

## Manor lawn party to launch Halton seniors' week

Halton Centennial Manor's ninth annual lawn party Saturday will be the prelude to the Manor's Senior Citizens Week activities. This year June 18 to 24 has been designated Senior Citizens Week.

During the lawn party and the rest of the week the public is invited to visit the Manor and take in the programs held there. Of particular interest is an evening of comedy and music to be presented by the White Heather Club of Oakville Saturday, June 24.

"Reach Out" is the slogan selected for this year's theme for Senior Citizens Week. It is intended to convey a three-fold message: seniors reaching out to become involved and making a contribution to the community through volunteer work, seniors reaching out to motivate their peers who need assistance to get involved, and senior and youth reaching out to each other to establish inter-generational links for mutual satisfaction, gain and understanding.

The lawn party, which begins at 1 p.m., Saturday, June 17, will feature entertainment by the Milton and District Pipe Band, the Y Choir of Georgetown, the Burlington Majorettes, the Georgetown Legion Pipe Band, the Oakville Citizens Band and the Scotch Block Square Dancers. Performances will take place at the bandshell and in the driveway in front of Martin House. In the event of rain, a program has been planned for the auditorium.

A play, *Pardonnez-moi Monsieur Levesque*, put on by the Champlain Public School pupils of Burlington on Thursday, June 22, from 1:30 p.m. to 3 p.m.; a bus trip to Marineland in Niagara Falls sponsored by the Kinsmen Club of Milton on Friday, June 23; the White Heather concert on Saturday, June 24, from 7:30 to 9:30 p.m.

Throughout the afternoon the Leo Podetz Clowns will be entertaining in various areas. Emcee for the party will be Wheldon "Steamer" Emmerson.

Activities scheduled for Senior Citizens Week are: a wine and cheese party with entertainment by the Jolly Millars of Campbellville, Monday, June 19 from 7 p.m. to 9:30 p.m. in the auditorium; a trip to the African Lion Safari sponsored by the Acton Legion Ladies on Tuesday, June 20; a birthday party for June sponsored by the Peace Rose Chapter of the Eastern Star of Georgetown on Wednesday, June 21 from 7:30 p.m. to 9 p.m.

### Reunion Sunday

Mr. & Mrs. Wm. Nelles and Brian, Mr. & Mrs. David Nelles, Ralph, Roy, Scott and Irene of Guelph, and Mrs. C.E. Nelles attended the Nelles re-union on Sunday at "Walnut bank farm" R.R. 1, Caledonia.

CANCER SOCIETY volunteer workers were guests of honor at a special tea put on last Thursday by the Cancer Society. Some of the workers present were Jayne Telford, Marion Patterson and Irene Terry.

## Aided by tips, W.M.S. story stresses facts

In accordance with the very explicit tips on what is acceptable to the Free Press regarding the account of meetings, the following report is hopefully submitted:

The Afternoon Auxiliary of Knox Church Missionary Society shivered on the Manse veranda last Thursday afternoon. The members had been carted there (some against her will) through the obligatory efforts of Mrs. Lena Mann. Once arrived, some were very reluctant to leave the safety of the car, deeming having got into it sufficient athletic prowess for one day. However, by dint of much prodding and hauling on the part of those who had already accomplished this intricate feat, and grunting on the part of those who had not yet achieved, the car was finally emptied.

Before the meeting got under way, one caustic tongue accused Miss Anderson, the president, of being bossy. Miss Anderson stoutly defended her attitude, proclaiming that, since most of the members were senile, they were strongly in need of being bossed.

Some guests were half-heartedly welcomed by the president, the legitimate members loudly and vehemently declaring that they certainly had not invited them, from time to time.

Their baleful looks were met with extended tongues. The roll call was answered by a Bible verse, some members angrily declaring that others had stolen the one they had decided to give and accusing them of doing it on purpose.

The scripture lesson was observed by the recitation of the twenty-third psalm in unison some recalling only "The Lord is my Shepherd." The prayer was eliminated, since not even God could hear anything because of passing traffic.

Since it was the annual picnic and, therefore, not necessary to be too religious Mrs. Isabel Watson and Mrs. Roy Lindsay filled in the time with contests testing the skill and knowledge of those present. Mrs. Watson gave one on familiar names of people of the Bible, of which the majority of the members knew practically nothing and Mrs. Lindsay had two very long and very hard ones on the famous authors of fine, classical books and the streets of Acton, both of which everyone knew even less.

Mrs. Watson had intended to give one on trees, also, but it had to be confiscated in order that the paper would have sufficient space to print a picture of somebody's precious offspring eating a hot dog.

There was much squabbling and quarrelling over the prizes, some maintaining that the booty awards were of more value than those fairly won. Indeed, at times, these differences of opinion developed into a real scuffle, but Miss Anderson, in her bossy manner, was able to quell the revolt before it came to blows.

During the lunch, a young man came in, in whom we seemed to recognize some semblance of one of the sons of the Manse, but we could not be certain of this, since his facial features were almost totally obscured by a profuse growth of manly shrubbery.

Throughout the meeting one member, in an audible mumble, expressed her delight at the elimination of the contest on trees, insisting that it was not true that only God could make a tree, she, herself, having made one last Christmas.

A pot luck lunch (much pot and some mere luck) brought the pleasant afternoon to a close, during which juicy bits of gossip about the minister and his family and prominent members of the congregation were much enjoyed.

## Grandmothers are theme at June W.I. meeting

by Mrs. A. Gates

The June meeting of Greenock Branch Federated Women's Institute of Ontario was held at the home of Mrs. M. Brocie.

Mrs. R. Sinclair opened the meeting with the Opening Ode and Mary Stewart collected followed by a poem "What is a Grandmother," as seen through the eyes of a child.

As meditations Mrs. G. Leslie explained about being a good neighbour: One who is always ready to help those in need.

Hostess daughter Andrea Brocie played two selections on the organ.

A lovely daisy chrysanthemum flower arrangement and candles graced the coffee table amid the members for this special program. A tribute to Grandmothers.

As Mrs. E. Patterson called those who are grandmothers to come forward. Mrs. J. Addison pinned a mum corsage on each lady. She then told how many grand children she has. In all there are 13 grandmothers and in all they have a total of 62 grand children and seven great grand children.

Mrs. Addison lit a candle in honour of present grandmothers and read a poem, *Grandmothers Wonderland*, and in lighter vein, *Grandma's Off Her Rocker*.

Mrs. Patterson lit a second candle in memory of grandmothers of yester year reading a paper clipping of 35 years ago written by Clara Cline Thompson inspired while looking through her grandmother's trunk on finding a faded yellow gingham sun-bonnet and how so many memories flashed before her eyes.

Mrs. G. Wallace prepared and read a very true adaptation of the motto Yard by yard, Life is hard, Inch by inch, Life's a cinch.

Mrs. R. McKeown conducted a fun game quiz. What would grandma do if...?

A Pork Workshop was attended by two of our group. June 5-9 was Open House at the Erland Lee F.W.I.O. museum home. New programs for 1978-79 were given out to the members.

Mrs. G. Wallace, Greenock's district director to Wellington Centre, gave a fall report of the annual meeting held at Belwood. Each branch gave an interesting roll call on the theme *The Women's Institute are talking*. Are you listening? Ten members from Greenock attended.

Mrs. J. McCulloch and Mrs. A. Gates took part in a skit for the afternoon entertainment. An *Institute Song* was sung by several of our members written by Mrs. A. Gates. Mrs. J.R. John Reid plans to attend the ACWW Conference in Staffordshire England July 10-13 for this district.

Wellington Centre has a special project in the sale of 6" china bells with F.W.I.O. crests.

The Area convention will be held October 30-31 at Bingham Park, Kitchener. Greenock will act as hostess at the Wellington Place museum August 13.

A paper-drive is pending. Anyone wishing to assist could bring their newspaper securely tied in bundles to Mrs. Jas. McCulloch's home.

In celebration of the 30th anniversary 1948 to 1978, plans are being completed to hold a Tweedsmuir Tea on June 27 at the home of Mrs. W. Aitken.

Lady Tweedsmuir before her death in England inspired the keeping of local community history books called simply *Tweedsmuir History Books* through Women's Institutes in Canada.

A visit to Black Creek Pioneer village is planned for July 11. Please bring your own packed lunch for the day. A car pool will meet at Miss E. Pearen's home.

## Erin uses hospitals least

Erin village and township residents learned last week they use the Wellington County hospitals the least of all county residents. The revelation came from Brian Sullivan, executive director of the county's District Health Council.

He said the Fergus-Elora area residents are the highest percentage users of hospitals. Groves Memorial Hospital is at Fergus.

The province finances the district health councils 100 per cent, said Sullivan. He said last year's budget was about \$86,000 and next year's may be close to \$100,000.

Erin Township Reeve Don Matheson said hospital costs in the county are nearly as high as road costs.

# READ ANY GOOD LABELS LATELY?

A basic guide to the Who, What, Where, When and Why of Shopping Canadian.

**MADE IN CANADA FABRIQUÉ AU CANADA**

**Why should you Shop Canadian?**  
Every time you buy something made in Canada, you help keep a Canadian working. You help keep Canadian money inside Canada. You help to expand and strengthen Canada's economy.  
When you think about it, you help yourself.

**When should you Shop Canadian?**  
Whenever you're satisfied that the product or service you need is (A) made or grown in Canada and (B) of equal or better value and quality. That's not just good advice... it's good sense.

**Where does it say Made in Canada?**  
Sometimes it doesn't. Sometimes a sign says "Product of P.E.I." Or "B.C. Apples" or "Fabrique au Quebec" or "Made in Manitoba" or "New Brunswick Sardines" or "Grown by Saskatchewan Farmers" or "A product of Alberta" or "Fresh from Newfoundland" or "Manufactured in Ontario" or "Nova Scotia Lobster".  
The point is, if you take the trouble to find out, you can usually tell.  
And, if it's made anywhere in the ten Provinces or the Territories, it's made in Canada.

**Who should Shop Canadian?**  
Every day, most of us have the choice. Whether we're buying groceries for the home or supplies for business, farm or industry.  
If each of us added only \$10 a week to Canadian made purchases, Canada would be over 10 billion dollars better off in just one year.  
Who should Shop Canadian? You should.

**What is made in Canada?**  
Just about everything you need to help you live the life you want.  
As the saying goes, we have no bananas, but we do have Apples, Bandages, Cranes, Drills, Elevators, Furniture, Glassware, Holiday resorts, Insulation, Jewellery, Kitchen appliances, Lumber, Machinery, Newspapers, Office equipment, Potatoes, Quilts, Rope, Steel, Tires, Umbrellas, Vaccines, Wines, X-Ray equipment, Yarns, and Zippers.  
Everything, in other words, from A to Z.
