

U. of G. grant for family planning

Health and Welfare Minister Monique Bégin today announced approval of a \$51,000 Family Planning Grant to the University of Guelph's Department of Family Studies.

The grant is for a fellowship program that will introduce new graduate courses in human sexuality and family planning. In addition, the grant will enable the Department of Family Studies to provide workshops for professionals actively engaged in the provision of family planning services and to conduct research on adolescents and contraception. A monograph of research findings from various disciplines concerning adolescents and birth control will be published as part of the fellowship program.

In applying for the grant, the University noted the critical absence of graduate level programs for family planning specialists and a lack of social scientific research, particularly on the growing problem of pregnancy among adolescents. The fellowship program will address these problems.

Recovery House

Health Minister Dennis Timbrell today announced an additional grant of \$5,040 to the Halton Recovery House Inc., Milton. A previous grant of \$10,000 was awarded May 4. Both grants are for the present fiscal period ending March 31, 1979.

Halton Recovery House Inc., Milton, operates an eight-bed recovery home for male alcoholics.

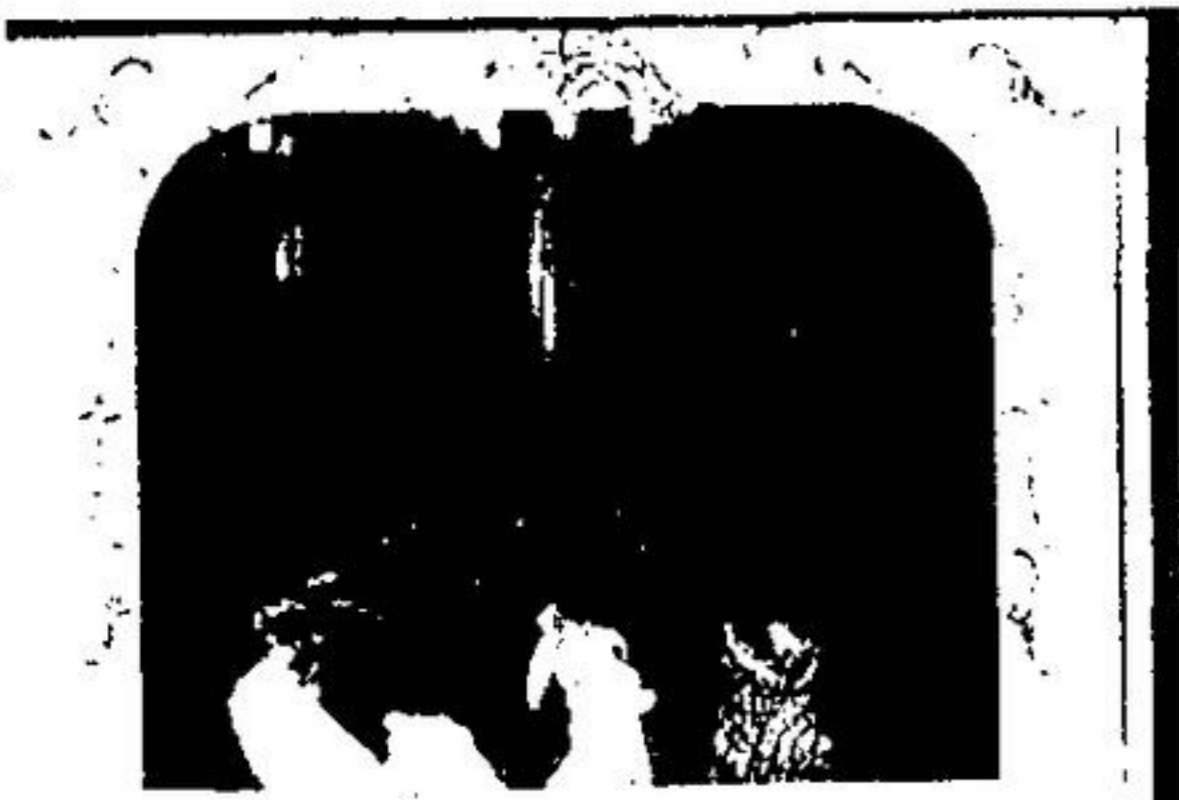

ROBBIE DISANO sizes up the problem of how to get the ball into the difficult putting green at the recreation department's town-wide event Wednesday. The children had planned an outdoor day with fun in the lake and wading pool however rain changed their minds.

ELIZABETH HOERIG was a participant in the recreation department's summer program, and enjoyed a day with Georgetown children at Prospect park.

DANCING THE afternoon away are Robert Little playground kids. The group held their Greaser activities at the Scout hall Thursday afternoon.

THE HAMMOND team helped to make money by selling freshie at the M.Z. Bennett playground bake sale Friday. The day was planned to include a car wash but it was cancelled. Tammy Hammond, left and brother Nelson attend the summer activity program.

DANNY ROBINSON, left, and Kathleen Hicks were two of the M.Z. Bennett playground children who took part in the bake sale held Friday afternoon. The children brought baked goods from home and sold them to help raise money for fun activities.

A PUPPET SHOW was one of the rainy day activities which kept children occupied at the town-wide recreation event last Wednesday. Children from Georgetown were bused to Acton for the fun water day at the park. Unexpected rain upset the leaders plans.

2 car collision tallies \$1,000

A two car collision in the Prospect Park parking lot last Tuesday (August 8) resulted in a total property damage figure of \$1,000.

Damage to the car driven by James Jordan of 224 Mason Blvd., is about \$400 according to Halton Regional Police.

Damage to the car driven by Sandra Glass of Brampton is about \$600, say police.

Blue Jay tickets given to Scouts

Baseball fans at last Thursday's game at Toronto Exhibition stadium included members of the first Acton and first Georgetown Scout troops. The boys were able to watch the Toronto Blue Jays defeat the Chicago White Sox seven runs to three. The nice part of the outing was that the tickets were free.

Georgetown Scouter George Henderson was given 44 free tickets to the game by DeBoers Moving and Storage Ltd. The two troops used 40 of the tickets.

Acton Scouters John Sharples and Mark Rowe took 11 Scouts to the game. They were John Barratt, Greg Cowan, Mark Dawkins, David Fuller, Jim McVeigh, Calvin Robinson, Anthony Wright, Kevin Hoerig, Wayne Chappel, Andrew Ferguson and David Hargrave.

Scout Ian Burwood and Venturer Andrew Harris visiting from England also joined the boys.

The boys were driven to Toronto by Mr. Cowan, Mr. Hoerig and Mr. Wright. These fathers also enjoyed the game. Regular Scout meetings will start again Thursday, August 24 at seven p.m. Anyone interested in joining Scouts for this year should come down to this meeting.
