

THE ACTON outdoor pool hasn't been getting all that much use so far this summer. The pool is open from 1.30 to 4.30 p.m. daily.

Minor soccer results

by Rick Kilpatrick

Acton Soccer Results Aug 1-7
House League Squirt Aug 2

Rockwood 5 vs. Angels 0

Rockwood showed their now customary skill and good teamwork to blank the Angels, who couldn't find the net. An excellent performance, goals from Geoff Brown (2) and a fine hat-trick from Kevin Harris.

Gunners 0 vs. Eramosa 1

A tie would have better shown the equality of these two hard-working sides, the only goal of the game came from Eramosa's Marie Adsett, it was a goal mouth scramble in which the goal was scored, but, of course, every one counts and Eramosa took the game. Well done both teams!

W	L	T	P
8	0	2	18
6	0	3	15
5	4	0	10
3	4	1	7
1	4	5	6
1	4	2	4
0	8	1	1

Atom Aug 3

Leeds 2 vs Hillsburgh 1

An exciting match in which Leeds missed chances galore, they had the best of the play, but just couldn't convert them into goals. This Hillsburgh side, to their credit, have improved greatly. Leeds goals by Paul Kilpatrick, from the penalty spot and Warren Blain. This Leeds team have won the league and this game is one of the play-off series.

Rockwood 6 vs Wolves 3
Rockwood now seem to

have the measure of Wolves, who are themselves a good side. Wolves two goals, from Jason Bew (1) and Steven Wagner (2) were answered with an impressive six from Rockwood. Kevin Richie scored yet another hat-trick, his third of the season, David Brown scored twice and the very good Kenny Phillips scored the single. It was a hard fought game, with Troy Nolan working hard and playing very well for Wolves.

Ajax 4 vs Eramosa 0

This was a first class result for Ajax, who have worked hard throughout the regular season without earning many wins, they and their coach Rick Van Der Wal have never given up and they certainly deserve this first class win. They were all over Eramosa, their goals came from Craig Coulton (2), Eric Veltman (1) and Craig Webster (1), this was Craig's best ever game. Randy De Boer and the Van Der Eyken boys had strong games.

Mosquito Aug 7

Rockwood 6 Rockwood 6 vs Hovers 3

What an entertaining and good natured game this was, both teams missed loads of chances, but, kept plugging away. Jim Dodson can thank heaven there is an Atom league from which he can draw players otherwise he would be in deeper trouble, he had six regulars and five atoms, as has happened to him all season, but, he keeps on coming. There was good soccer on both sides, Rockwood made the best of their chances. That little-known Michael Hudson was at it again, he scored four, one of these direct from a corner kick, Rovers goals came from Terry Danagher (1) and a double from Richard Kilpatrick who had a very good game. Hard luck Rovers!

House League Pee Wee Aug 1

United 6 vs Rockwood 2

Rockwood's two goals, one from Karl Fralich, the other from Mike Hudson, who again scored direct from a corner kick, were no match for United's excellent six goals. The Celtic vs Flyers result not known.

Rep League Atom Aug 1

Caledon East 3 vs Acton 1

Acton travelled to Caledon

East with high hopes, this team had beaten us on our two previous meetings. They are a very good side, our trouble lay in not playing our positions as well as we might. Caledon took advantage of this, with their very good passing game and put three past Acton, we could only reply with a single from.

Mosquitos Aug 2

Acton 2 vs Caledon East 1

As with their Atoms, Caledon East field an excellent Mosquito side. It was a close contest, Caledon didn't give an inch against this Acton side, which is probably our strongest rep team. Acton passed well, used the ball very well and took the game from a disappointed Caledon East. Both of Acton's goals came from the busy Mike Hudson.

Pee Wee Aug 3

Acton 8 vs Orangeville 0

Acton totally outclassed Orangeville, who, to their credit, never stopped trying, they tried to bring their game up, but, were not allowed to do this by Acton. Scorers for Acton were two for Tom McDonough, who is having a very good season and singles from brother Scott McDonough, Scott Allenby, Bob Little, Simon Ager, Kenny Kavanagh and Mike Anger.

Acton arena gets facelift

The Acton Community Centre got a facelift over the last few weeks. David Cohen, Peel Street, has put a new grey exterior on the centre to replace the old cement block dull color. The trim of the building is a bluish color. Mr. Cohen got the painting job through a town tender.

Tennis champions

SHOWING THE form that helped win the Halton Hills men's singles tennis championships is John Moore. Moore defeated Doug Cairncross in the final by scores of 6-3 and 6-4.

DOREEN THOMPSON won the Halton Hills ladies' singles championships with a straight sets victory, 6-3 and 7-6, over Marilyn Serjeantson.

Milton Five Wheelers roll over Acton 13-4

By scoring nine runs in the bottom of the fifth inning, Milton Fifth Wheel Regals of the Halton Ladies Fastball League broke up a close game and went on to trounce Acton Family Cleaners Ladies by a 13-4 score Thursday night in Milton.

Splash Flashes

by Liz Hilsfeld

Junior water sports Many parents have found that Junior Water Sports has helped to maintain their child's interest in swimming. The program was introduced after survival Red Cross to build strength, endurance and confidence so the child will relax and enjoy swimming more. This is accomplished through the teaching of a variety of water polo, diving, underwater and synchronized skills as well as strokes, games and water safety. The pool staff will be glad to discuss the suitability of this program for your child. Please call the pool 853-3140 or drop by the pool for more information. Registration Registration for our third and final session of lessons will be on Thursday, August 10 from 7 p.m. to 9 p.m.

'Moe' hurls

Maureen Gerth, pillar of the Georgetown Georgetownes pitching staff, was just too much for Milton Juniors in a Halton Ladies Softball League game Monday night. "Moe", as she's known, hurled a shut-out for the Georgetownes as they bombed the Milton club 15-0.

"Moe" faced only 28 batters in the seven inning fixture at Georgetown park and only two got past first base.

Georgetown Georgetownes really rubbed it in to the league leading Milton Mall Dolls with a 9-2 thumping last Wednesday night in Halton Ladies Softball League play, revenging an 8-2 loss to the same team the previous week.

Nellis boys finish with pair of wins

Acton's Nellis Construction Atom Boys finished their regular season in the Halton Rural Softball League last week with an 8-2 win over Lowville and a 23-5 romping over Glen Williams.

The Atom team finished up their season in first place with a record of 15 wins and one loss. The loss came at the hands of Lowville early in the year.

In the late season rematch with Lowville, Acton allowed only single runs in the third and fourth innings.

Acton scored two in the first, one in the third and five times in the fifth. Acton pitcher David Haynes struck-out 13 Lowville batters in the five inning game.

The last game of the Atom's season was against Glen Williams. Seven walks in the first inning led Acton to an 11

Tennis Talk

by Ray Briggs

The Acton Tennis club lost a hard fought contest against the Ontario Raquets Club, in last week's inter-county team match. Final result was 4-2, for the Ontario Raquets. Acton's winning doubles teams were Roman Fedchyn and Joan Morris, John Kavanagh and Peter Marks. Don't forget this week's home matches on Tuesday against Brampton, and Thursday against Milton, games commence at 7 p.m. Come out and support our team.

Joan Morris advises that registration for tennis lessons is planned for today (Wednesday).

Registration takes place at the courts at 6 p.m. Lessons are available to members only and any non members wishing to take lessons can also join the club at the time of registration. Lessons will be conducted by Mr. Ed. Sergeantson.

This weekend sees the start of our club tournaments with the men's and ladies' doubles slated to start on Saturday August 12 running through to Sunday August 13. There is still time left to register but be sure to call now as registration cut off is today (Wednesday). See today's ad for further details.

Junior members should note that categories for tournament play will be under 12, under 14, under 16, and under 18 if the number of registrants permits. If in any one category there are not enough players registered then two age groups will play together.

The level of junior play is greatly improved this year and we can look forward to some interesting junior tennis in this year's tournaments. Much of the improved play is due to the enthusiastic efforts put forth by Don and Maria Gregg who this year have been responsible for the club's junior teams.

Wheat, oats, barley or quackgrass. What are you harvesting next year?

ROUNDUP® WILL CONTROL QUACKGRASS THIS FALL, FOR A CLEAN START COME SPRING.

Next spring, nothing will be more important than getting in and planting as early as possible. Unfortunately, that doesn't leave much time for dealing with quackgrass.

Unless you apply Roundup® herbicide by Monsanto this fall after harvest.

Simply allow the quackgrass to regrow undisturbed in the crop stubble until the majority of plants are actively growing and at least 8 inches high (3-4 leaf stage). But treat before the first killing frost.

Properly applied, Roundup will be absorbed and "translocated" down into the network of rhizomes - destroying the entire plant, above and below ground. Five days after treatment, you can resume fall

tillage operations.

Since Roundup has no residual soil activity, you can plant wheat, oats or barley next spring - without risk of crop injury.

What's more, many farmers using Roundup as the key element in a quackgrass control program, have been able to achieve manageable quackgrass control for as long as three years.

Don't think of treating quackgrass as one more chore in the fall. Think of it as one less chore in the spring.

See your dealer about Roundup. The herbicide that gets to the root of the problem.

There's never been a herbicide like this before.

ALWAYS READ AND CAREFULLY FOLLOW THE LABEL DIRECTIONS FOR ROUNDUP HERBICIDE. Roundup® is a registered trademark of Monsanto Company. © Monsanto Company, 1978. RC78-19
