

FRED ARCHIBALD drove in an important run in the seventh inning with this hit. Archibald took over the pitching chores in the sixth for M&T and held Family Cleaners to a single run, getting the win.

Sports participation rewarded with athletic banquet at A.H.S.

Acton High school athletes were honored at the annual athletic banquet June 1, which saw Sheila Cook awarded the most prestigious trophy the Athletic Society awards.

She won the Bill Spehar trophy for her outstanding overall contributions to the athletic program at the high school. It is the second year in

a row that she has received the award.

Bruce Andrews, as he does every year, had a combination slide and music presentation, which looked back over the year, and over the past years in this year's version.

The banquet provided the opportunity to hand out trophies to the outstanding

contributors in all sports, but its purpose was to honor all the athletes, and all people connected with the athletic program.

The evening ended with a dance in the gymnasium, which had been thoroughly redecorated for the occasion.

Following is a list of all the people who contributed to the

athletic program over the year.

Merchants in slump, drop pair in G.I.F.L.

Acton Merchants, whose hot bats had them in a tie for first, seemed to suffer a minor slump in last week's Georgetown Industrial softball as they fell 6-0 to Park Toyota and 3-1 to Royal Trust.

Park Toyota, formerly Peel Regional Police, jumped on losing pitcher Norm Topping for three runs in the first, which proved to be all they needed.

The Merchants only got two men past first all game, leaving Chuck Peavoy stranded at third, and Gary Wilson on second in the second inning.

Frank Daley could not hold Royal Trust as Acton Merchants slipped to their second consecutive loss. Acton's lone run in the game came in the fourth when Terry Masales doubled Wilson in. The

Merchants threatened again in the fifth as Dan Allan led off with a single and Peavoy and Les Deforest doubled. Allan was thrown out trying to score on Peavoy's shot, and Deforest's double, ending the inning without scoring.

Merchant's were scheduled

House League

June 7th Squirts
Hillsburgh 0 vs. Tornados 2
Tornados two goals by Dennis Swinnet and Paul Westerway went unanswered in this excellent contest between two game sides. Gordon Bennett shone in attack and played a major part in Paul's goal. Coach Larry White was full of praise for the entire Tornados side. They're beginning to click as a team.

June 8 Atom

Ajax 2 vs. Leeds 4
This game was end to end action from beginning to end. Leeds goals came from Warren Blain and Paul Kilpatrick who had two apiece. Ajax replied with two from Craig Webster.

Leeds had the edge in attack, but Ajax gave them a bit of a fright when they scored their two goals. Leeds had to play a bit then to stay in front.

Wolves 2 vs. Rockwood 2
This was the closest game of the night, both sides were previously unbeaten and are well matched. Wolves led 2-1 up to the dying minutes of the game when David Brown scored the equaliser, his second of the game. Wolves' goals were both scored by Darryl Bartlett. Toth Hill played very well in goal for Rockwood, while Troy Nolan, Cyril Nibbs, Pierre Bollert and John Coniglio played well for Wolves.

June 12 Mosquito

Hockwood 0 vs. Raiders 8
This game, as with the following one were played in heavy rain, which slows the game a bit and hinders the faster-moving players.

It was Raiders all the way with a barrow load of goals from Colin Lewis, who netted four, Jim Richards two and singles from Brian Bolter and Dave Thomas. Worthy of note was the performance of Adriano Buzzin in goal and Jamie Lawson and Stewart Morgan in defence.

Hovers 12 vs. Hillsburgh 0
Another game played under trying conditions, heavy rain and slippery underfoot. Hovers ran away with the game, they scored six in each half and Hillsburgh could only stand and watch.

Goals were scored by Emil Mlinarevic who got five, Louie Groenendyk who scored three and one each from Ron Renerda, Jeff Balkind and the Danagher boys, Vince and Terry.

June 6 Pee Wee
Celtic 4 vs. Rockwood 5
No scorers available. There was one Pee Wee game brought forward from 13th to 12th June.

Celtic 1 vs. United 6
Celtic, playing with 10 men, did not fare well in the wet, slippery conditions. It was a one-sided affair in which they could only counter United's six goals with one. United's goals from Scott McDonagh one, Todd Laing

one, Michael Anger two and another pair from Tony Wright, who just missed his third hat-trick in a row. Outstanding for United were Todd Laing in attack and Brian Lawrence, who is playing his first season of soccer.

Rep League
June 7 Mosquito
Acton 3 vs. Orangeville 0
Acton played skillful passing soccer to blank a good Orangeville side which just didn't get started.

June 12 Bantam
Acton 7 vs. Orangeville 2
Again, conditions were very poor, but Acton adapted far better to the heavy rain and won handsomely. They were more alert, quicker to the ball and more decisive in the tackle. Both Orangeville goals by Steve Ronson were to no avail, with two from Gary Lumbers, two from David De Vries, who had a good game and one apiece from John Semeneec, Neville Porter and Robert Paul for Acton.

EASY COME... EASY GO!

Easy to Drive: That's a genuine 3-speed automatic... no facsimiles! A 17" turning radius with real soft touch steering that gets you in and out of tight spots in a flash. And plenty of zip with the safety of power assisted dual braking systems.

Easy to load: Wide access doors. Room for 4 plus luggage. Deep wide trunk.

Easy to own: This car's no pit-stop favourite. Doesn't hang around gas stations. Barely calls in for service (thanks to 12,000 km service intervals). Very reliable; ask any car rental company. Everything fits precisely... and works! (16% of our production people do nothing but check.)

Easy to buy: No fuss. Our salesman won't give you the run around. This is a total package car... courtesy lights, cut-pile carpeting, flow through ventilation, quiet-ride insulation... a lot of extras that can sneak up on the price of other cars.
