PARKS INFORMATION

The Town of Halton Hills has jurisdiction over many park sites which include facilities ranging from waterfront areas, playing fields, and tennis courts for the active person, to quiet seating and picnic areas in natural surroundings.

The parks are available for the enjoyment of all residents and in order to preserve this enjoyment, we would ask that all users observe the regulations included in the Parks By-law and respect our parks and the uses for which they are intended.

For further information on this or on bookings of any of the park facilities, please contact the Recreation & Parks Department. Any parks maintenance concerns you may have, may be referred to the Town's Works Department at 877-5185 ext. 49 or 62 (Adrienne Foster)
