

**WHO'S THE BIGGEST KID OF ALL?** Varian machinist George Mitchell, the tallest, shows off a metal disc and string toy he fashioned for children during the employees' open house Sunday. Five-year old Jesse Forrest and two-year old brother Adam, of Poplar Avenue, Acton, were among several young visitors to the plant. Varian Associates of Canada employees held the open house in order to show relatives and friends their skills and products. Varian employs about 200 people in Georgetown.

**Marnie Willsie retires as Brownie leader**

by Mrs. Art Benton  
Mrs. Mileham and her sister Mrs. Guppy visited friends at St. Thomas for a few days and Professor and Mrs. Weill at Guelph.

The Limehouse Women's Institute catered a hot roast beef dinner for 48 mothers and daughters of Brownies and Guides arranged by the Limehouse local association last week.

Mr. and Mrs. Heinz Spitzer of Roehlinghausen, Germany are visiting their sister Mrs. Paul Spitzer.

We all miss Mrs. G. Kirkpatrick who died in hospital at Durham on May 30 following a stroke. We extend sympathy to the family.

from Mrs. G. Denny  
Well, here we are again at the end of another successful year of Brownies and Guides. Before going any further I would like to say a special thanks to all the people who make the year so delightful.

On the 19th, 20th, 21st and 22nd five of our Limehouse Brownies, Margaret Olah, Coralee Denny, Kelly Lawrence, Wanita Phillips and Heather Brown were taken to camp by their Brown Owl Marnie Willsie. The Credit Valley District Camp was held at Camp Wyoka near Clifford. Luckily they had wonderful weather for the occasion.

We are very pleased to find ourselves with two new leaders for next year. Mrs. Pat Bonazewy, a new member of our community will be Brown Owl in place of Marnie Willsie. Marnie will be taking over for Carol Visschedyk as Guide Captain. The Brownies, I'm sure, will miss Marnie, and we are all very sad to see Carol go. She is moving to Oakville this summer.

A delicious roast beef dinner was enjoyed by all at the first Limehouse Brownie and Guide Mother and Daughter Banquet on Tues., June 30. The dinner was prepared and served by the Limehouse Women's Institute. District Commissioner Norma Wilson was our guest

at the dinner. After the meal Catherine Cutler and Michelyn Migue were enrolled into Guides in a candlelight ceremony.

Seven Brownies received their Golden Hands and their wings as they flew up to Guides. The girls are Lorie Little, Judy Thomson, Kelly Lawrence, Sherry Willsie, Monique Campbell, Kendall Bachelor and Margaret Olah. Congratulations to all of you!

Several year pins and badges were also given out. Sabrina Papp received her first year pin. Third year pins went to Monique Campbell, Lorie Little, Sherry Willsie, and Kelly Lawrence. Coralee Denny received her Golden Ladder. Heather Brown, Wanita Phillips and Sabrina Papp got the craft badge. The space and writers badges were earned by Margaret Olah, Heather Brown, Wanita Phillips and Kelly Lawrence.

The Brownies then entertained the audience of Mothers by doing a skit and playing a hilarious trick on some of them. Following this the Guides put on a very well done song show.

To finish off the year we plan to have the last meeting at Marnie Willsie's and we hope to see all the mothers there as we will be sending out for Chinese food! If you need directions please call Marnie 877-8078.

Thanks again to everyone who made this year possible.

from Mrs. F. Hannah  
Limehouse Cubs and Scouts held their father and son banquet in Limehouse Memorial Hall last month. Sixty people attended including special guests; Mrs. Mary Booth, president of the Limehouse Women's Institute, Murray Harrison District Commissioner, Steve Thompson assistant district commissioner for Cubs, and Gord Douglas assistant District Commissioner for Scouts. The meal was a pot luck supper and was served by the mothers. One of our

fathers, Rev. Richard Ruggie, told the boys one of his neat stories and Elaine and Frank Hannah showed slides of the Limehouse Cubs and Scouts taken over the past three years.

The first aid day planned by the fifth Georgetown Rovers was cancelled because of rain but we hope it will be held in the fall. This was for all Cubs in the District.

Craig Armstrong, Tim Ruggie and Clifford Dedman attended the Cub Camp held for all Cubs in the District who will be going to Scouts in the fall. The weather was dreadfully hot but the boys enjoyed a swim, a display of model airplanes and an obstacle course set up by the Norval Scouts. The camp was held just west of Shelburne.

Craig Armstrong has earned all five stars and will be presented with a certificate at the District awards night Wednesday June 7.

Ken Field, Lee Foster and Greg Lane have earned the black star; Tim Ruggie, Mike Hannah, Craig Armstrong and Lee Foster earned the blue star; Craig and Mike also received the red star; George Coates, carpenter badges; Brian Porter, pet keeper, team player and skater; Alan Scott, collector; Roberto Ruggierio, collector.

The Scouts did not attend the Explorers' hike because of rain but two weeks later had a hike covering the same territory—congratulations. I hear they are planning a canoe trip and possibly a bike hike.

Group committee held their May meeting at the home of Lorie and Ed Ryan but only seven people showed up. With two of them resigning, an emergency meeting for parents was called last Wed. after the Cub meeting with District Staff attending. We are happy to report a new executive has been found for next year and we can continue with our Cubs and Scouts.

**Community saddened by deaths this week**

by Wilda MacDougall  
A pretty May wedding took place in St. George's Anglican Church chapel, Guelph, uniting in marriage, Miss Brenda Bould, daughter of Mr. and Mrs. Robert Bould and Mr. Jake Roelofsen, son of Mr. and Mrs. Arend Roelofsen of Collingwood. Guests from Eden Mills included Mr. and Mrs. Tom Bould, Michelle and Matthew and George and Judy Campbell. Congratulations to this happy couple.

Mr. and Mrs. Bob Thomson and Bradley of Unionville were weekend guests of Mr. and Mrs. Fred Rinehart. On Sunday they all attended the Patchell family reunion at the lovely Guelph Township Park. Mrs. Ross McKinnel and family of Guelph also visited at the Rinehart home.

Mr. and Mrs. George Campbell have moved to their new home in Sundridge. Both George and Judy were active in community work and they will be greatly missed.

A warm welcome is extended to Mr. and Mrs. Nick Gould who have recently moved to the village from Rockwood.

Dr. Robert and Petra Clarke from Richmond B. C., have been recent visitors with Petra's family, Mr. and Mrs. Leo Schulte and Chris. They also visited relatives and friends in Ottawa.

Friends of Mr. William McLean and Mrs. Wilk Wilson will be glad to know they are both home from hospital. Mrs. Wilson had the misfortune of getting her hand caught in the wringer of her washing machine and 50 stitches were required to close the wounds.

Mr. and Mrs. Ralph Thompson attended the Halton County Orange church parade at The Boyne, and also enjoyed the service of worship at Churchill United Church.

Rev. William Reid of Kirkwall and Sheffield was the guest minister at the Presbyterian church on Sunday.

In baseball, the senior ball

team beat Guelph Gryphons with a score of 5-2 and edged out Prior's Trucking 5-4.

Deep and sincere sympathy is extended to the Hennessey and Gilbertson families in the sudden passing of Mrs. Jim Gilbertson (nee Maria Hennessey) and wee babe. They were laid to rest in Eden Mills Cemetery on Tuesday afternoon.

Drop in for some chips and pop, and say hello to Sylvia Neville who is opening a small variety store in the little stone cottage on Saturday.

In the absence of Rev. Finley, the elders of the United Church took the service on Sunday. Mr. Howard James conducted the service with Mrs. Harold Tomlinson giving the prayer. Mr. Ralph Thompson and Mr.

Ed Parker read the scripture lessons and Mrs. Elwood Snow gave the address on "Trust God", taken from Peter Marshall's book. If we trusted God more, we wouldn't worry ourselves into the sickness we have today. The choir sang "The 23rd Psalm".

Weekend visitors at the home of Mr. and Mrs. Ralph Thompson were Mr. and Mrs. James Campbell from Collingwood; Mr. and Mrs. Richard Shorthill from Ballinafad and Mr. and Mrs. Alfred Thompson, Hillsburgh.

Mr. and Mrs. Ralph Thompson and Mrs. Muriel Battenham of Rockwood visited with Mr. and Mrs. Pete Ortleb of New Market recently.

**SURVEYING THE GOODS** Ethel Schuett from Guelph and Henry MacLeod shop at the Y's Men's annual auction sale Friday evening. A good crowd turned out for the event.

**Birthday greeting**

by Mrs. Ron McLean  
Mrs. Earl Ward's many friends hope she will soon be home from General Hospital, Guelph.

Best wishes to Ebenezer's grand old man, Percy Kitching, 94 years young.

In the absence of Rev. R. Finley, attending conference, Mr. Horace Blyth had charge of the service. He spoke of the need of vision. Wm. Carey, the poor shoemaker, did his work with a Bible spread out, and a home-made map of the world on the wall. Moved by vision, of Jesus, left his little shop and made history. Our horizons are often too small. Acts 1:8 says, "Go into all the world." Wm. Carey and Isalah caught a

glimpse of the plight of those who did not have the minister's responsibility to speak to people about salvation. It is up to all of us. Acts 4:31, "They spoke the word of God with boldness."

Many would like to take the cross out of religion. They shut out human need from their sensibility.

Christianity would be empty if it only existed to satisfy our longing for freedom from pain. John 3:16 is the centre of our religion. Jesus took our sins on the cross. He is coming again to receive us into His kingdom. Each of us must give an account to Christ. Are we proclaiming the gospel? If not, why not? Where is our vision for souls, Lord?

**Prevention**

A financial contribution to the Canadian National Institute for the Blind supports an active prevention of blindness program as well as blindness rehabilitation services. Because half of all blindness can be prevented if treatment begins early, distribution of information on eye care and organizing vision screening clinics are an important part of the CNIB's work.

by Winifred Smith  
Mr. Robert Finkerton was organist on Sunday, June 4. The anthem by the children's choir as always was enjoyed, by adults and children alike as the minister told the story of The Cat's Cradle. It turned out to be quite humorous as different children were invited to come up and demonstrate how it was done.

Instead of a sermon Mr. Siles spoke on the recent conference. The choir of St. Andrew's Church, Georgetown will be present at next Sunday's service to give a musical "God's People".

Miss Connie Knight's and Mrs. Dorothy Knight, visitors from Ipswich, England who are staying at the Smith Farm accompanied Mr. and Mrs. Smith to Quebec last week. They spent a few days

with relatives in Dixville and had a tour of the home there. Congratulations are in order for Mr. and Mrs. Paul Eckert who became grandparents for the first time last week. Daughter Julie and husband Ted are the proud parents of a little son.

It was a happy day on Thursday June 1 for a large group of little tots from the Maple Nursery School, Georgetown. It was an outing to the farm of Dr. and Mrs. Brian Buckrell, Ballinafad. The children were taken for a hay ride around the farm, also watched an expert sheep

shearer, Mr. Wilson, shear the sheep.

The baby foal was admired as it romped around the field. The highlight of the afternoon was the candy hunt. The youngsters returned home happy and looking forward to another such outing.

Lots of children turn up twice a week for the kids' baseball. Starts at 6:30 Thursday evening and 10 a.m. on Saturday mornings. A few more coaches are needed and the parents are invited to come along to cheer the youngsters on. Burnett's field is the ball diamond.
