Atoms take three in Halton rural play

Acton Nellis Construction Atoms added three more wins in their last four games to their record in Halton Rural Softball play, taking Glen Williams 8-2, Limehouse 15-6 and Hornby 10-1. Their one loss was a 6-1 affair at the hands of Lowville.

The locals needed only seven hits to earn their three wins against Hornby, as they benefitted from seven walks. Peter Cargill was the only Nellis Atom with more than a single hit, going two for three. Chris Gillard of Hornby was two for two for the losers.

David Haynes was the winning pitcher in the game. The Nellis atoms ran into a hot pitcher in their loss to Lowville, tanning 13 times in the game and managing nine hits. They threatened in the second, leaving the bases loaded, but were unable to score. Mike Williams was the losing pitcher.

Piper leads Ladies to 3-2 win over Glen

Judy Piper came on strong against her old teammates from Glen Williams when the Family Cleaners' Ladies took a 3-2 win in Halton Ladies softball action last Tuesday.

Piper, who played for Glen Williams for 17 years, drove in the tying run in the bottom of the seventh, then stole second, third, and home for the winning run.

Carol Harlow pitched three scoreless innings in relief of Heather McEachern to get the win. Harlow fanned two in her stint, while McEachern whiffed five in her four innings.

The cleaning ladies got their first run in the fourth on a single by Gayle Harlow, a sacrifice bunt by Brenda McGilloway and an RBI single by Cindy Hayes.

Limehouse, getting good support at the plate from his teammates, who belted a total of six homers in the game. Mike Williams contributed two of the round-trippers.

Poor turnout for run Sunday

Despite publicity and wide distribution of pledge forms, only four people entered the Acton Big Run for Little Brothers on Sunday afternoon.

About 30 participated in a similar program in Georgetown at the same time.

The runs raised \$550, about \$400 short of the Halton Hills principal. The event was well advertised in the paper and on the radio. Forms were distributed to local schools.

"We pushed it as much as we could," he said.

Two police officers, John Lyner and Phil Hotte, volunteered their time for traffic duty for the race. Y's Men and Rotarians also volunteered assistance.

Splash Flashes

by Judy Paterson

On June 7, synchronized swimming held their end of the year swim exams.

Star I Elizabeth Hoerig and Maria Brillinger.

Ramblers win
Acton pee-wee Ramblers blanked Guelph in their first full length lacrosse game of the season Monday, getting a hat trick from Lorenzo Civero in the final period.

Their first game, against Arthur at the arena, was called after two periods because of condensation on the floor. At the time Arthur held a 3-2 lead. That game will be finished when the two teams meet again.

Steven Taillefer opened the scoring against Guelph and Mike Phelan added another to give the Ramblers a 2-0 lead after two periods of play. Steve Raine popped one early in the third before Lorenzo Civero tossed in his hat trick.

Star II: Joanne Robbins and Lisa Kryzyk.
Star III: Laura Moore.
Star IV: Beth Grein, Laura Brillinger and Karen Glenn.
Star V: Liz Cooper, Anne Pickering and Renata Brillinger.

Congratulations to Renata who successfully passed her exam May 31 to become Acton's 2nd Star V recipient and our youngest.

This exam marks a historical achievement for our club as some of our original members have completed the entire Star System of exams. They now begin a new four level system called the Trillium Awards which requires our swimmers to learn harder figures and to perform them at a greater proficiency.

Congratulations to Heather Michie of Georgetown who represented Acton in a diving meet Sunday June 11. She was diving in Scarborough and came third in 11 and 12 girls' category.

Acton Villa upset Olympia

Acton "A" Villa took their record to three wins and two losses last Wednesday when they beat Georgetown Olympia, who were previously unbeaten, with a solid 6-3 win.

Although the conditions were not the best after day long rain and bad visibility due to heavy mist both teams played good attacking soccer.

The difference between the teams was Acton's ability to master the conditions and Olympia's lack of finishing.

With Gord Bruce and Fred Blain strong in defence and good running from Peter Comstive up front, Villa took hold of the game and came out worthy winners.

Villa's goals came from Dave Lewis with one, Scott Malcolm who scored two well taken goals and Anthony Quinn who, proving what a valuable asset he is to the team with his powerful running and shooting abilities, picked up a hat trick. Mike Liley in goal gave Acton good service with several fine saves and if Villa can keep up this type of game then they should finish the season among the trophies.

BEAVER FATHER'S DAY SPECIALS

9" Rockwell Table Saw with Motor
Here a feature loaded saw that's ready to go as soon as you get it home! Just plug in - no electrical connections or adjustments to make! The Rockwell has it all: the convenience, capacity, accuracy and sturdy construction. It has cross-cuts and miters. Safety designed up front controls. Equipped with a 1/2 hp thermal overheat protected motor that bearing construction.
189⁹⁵ Our Reg. 219.95

Deluxe B&D Workmate
Dual-height workmate with rear and front adjustable feet. 29" wide, 31" high and 26" deep. 5" maximum win bar opening.
57⁸⁸ #79-003-04

B&D Gripmate
