Strawberry Patchwork

In a factory things happen. Needles break, threads pull, oil drips. These things are repairable but not on a super deluxe comforter.

Thus is created a famous brand irregular. We take all we can get because most people including us can't find the flaws.

They are wonderfully puffy quilted, stunning fashion colors and have that special famous brand look! We have both readmade and custom draperies to blend or match.

If you have wanted high fashion in your bedroom and balked at the prices come see this collection. But hurry... we got only half as many as we asked for!
