

We have a...
**TENNIS COURT
REC CENTRE
& POOL**

...but our
**real attraction
is the Credit River**

It's tennis, swimming and lazy days
on the banks of the Credit. It's having your
own Recreation Centre and a great
playground for your children. It's living
in a terraced community of
townhomes nestled along the Credit
Valley. But most of all it's a great
place at a very affordable price.
