Soccer Results Aug. 23 to 29 House League

Angels 1 vs. Hillsburgh 0
A good even game which produced a scoreless first half. Hillsburgh controlled most of the second half play, but the Angels' persistence paid off with a goal from team captain Paul Campbell, well done Angels.

Tornados 3 vs. Tigers 0
One of Tigers' poorer games, they just didn't get it together and provided little opposition for Tornados. Scorers were Denis Swinamer with one and John Van Dam with two.

Rockwood 3 vs. Eramosa 2
Two well-matched teams. Eramosa provided stiff opposition, but were just shaded by a very competent Rockwood, whose goals were scored by Kevin Harris, who singled and Jeff Brown with 2.

didn't reach their usual good standard of play.

Ajax 1 vs. Leeds 3
What a good game this was to watch. This Ajax team continue to shine. Both goalies, Richard Van Der Wal for Ajax and Donny Swinamer for Leeds had great games. The solitary Ajax scorer, Peter Timmerman, was unlucky throughout the game, he just couldn't connect. Paul Kilpatrick scored all three Leeds goals. Geoff Maltby, Ricky Feenstra and Kevin Galloway played well for Leeds, and Trevor De Bruyn and Paul and Robert Splinter had a fine game for Ajax.

guys trying will never contain a team with all eleven making an effort.

I feel that the efforts of Rovers centre half, Richard Kilpatrick, are worth a mention, he has given 100 per cent effort plus, in all his games for coach Jim Dodson, in spite of Rovers singular lack of success, and I'm sure he will continue to do so.

Rangers goals came from singles by Steven Dodson, Peter Wright and Jamie Toras, David Lawrence scored a good (2) and Craig Johnston had a fine hat-trick. This was Steven Dodson's last game for Rangers, he is moving away. Thank you and good luck to you in Kingston, Steven, from all of us in Acton.

well to give them a deficit of only a single goal, 2-1 at half time. However, United made the most of their chances in the second half and allowed Rockwood didn't and allowed United to win by five.

Flyers 5 vs. Celtic 2
As with the previous Pee Wee game, we saw a good close first half. However, Flyers romped away in the second half, Celtics were sadly lacking in defence, which cost them the game. Greg Maltby scored all 5 Flyers goals.

Brookville Selects win two games in final week

The Brookville Selects defeated Hamilton 5-3 under the lights at Brookville.

The game started off slowly for both teams, with Hamilton only managing to put one runner on base and Brookville none, but by the second both teams had advanced three players past first base. Sue Thomson was hit home for Brookville to start the scoring.

In the fourth the Selects came on strong to score Sue Thomson and Robyn Snow, as well as leaving one runner on, widening their lead to 3-0.

Both Brookville and Hamilton failed to hit successfully in either the fifth or sixth innings, however played well defensively with each team coming up with a double play in the sixth.

though the Selects did manage to advance one runner to second base.

The Selects tied up the game 1-1 in the fourth by hitting home Margo Butler. Grimsby was unable to do anything at the plate.

The fifth inning proved big for the Peach Queens, who brought in five runners, many of them on Brookville errors. The Selects answered in the top of the sixth by rallying to bring home Margo Butler. Sue McCallum, Sue Lehn, Cathy McLeod and Beth

Godfrey to once again even up the game at 6-6.

Grimsby then went on to score three additional runs in the sixth and three in the seventh and once again pull ahead of the Selects 11-6. Beth Godfrey booted it around the bases to chalk up another run for the Selects in the eighth inning, while the Peach Queens scored three more players to widen their margin to 14-7.

ROVERS' JAMIE THATCHER attempts to rid his team's end of the ball during mosquito house league action at M.Z. Bennett Tuesday night. From left, David van der Eyken, Rovers, Ken McKee, Rangers and Rovers Chris Rosenquist, goalie Rick Dodds and Rick Kilpatrick look on. Rangers won the game 8-0.

Rep League

Mosquito Aug 23
Milton 0 vs. Acton 7
Milton provided little opposition and were well beaten by Acton, this team is undoubtedly our best rep team and they head their division. Scorers for Acton, Brad Youmans (2), Louie Groenendyk (2) and old what's is name from Rockwood, I mean, of course, Mike Hudson who scored a fine hat-trick.

Pee Wee Aug 22
United 6 vs. Rockwood 1
Tony Wright and Scott MacDonald shared the scoring honours in what was a very good game.

United had a sluggish first half and Rockwood, played

well to give them a deficit of only a single goal, 2-1 at half time. However, United made the most of their chances in the second half and allowed Rockwood didn't and allowed United to win by five.

There were 4 bookings and one player was sent off in this rough-house game. The rough play was almost all from Peel, who intimidated Acton throughout. Peel are a very good soccer team who really do not have to resort to these stupid and often dangerous tactics, there are about four dirty players in the team and these guys bring the whole team down to an abysmal level of soccer. This game is better forgotten.

Classes

Bookings are being accepted by the Credit Valley Conservation Authority for Outdoor Environmental Education classes for elementary students.

Teachers and or group leaders are asked to contact George Roberts, Education Officer, for further details and bookings at (416) 451-1615 or at the Credit Valley Conservation Authority, Meadowvale, Ontario.

Warming your house vs. warming your decor.

Many wood stoves on the market these days try to put some pizzazz in your decor as they try to take the chill out. With chrome whajits, ornamental tick-rack. And fancy embossed patterns.

Fortunately, we've got a simple alternative. A Fisher Stove.

You see, a Fisher Stove has a number of patented design features that make it unlike any other wood stove.

Every Fisher Stove is constructed from heavy plate steel and carefully welded to make it virtually airtight. (So it's more fuel efficient.) Each has exclusive spin draft controls that let you regulate the amount of heat it puts out. And each has a two-step combustion chamber that actually recirculates wood gases back into the flames for more efficient heating.

Come on in and look into a Fisher for yourself.

You won't be dazzled by a lot of fancy doodads. But then, you won't be paying for them, either.
