REP LEAGUE
Atom June 13
Acton 3 vs. Hillsburgh 2
 After a shaky start Acton settled down and played better against this very good Hillsburgh squad. They showed some very nice touches, the result was in doubt right to the final whistle as the advantage saw-sawed from end to end. Acton's goals were by Paul Kilpatrick, Ricky Feenstra and Peter Timmerman who is shaping up nicely as a centre forward. Well done Acton.

Mosquito June 14
Hillsburgh 1 vs. Acton 7
 Acton, with a depleted side called in three atom rep players and what a difference they made, the atoms Ricky Feenstra, Peter Timmerman and Paul Kilpatrick played an excellent game. The regular players made the little guys feel at home. Hillsburgh dominated the first 15 minutes, until Acton

realized they were equal to if not better than Hillsburgh, who were 1-0 up at this stage. Acton started to play then and never stopped until the final whistle by which time they had walloped seven past the mesmerised Hillsburgh keeper. What a game.

Bantams June 19
Acton 5 vs. Caledon E. 4
 Acton, who were beaten by this team in their first game of the season, started with nine men, Caledon E. scored, a tenth Acton player appeared and Caledon E. scored again. At this point Acton started moving and Robert Paul waltzed through the Caledon E. defence twice to score two beautiful goals and tie the game. Caledon E. came back with a third goal to take the lead and it stayed 3-2 at half time. In the second half John Semence tied it 3-3 but Caledon E. scored again from the penalty spot. Gary Lumbers turned up at this point and made up for his lateness by netting two valuable goals to give Acton the game.

Marvellous soccer! Robert Allerelle and John Semence were outstanding in defence, along with Neville Porter who worked very hard up front.

Acton thrashed

The unbeaten Milton Mall Dolls scored back-to-back victories last week to extend their winning streak to five consecutive games in Halton Ladies' Fastball Association play.

Milton Mall disposed of Acton 27-12 Tuesday night and came back with a 5-3 win over the defending champion Hillsburgh Seniors the following evening.

The power-hitting Dolls collected 21 hits against the luckless Acton club, but lacked their usual defensive polish, committing 11 fielding errors.

Pitcher Sandi Glass struck out three, issued five walks and allowed five hits to claim the win over Acton.

Election tomorrow

There will be an election meeting for officers of the Acton Sabres Junior B hockey club tomorrow night at 9 p.m. in the arena. New members will be welcome "with open arms" said past manager Bill Campbell.

Ramblers win 10-3 with final period burst

Acton Pee-wee Ramblers cut loose in the final frame to take a 10-3 decision from Kitchener, running their lacrosse record to 3-0 in regular season play. Bruce Raine was the big gun, netting three goals in the

six goal third period, and four goals altogether. He opened the scoring in the first period, and Lorenzo Civiero followed him to close the period with a 2-1 advantage. After two periods it was

still close, with Acton holding on to a 4-3 lead. Robble Porte and Steve Raine popped the Acton goals in the period. Civiero, Steve Raine and Mike Phelan added their scoring prowess to that of Bruce Raine to account for the six Rambler scores in the final frame.

According to coach Bob Turkosz, Rick Dwyer played a good game in nets. "It looks like we're going to be pretty strong" he told the Free Press.

They placed their unbeaten record on the line against Kitchener last night, and face Elmira today in the arena. Brantford is the only other team in the league that is undefeated.

Waples lead drivers

Ron Waples, 1977 Horseman of the Year and the first driver to earn \$1 million and record 300 victories in one year, solely in Canada, has passed Keith Linton in their on-going battle for national dash-winning honors. Waples also leads all drivers in money won.

Canada's 3,563 drivers with 126 victories, six more than Linton, the early season dash leader, now campaigning at Sandown Park near Victoria, B.C., according to figures compiled by Canadian Trotting Association's data processing department through May 31. In the money-won department, Waples, with winnings of \$407,331, continues to be the runaway leader. He campaigns his large public stable on the OJC's Greenwood-Mohawk circuit.

Canada's top 10-money winners have amassed \$2,616,981 in purse earnings in 1978.
