# Field day success at high school

The Acton High school intramural field day ran under sunny skies Friday although still muddy infield conditions hampered the throwing events.

The Blue team came out on top in the points department, on the strength of their girls.

The boys were fourth out of four in the final standing of the day but the girls, 184 points in front of their nearest rivals, got them the win. Totals were Blue 658, Green 601, Yellow 498 and Red 427.

Standout performances were numerous, led by Sheila

Cook's seven first place finishes and three thirds in the senior girls' events. Glenn Van Rijk was the most noteworthy medal winner for the boys, snaring seven firsts and two seconds in the midget boys category.

Other standout performers

were Derek Hodgson, Sharon Cook, Ted Nadhazi, Karen Chapman and Lisa Near.
