Villa dropped by Meteors

Visiting Mexican exchange student Eduardo Velez was the only Villa "A" player to manage a score as the Villa dropped a tight 2-1 decision to last year's intercounty soccer league and playoff champion Georgetown Meteors last Wednesday.

Velez gave the locals a 1-0 lead in the first period before the Meteors machine which the Meteors erased before half time. The visitors went

on to get the win in the second half. "It was a good clean game according to player-coach Colin Breckenridge. "We're still short a few players and weak in a few positions" he added. One of their problems is that many of their players are on shift work, but they will be at full strength tonight when they take on Pineview in an away game.
