

ZONYA BAKER, centre, gives the Rev. Charles Beaton, left, and Peter Marks a few tips about using a chain saw. This was one of the displays at the Total Immersion open house last Tuesday, April 25. The outdoor course teaches students how to do a wide variety of activities.

BRUCE SWIFT, centre, instructs Valerie Graham, left, and Lynda Shadbolt on the proper strokes to use when canoeing. The girls were practising on land before hitting Fairy Lake. The paddles were constructed during their Total Immersion course this semester.

MIKE RIPPON explains the routes available for the canoe orienteering display at the Total Immersion open house. The group calls themselves the Down-to-Earth group. Total immersion is in its second semester for high school students.

Legion news

Your executive have made a few changes in plans since our last news release in the Free Press of April 19.

The meeting on May 8 will, as originally planned, be a normal meeting at which time the membership will be advised what the executive have done or are planning to do. The last meeting was on March 13 so come on out and find out what has been going on. This is also the last general meeting before the summer recess so come on out and let your executive know what activities you want them to arrange for the summer months.

The meeting to elect the officers and other executives for the 1978-79 term will be held on June 5. A dinner meeting to which all members are invited is planned for this special meeting. The election and installation of officers will be the only branch business carried out this night.

If you have not done so, it is now time to start thinking who you would like to see nominated and elected for the 1978-79 season. Ottawa and Queens Park don't know when their next election may be but Branch 197 has made that decision and it is time now that the membership started campaigning for the officers of their choice.

Your entertainment committee has lined up the following bands for the Saturday night dances in the Auditorium: May 6, Merv Woods; May 13, Dolly Varden Revue; May 20, Camilla Show Band; and May 27, the Country Dees. Get a gang together and come on down and dance. It is still too cold to sit outside and coo so take advantage of the Branch facilities. Remember our regular Saturday night dances only run through June.
