by Winfred Smith  
Ballinafad Branch of the W.I. resumed meetings again after the summer holidays, on Wednesday evening, Sept. 6. It was held at the home of Mrs. Frank Smith. Due to the absence of the president, the vice-president, Mrs. Slessoraitis called the meeting to order and opened with a short poem.

Twelve members and two visitors answered the roll call which was to state your favourite T.V. program and the one you disliked the most.

As there had not been a business meeting since May, there were many items of business to be dealt with, first being the delegates for the Area Convention. Mrs. Frances Buckrell and Mrs. Eleanor McLean were chosen and voted to represent the Branch at the Convention.

Short courses and Junior and Senior programs coming up for fall were discussed. The new club coming up for the fall is "Essential Edibles". The leaders are to be Mrs. Slessoraitis and Mrs. Koperdraad. All girls 12 and over are invited to join and meet with other girls on Saturday mornings.

This should be an interesting club. Girls interested should get in touch soon with either of the leaders, and they will be happy to enroll you.

The Senior project this fall is "Quilt Making". Particulars of this will be announced at a later date.

Mrs. Given gave a report on the District Annual. Mrs. Grace McEnery spoke about the activities on the days they were hostesses at the new Institute Hall at Kelso.

It was suggested that the book published for the 100th Anniversary of the Church, which contained much history of the Community, should be placed in our Museums—one in Halton and one in Wellington. Mrs. Reta Shortill will donate two books and look after mailing them. One has already been purchased by the W.I. for the Tweedsmuir History Book.

Mrs. C. Plouffe as Education and Cultural Activities Convener had charge of the program. The guest speaker early in the evening was introduced by Mrs. Plouffe. She was well known to most as she is a Ballinafad girl.

Several couples from here attended the 25th Wedding Anniversary of Jean and Bob McGill at the community centre, Hillsburgh, on Saturday night, including Mr. and Mrs. Garnet Sinclair and family. Jean was formerly Jean Sinclair, sister of Garnet and was married in Ballinafad Church, 25 years ago Sept. 12. We extend congratulations to the couple and wish them many more years of married life.

Halton County's Dairy Princess as the Woman of the Month. Eileen McEnery and Reggie Slessoraitis assisted hostess with serving lunch.

Honor bride-to-be  
There was a happy gathering at the farm home of Mr. and Mrs. H. Smith on Sunday afternoon when relatives and friends met to honor a September bride-to-be. Mrs. Jean West and Mrs. Linda O'Connor entertained for Miss Lorraine Burt, whose wedding takes place on Saturday. It was in the form of a miscellaneous shower.

Jean has been a friend of Lorraine's since school days and will be maid of honor at her wedding. The groom-to-be's mother, Mrs. Betty Knoepfli and his two sisters were among those present. An autograph book and a humorous scrap book was passed around as honor mementos of the occasion.

Lorraine sincerely thanked all for the many gifts she received. Susan, Amie, and Karen O'Connor assisted the hostesses in serving lunch and a happy afternoon ended.

Newcomers  
Mr. and Mrs. Tarzwell have moved into the home formerly occupied by Mr. and Mrs. Ella. Mrs. Tarzwell is a grand-daughter of Mr. and Mrs. Ken Hamilton. We welcome them to our village.

Congratulations are in order for Lydia Koperdraad, one of our area girls who won the Ethel P. Chapman's Scholarship award. Lydia is now attending university in Hamilton.

The last ball game for the youngsters ended on Saturday morning. It was a good wind-up as the children were served lunch, barbecued hotdogs, dessert and candy. Prizes were donated for lucky draws. There is room and some tickets available for anyone else wishing to go by bus to see the Toronto Blue Jays game at Toronto on Sept. 20. Get in contact with Mrs. Jean McCutcheon.

The annual corn roast and dance on Sat. night was a success. The weather was good for cooking the feast of corn and serving it, after which couples went into the Community Centre to dance to the music provided by Russ Somerville of Hillsburgh.

## Eramosa residents receive medals

Four residents of Eramosa Township have been awarded the Queen's Silver Jubilee medal.

They are Robert Bateman, Lloyd Dyer, Stephen Saxe and Paul Tambylin.

Some 30,000 Canadians have been awarded the medal by the Governor General of Canada as an expression of appreciation of worthy and devoted service in their various walks of life and of the esteem in which they are held by their associates.

Over \$40,000 has already been allotted in Eramosa township through the Ontario Home Renewal Program.

Council has applied to the province for additional funds. This system of loans (repayable and forgivable), available to individuals whose adjusted family income does not exceed \$12,500, has helped many Rockwood householders finance water and sewer hook-ups.

Application forms for these loans are available at both the village and township offices.

# Erin plant is toured by members of W.I.

by Mrs. Art Benton  
We are pleased to see G. Booth home and about after a week in hospital. We hope he returns well.

The W.I. met Thursday in Erin where ten of us were taken on a tour of Kennedy's Specialty Manufacturing where we saw Canadian, Provincial and foreign flags being cut and sewn from nylon, as well as chair and implement covers, awnings and some hospital needs.

Workers worked very quickly but accurately at their large powerful machines. Arranged by Mrs. Ellerby we found everything very interesting.

Mrs. Booth presided at the meeting afterwards at the home of Mrs. Ellerby, opening with an Ancient Prayer and the Collect.

Names were mentioned as possible delegates to the area convention Oct. 30 and 31, and one to act on the nominating committee.

Holl call was answered by ten attending. "Describe a foreign or provincial flag." Reports were heard from conveners and from those who had acted as hostesses on designated days at the

Museum. Mrs. Ellerby explained the motto "A mind stretched by a new idea never returns to its former dimensions," using examples such as a baby who took his first steps never wants to creep again. All important things begin with an idea. Our W.I. was an idea at Stoney Creek and it spread throughout the world. Mrs. Kirkwood as delegate to the Officers' Conference last June gave a splendid report of her experiences there.

Mrs. Booth showed a sample W.I. plate and a number were ordered. Mrs. Hannah and Mrs. Moulden presented us with a framed sketch of the Erland Lee Homestead to hang in our hall.

At the close of the meeting

\$1,000 deposit

All subdivision proposals now require a \$1,000 deposit along with a completed application form before the project will be reviewed by the Eramosa Planning Board.

we were entertained at a delicious meal by hostess Mrs. Ellerby. She was thanked by President Mrs. Booth who had led us in singing the W. I. Grace.

Mr. and Mrs. Harold L. Brown motored to Thornloe last week, where they visited former Limehouse residents Mrs. Johnson and family in her vicinity, for a couple of days.

Twenty-four little people started kindergarten at Limehouse Public School last week making total enrolment 188.

# Local teachers back to class

by Doris Fines  
Mr. and Mrs. Ward Bruce, accompanied by their sister-in-law Mrs. James Sayers of Acton, had an enjoyable holiday recently. One night was spent at Balsam Lake, and a few days at Lake Kashaganawigamog, above Minden, where they visited with cousins at their cottage. While there they enjoyed a corn roast and a barn dance.

Mrs. Max Schotsch, Heidi and Michael, took advantage of a holiday in Ottawa, while Mr. Schotsch was there on a business trip. They all then spent the week-end with Mr. and Mrs. Ken Kingston at their cottage near Sharbot Lake, north of Kingston.

The school teachers living in the neighborhood have gone back to their class rooms: Mrs. Bonnie Schotsch, teaching kindergarten at Hillsburgh; Mrs. Barbara McKinnon, kindergarten at Brock Road, Guelph; Mrs. Sandra Ferguson, grade 1 French at Brisbane; Mrs. Ann Smith, grade 2 and 3 at

Ospringe; Mrs. Joan Silk, history at Georgetown District High School; Miss Meredith Smye, physical education, math and art at General Brock in Burlington, and Pat Pearse, physical education and guidance at Georgetown District High.

We wish them a good year. Mrs. Stuart McKinnon, Karen and Connie, were holidaying for two weeks this summer with Mr. and Mrs. Peter Yorke and family in New Hampshire, U.S.A. A very special welcome (Continued on Page 12)
