Rose blossoms into big winner

Takes five at Field Day

NOT BAD FOR A beginner: Pam Rose is almost hidden behind her first place ribbons after a good day's competing at the Robert Little Field Day

last Friday. She walked away with the top spot in five of the girls' 11 and over events. Pam is visiting from Jamaica.

Pamela Rose, a visitor to Robert Little from Jamaica, was a big winner in the first track and field meet she ever entered, taking five first place ribbons in the girls' 11 and up category during the Robert Little Field Day last Friday.

Her performance earned her the title of girls' 11 and over champion for the day. Joining her in the champions' circle were Janine Clemens, girls' 10 year old; Nadine Balkind, girls' 8-9 year old; Craig Johnson, boys 11 and over; Jamie Lawson, boys' 10 year old; and Spencer Smith, boys' 8-9 year old.

Rose came up a winner in the 80 meter dash, the 100 meter dash, the high jump (in a tie with Janice Perrin), the running long jump and the open 400 meters.

Jamie Lawson, in the boys' 10 year old age group, also managed five first place ribbons, taking the 60 meters, the 80 meters, the long jump, the triple jump and the open 400 meters.

Slightly cool weather was perfect for the runners.

Peewees double Milton

Family Restaurant peewee girls doubled Milton June 7 in Halton Rural League softball play, coming out on top of an 18-9 count that could have been much closer.

According to Pop Main, the team's manager, the score did not indicate the play. "There were nice plays on both sides" he told the Free Press.

Theresa Dunn was on the mound for the winners, pitching her way out of trouble in the first two innings without giving up any runs.

The locals took a two run lead in the first, and by the third they had stretched it to 8-0. Milton came back with three runs in the fourth, but Acton jammed six runs across in their half of the fifth to close the door.

JASON INGLIS AND STEVE WAGNER were about as close at the finish line as they could be in their race at last week's Robert Little Field Day.

Sabres to stay in Jr. B

Acton Sabres will be playing their third year in OHA Junior B play next season, it was decided at a team meeting Monday.

According to past manager and public relations manager Bill Campbell, about 15 people turned out to the meeting willing to work for the team, and they have decided to carry on.

Extra travelling distances caused by the addition of Thornhill, Oak Ridges, Barrie and Orillia to the league had threatened to shut down both the Acton Sabres and the Georgetown Gemini.

Sabres finished this season in the black according to Campbell, "but not by much". Gemini, as did most teams in the loop, lost money over the year.

A letter of intent to play in the league next year has to be sent to the OHA by June 15, tomorrow.

Campbell did not rule out the possibility of the Sabres dropping back to Junior C sometime in the future. "We have to see how we do in Junior B, financially and in players."

The Sabres moved up to Junior B two years ago because of the high costs of travel in the Junior C loop. Now, according to Campbell, the costs are about the same.

He was especially encouraged to see members of the team itself out working to keep the team going. He pointed out players are usually not very involved with the running of the team off the ice, and credits Bruce Chapman for awakening this interest in his players.

An open election for officers and an executive will be held next Thursday. Milt Ball, current president, and Don Perry, treasurer, have declined to run again.

Caterers trounce Welders, move out of AISL cellar

Halton Hills Catering blasted their way to a 16-3 win over Van's Welding and J&T Sports managed five runs in the seventh inning to garner a come from behind 8-5 win over Family Cleaners in Acton Industrial softball

action Sunday. Station Hotel disposed of Halton Hills Electric 10-6 to complete the Day's action.

Family Cleaners had J&T Sports on the ropes for most of the game, and would have had a much wider lead than

they did after the fifth when they loaded the bases with none out and managed only a single run. That gave them a 4-0 lead.

J&T finally got through to pitcher Ken Pilgrim as they exploded for five runs in the

seventh inning. Pilgrim who had allowed only two hits in the first six frames, gave up five hits and a walk in the inning.

The score would have been 6-4 after the inning, but what was thought to be a homerun shot by Dave Mills was ruled a ground rule double and he had to be back to second.

Cleaners tied it up in the eighth, benefitting from the third J&T error of the game. Pilgrim reached base on the error and scored on a triple by Larry Klister.

Ron Schmidt scored the winner for J&T after walking in the bottom of the eighth. Singles by Sid Barnes and Neil Mont brought him home.

A walk to Doug Ford, a single by Al Avery, another walk to Dave Boussfield and a double by George Garton gave Halton Hills Electric a quick two runs in the first inning of their game with the league leading Station Hotel.

Their lead lasted only until the bottom of the inning, when Rick Coe and Ian Campbell scored.

Ford scored again for the Electricians in the second, but it was the last time they threatened in the game.

Jeff Inglis belted a three run homer in the third driving in Bill Boyd and Ian Campbell, and John Dunn came

home on a pitching error by Wally Ella to make it 6-3 for Station after the third.

Three more runs in the fifth clinched the win. Alex Ward was the winning pitcher, striking out eight batters in the game. Loser Ella fanned two.

Jeff Inglis was the high RBI man in the game, sending four men across the plate for the winners.

The Vans / Station game was a close and low scoring contest for two and one half innings. At that point the Caterers were holding on to a 1-0 lead.

They pushed four more across in the inning, added five in the next inning and three more in the following frame to run their lead to 13-0 before Vans could get going.

The Welders managed single scores in the next three innings, while the Caterers got three more in the sixth to account for the final score.

Vince Thornton was the losing pitcher and Ken Hurren was the winner.

Monday night industrial play was rained out.
