## Two defaults in industrial league

The Sportsmen and Acton Merchants lost Georgetown Industrial Fastball League games 9-0 by default Monday night.

It's the second default of the season for The Sportsmen, who also failed to field a team for their league opener against Royal Trust. This time, Sportsmen could come up with only seven players by game time.

The Acton club, says GIFL President, Bryan Lewis, simply failed to pay attention to a directive informing them of a rescheduled game against Fobert's Flyers.

Squirt June 21

Tornadoes 6 vs. Tigers 0  
 Pat Graham and Larry White are really working well with this Tornadoes team and are bringing out some good teamwork. Their six goals came from singles by David Eaton, Christopher Graham and Dennis Swinner added to a fine hat-trick from John Van Dam. In spite of the lopsided score, it was a fast moving, entertaining game.

Gunsers 0 vs. Angels 0  
 Angels should have wrapped this game up, they missed three good scoring opportunities and a penalty kick. Gunsers beaved a sigh of relief after this one. It should be a good rematch.

### Atom June 22

Hillsburgh 0 vs. Leeds 5  
 Hillsburgh showed strongly in defence, especially in the first half when Leeds scored from Ricky Feenstra.

It remained 1-0 until the second half when Leeds really opened up with another four, from a penalty by Joffey Silcock, a single from Paul Kilpatrick and a fine double from Warren Blain. The Leeds' goalie, (Donny Swinamer) didn't touch the ball the entire game, a good team effort.

### Eramosa 2 vs. Wolves 6

It was Wolves all the way in this one-sided affair which saw them lead 2-0 at half-time on goals by Pierre Bollett and Darryl Bartlett. The one-way traffic continued into the second half with another four Wolves' goals from Pierre and Darryl again and Cyril Nibbs. Eramosa scored their two in the final five minutes of the game. Chris Rogers had an outstanding game for Wolves.

### Ajax 1 vs. Rockwood 0

This is Ajax's first win and what a hard fought game in was, the result was always in doubt till the final whistle.

Craig Coulston netted the only goal of the game from the penalty spot. The Van Der Eyken boys and Eric Feldman played a major part in this long awaited Ajax victory. Well done both teams.

### Mosquito June 26

Rangers 6 vs. Hillsburgh 0  
 This game was played almost entirely in the Hillsburgh half of the field. Although they tried hard all their players were in their own half and when Hillsburgh did get a couple of breaks there was no-one up front to take advantage of them. Rangers scorers were Steven Dodson (2), Jack Ninaber (2) and singles from Jamie Taras and Mark Splinter. Ian Sawden played a solid defensive game.

### Raiders 4 vs. Rovers 1

It was an unfortunate night for Rovers coach, Jim Dodson. His goalie, Ricky Dodds, turned up with a broken thumb and played outfield. Rovers high scorer, Louie Groenendyk took over goal tending duties and Rovers' attack suffered. Ricky scored their solitary goal and Ron Rauwarda played well on right wing. Raiders' goals were by Brian Bollett (2), Jim Richard (1) and Brad Youmans from the penalty spot. Raiders defence of Jamie Taras and Stuart Morgan were solid.

### League Package

	P	W	L	D	F	A	Pts
Rangers	4	3	0	1	16	5	7
Raiders	4	3	0	1	20	4	6
Rovers	4	2	1	1	10	9	5
Rockwood	4	1	3	0	8	17	2
Hillsburgh	4	0	4	0	2	28	0

### PeeWee June 26

Rockwood 0 vs. United 5  
 This game was much better than the score suggests. Rockwood fought back but just couldn't find the net. United didn't play as well as they are capable, but they should be pleased with their first shut-out of the season. Goals were by Dana Taras, David Buyin, Todd Laing, Michael Anger and Tony Wright, who is having a fine season.

### Flyers 4 vs. Celtic 1

The main difference in this game was the finishing. Celtic are capable of some excellent

soccer but, just couldn't stick it past the Flyers goalie. Flyers did and won. The Celtic scorer isn't known but for Flyers George Gidman and Ken Kavanagh got one each and Greg Malby got 2.

### League Package

	P	W	L	D	F	A	Pts
United	5	4	0	1	26	7	9
Flyers	5	3	1	1	22	7	7
Rockwood	5	1	3	1	6	27	3
Celtic	5	0	4	1	10	21	1

### Rep. League

Atom June 26

Acton 3 vs. Milton 2

Acton were hard pressed by this excellent Milton side, who were one up at half time. They netted another just after the start of the second half and at 2-0 Acton were up against it. However, they knuckled down, worked hard and were rewarded with three second half goals, from Paul Kilpatrick, Peter Timmerman

and Steven Wagnet to give them the game. Craig Webster and Pierre Bollett played very well.

### PeeWee June 22

Milton 3 vs. Acton 2

Acton should have won this one had they capitalized on all their scoring opportunities, they didn't and with three defencemen short, Milton rattled in a hat-trick to clinch the game. The rematch should be interesting.

### Bantam June 26

Milton 0 vs. Acton 4

Acton played with only nine men, against this listless Milton side. Although short-handed they won convincingly but, not without showing some sloppy play and poor teamwork. It was not a great night for either team. Gary Lumbers continues to do his job as striker with three goals. Acton's fourth was scored by Robert Paul.

## 100 refs for Hood's school

Milton will be invaded by hockey referees during the last week of August as Bruce Hood brings his International School of Refereeing back to town for another training session.

The school, operated by the senior NHL whistle tooter Hood, of Highside Dr., is already filled up with over 100 young hopefuls from Canada and northern USA signed up to participate. They'll be housed at Ernest C. Drury School for the week of Sunday, Aug. 27 to Friday, Sept. 1.

## Peewees slip past Milton

Family Restaurant peewee girls played what might be their closest league game all season as they edged Milton 21-20 in Halton Rural Softball play last Wednesday.

Every player on the team reached base at least once in the game. Manager Pop Main credited the whole team with earning the win.

Milton made the game close with seven runs in the seventh inning, just falling short of tying the game up.

Teaching sessions will be held at the school and on-ice instruction will be given at Milton Memorial Arena, Thompson Rd.

Hood said the staff will be NHL refs and linesmen, including Milton's Leon Stickle, and several local people have been hired to work on the school's support staff. It won't be all work for the visiting refs, however, as a side trip is planned to a Blue

Jays ball game. Events for the week include a "gong show" and a closing banquet. The school has been a success in former years and each year three or four of the best prospects have been invited to attend the NHL referee training camp.

Another feature will be a Friday night game between Milton Juniors and a visiting team. Refs from the school will officiate the exhibition game and all proceeds will go to a local charity. Last year the event raised \$1,200 toward the arena fund and this year Hood says he hopes to put the proceeds of the event into a swimming pool fund.
