Squirt May 24

Gunners 0 vs. Tornados 5
Tornado goals were by Denis Swinmet who scored two and John Van Dam who scored a hat-trick. The score does not reflect the Gunners effort in this the first of two squirt games. The boys enjoyed the game and they will improve as the weeks go by.

Angels 0 vs. Tigers 0

Obviously an even, well-matched game, it was ended to end all the way, but no-one could break the deadlock.

Squirt May 29

Tornados 3 vs. Eramosa 1

A good game by both teams, well played. Tornados goals were by John Van Dam, his second hat-trick in two weeks. We'll hear more of this boy.

Rockwood 5 vs. Tigers 0

Tigers playing with only 8 men were no match for a very good Rockwood side. It will be interesting to see the next game when the two sides are at full strength.

Hillsburgh 0 vs. Angels 2

This was another exciting game, Angels led 1-0 at half time through a Jeff Jackson goal. In the second half Hillsburgh were unfortunate to put the ball in their own net, which ruined their chance of a comeback.

Atom May 25

Ajax 0 vs. Wolves 4

In spite of this being their first game, both teams showed some nice touches. Ajax played a good defensive game, until just before the end of the first half, when Steven Wagner scored. Ajax held on until late in the second half when Wolves opened up with three more goals from Cyril Nibbs, Pierre Bollert and Darryl Bartlett.

Leeds 3 vs. Eramosa 1

Very entertaining stuff. A game Eramosa side held Leeds to a 1-0 score at half-time, on a penalty by Warren Blain. Warren netted a second goal after half-time and Paul Kilpatrick scored the insurance marker late in the game.

Mosquito May 29

Raiders 1 vs. Rangers 7

It appears the Rangers have settled in quicker than Raiders, in a very competent display of team soccer which saw them swamp Raiders by a large score, Raiders will settle as the season progresses.

Rovers 5 vs. Rockwood 4

This game was a credit to both teams, who worked hard throughout, as with most of the games reported here the guys still have a bit of settling down to do. Lowe Groenendyk with a hat-trick was Rovers most effective attacker. He worked hard throughout. The other Rovers goals were well taken by Vince Danaghet and Emil Milnarovic.

Rockwood have a potentially great team here, they have the talent and it will show as time goes on. All four Rockwood goals were by Mike Hudson, who needs no introduction to Acton soccer fans.

Pee Wee May 23

Flyers 0 vs. Rockwood 0

As the score suggests it was a close contest, neither team gave an inch in their good sound defenses.

United 3 vs. Celtic 3

In spite of being short-handed for most of the first half Celtic played well against a United team who got stronger as the game progressed. United's goals were by Tom McDonagh, from the penalty shot,

Michael Anger and Tony Wright

who tied it at 3-3 about 2 minutes from the end. Celtic coach Angelo assures us that Celtic are going on to greater heights.

Acton 2 vs. Caledon East 1
Both teams were well matched in this opener, Acton just squeaked by with goals from Brad Youmans and Steven Taillefer. This Acton side is loaded with talented soccer players, few of whom played as well as they are able, however these are the first games of the season and they will improve greatly. Worthy of a mention is Stewart Morgan at right back, who played well.

Acton 6 vs. Caledon East 5

This is one of Caledon's better teams, they were faster to the ball, stronger and better organized. Again, Acton are capable of better things.

Bantam May 29

Acton 2 vs. Caledon East 5

Acton came back from a poor first half which saw them down 4-0 to control the second half with a goal each from Gary Lumbers and Andy Ellerby. The forward line of Robert Paul, Neville Porter and John Semence showed well in the second half. If they get over their slow start they need fear none.

Junior "B" May 28

Acton 1 vs. Orangeville 5

Wade Vickery scored the solitary Acton goal in what was a lifeless performance by a bunch of young guys who can play good soccer. They never got started and only the goalkeeper kept the score down to only 5 goals against. Let's go Acton.

CHAMPS OF the ladies' bowling league is Nielsen's clothing team. Pictured at their annual banquet Saturday at the curling club are Daphne Knapman, Lorraine Le Clair, Belle Kitchen, Edna McIsaac, Mamie Clarke and Julie Heagle.

Selects collect two victories

In their 3rd season game on May 25, the Brookville Selects walked over Cedarhill 8-1. Brookville led the game from the onset, pulling away 4-1 by the second inning to take the game in Cedarhill. The second inning was Brookville's biggest with the Selects getting three runs. Crossing the plate for Brookville were Robyn Snow, Sue Thomson, Cathy McLeod, Beth Godfrey, Sue Lehn, Kathy Devlin, and Deb Wilson.

The girls also took their game against Hamilton in Brookville on May 28th. The final score was 10-7 in favor of Brookville. The Hamilton squad struggled from the start, and it was not until the last four innings that they began to get it together. However, the Brookville girls were strong enough to hold them off in front of their biggest crowd this season. Donna Toth of Hamilton hit the game's only home run in the fourth inning. Touching home for the Selects were Donna Dennis, Gloria Hamilton, Margo Butler,

The next opponent for the Selects is Georgetown whom they play in Brookville on Thursday, June 1st.

Peewees, midgets in lacrosse

Plans for the minor lacrosse system in town are now completed, and the peewee team will be playing its first exhibition game tonight at the arena, facing Erin.

The Peewees will be playing in a league including Elmira, Arthur, Guelph, Kitchener, Brantford and Acton. Home games for the team will usually be Wednesday,

with some going on Thursday. Season opener is June 7, at home against Arthur. Coaches for the team will be Bob Turkosz and Ian Campbell.

The midget team, because there was no league nearby for them to join, are registering with the Ontario Minor Lacrosse Association as an associate member, so they can play exhibitions and tournaments throughout the year. Last year, as bantams, the midgets took the league championships. Chris Sargent and Bruce Sears will be coaching the midgets.

Cavalry rescues battlers of bulge

Fighting the battle of the bulge and losing? The Halton Hills Recreation Department has just what the doctor ordered.

Take one hour of various exercises, under the supervision of Linda Craig, mix with one hour of swimming at Acton's indoor pool. Blend together with home exercises and determination. Take prescription once a week. Results—the Bikini Blitz and a newer, trimmer figure.

The program is being offered at M.Z. Bennett for those interested in losing a few extra pounds. Participants will be exercising to music and working on cardiovascular exercises, but the stress will be on abdominal exercises. There will also be a period of relaxation.

Various pieces of equipment will be used to help

Blitz-goers with their exercises. Hoops, scarves and paddles are just a few of the paraphernalia used.

After an hour of these types of exercises, the group will go next door to McKenzie-Smith school, to enjoy an hour in the swimming pool. This portion of the program is optional. Anyone wishing to take part in the pool exercises is welcome, but those who would rather sit in the sauna or have a leisurely swim are welcome to do so also. Those wishing to not take part in the second half of the program will be charged a few dollars less for the four week program.

Although the program is geared towards women, men will not be turned away, says instructor Linda Craig.

Peewee girls win easily

Acton peewee girls have started this season right when they left off last year, when they won the league championship as squirts, by topping Limehouse 19-6 in their first game.

Theresa Dunn was the winning pitcher, striking out seven in the six inning contest.

NOTICE
To Property Owners in the Town of Halton Hills
The Ontario Weed Control Act

as it applies to persons in possession of land within the Town of Halton Hills

Unless noxious weeds are destroyed by June 19th, 1978 and as often as necessary throughout the season to prevent the ripening of their seeds and dispersal of their pollen, the Town of Halton Hills may enter private property and destroy these weeds. The costs will be charged against the property owner and collected in the manner of Municipal Taxes.

Goatsbeard, Thistles, Chicory, Poison Ivy, Ragweed, Wild Carrot and Milkweed are among the weeds considered noxious, and must be destroyed wherever found. Complaints regarding Dandelion and Goldenrod will not be accepted as these are not considered noxious under the terms of the Weed Control Act. Anonymous complaints will not be accepted.
