodds and Canary managed assists on the third period points.

Dodds was the only Acton player to score in the game against Thornhill, getting the puck from McKnight in the third period.

## Lakeview topple ATW for AIHL championship

Lakeview scored three goals in the final period to decide a close but slow moving game, taking a 5-2

decision and the Acton Industrial League playoff crown Sunday at the arena. George McPhail scored the winner halfway through the frame, giving Lakeview a 3-1 lead at that point. John Ashley got an assist on the goal.

Going into the period Lakeview held a 2-0 lead on first period goals from Bill Fields and Tom Dickinson. Assists on these points went to Tim McIntyre, Steve McIntyre and McPhail.

Peter Morrison finally broke Bill Routledge's shutout bid with an unassisted point two minutes into the third period.

Action sped up some then, but after McPhail's marker both teams seemed to regard the conclusion as foregone. Neither team seemed to be putting much effort into their play from then till the end.

Bren Irwin potted the winner's fourth point just two minutes after McPhail's winning shot, getting an assist from Bob Brenton on the point.

John Ashley managed the last point of the Lakeview total on a slap shot from the top of the circle that slipped

between ATW netminder Mark Morrison and the post. Tim McIntyre was credited with an assist on the play.

Steve Bennett took the final score of the evening when he converted a pass from Irwin and Bill Severinski for a powerplay point.

Only five penalties were called in the game.

The win constituted an upset even though the two teams finished only one place apart in the final league standings. ATW were third with a 9-5 4 record, while Lakeview could only manage a 7-9 2 record over the season.

The first and second place teams, Family Cleaners and Blow Press, were each eliminated in the semi-final rounds in straight games.

Nearly 200 people turned out to watch the final game.

## Bants champs

Acton minor bantams blanked Elmira 3-0 last night to cop the league championship. Full details of the game will appear in next week's Free Press.

HENRY TOEBES WAS THWARTED on this scoring thrust by Lakeview blueliner Bob Jarrett during the second period of play in the final

game of the industrial hockey season Sunday. Lakeview came through with a 5-2 win to take the playoff championship trophy.

## Bants drop exhibition to Hamilton Selects

Acton minor bantams were edged 6-4 by the Hamilton house league selects Sunday in exhibition play.

Score was even at the end of the first period when a score from Mark Duval answered an early Hamilton point. Jeff McNabb was credited with an assist on the play.

The second period was the difference as Acton was outscored 3-1 in the frame. Hamilton opened the scoring midway through the period only to see Rusty Elliott reply three minutes later. Rob Vermeulen did the assisting on Elliott's marker.

The last two minutes saw

two unanswered goals by Hamilton.

Tim Evans pulled the bants within one at the start of the third period, but another pair of points for Hamilton clinched the win.

Mark Duval kept the bants' hopes up with an unassisted point with two and a half minutes left, but they were unable to get any closer.

The Selects are one of the top teams in Hamilton's house league according to manager Wilf Duval. "They're a small team but they're very good skaters and puck handlers", he said.
