

Acton High notes

by Janet Rowe
With only three weeks of the school year gone by, assignments and tests have become familiar to all students, once again.
Whether rain or shine, the clubs at Acton High are on the move.
Congratulations goes to the last week's tennis tournament players. Larry Kee, Shirley Ancker, Scott Malcolm, Deb Ruppert, Martin Osso, Tom Rosenbersky, Dave McGiloway, Janet Saxon, Steve Springle, Sharon Cook, Lynn Margetts and Gary Williams. All these players continued on to the Halton meet today.
Today, interested students went to a Blue Jays game. The athletic society was selling tickets to those students wishing to see the game between the Jays and the New York Yankees.
On Friday, September 22, the third Annual Softball Tournament will take place at the M. Z. Bennett or Mc-

Kenzie-Smith baseball diamond. The teams in the tournament are from Georgetown, Milton, Bishop MacDonald from Guelph and Acton. The first annual softball game Acton won and the second one Georgetown won. Each team will have nine boys and nine girls on it. Games will take place from 9 a.m. to 3:30 p.m. So come out and support your team!
On Friday September 29 at 4:00 pm. the Annual Toilet Bowl will take place with the teachers against the students (grade 13) the game will be tough. So don't miss it!
Well, the Outers are certainly on the go. Last weekend the Outers took first place for the best float in the fall fair parade. Good work Outers!
On October 5 the Outers will leave for Algonquin Park. This fall canoe trip on Thanksgiving weekend will be chaperoned by Dr. Paul Tamblin. The Outers will return on October 10.

Tryouts for parts, in Acton High's latest drama club play, have already begun. The play they have chosen to present on April 25, 26, 27, 1979 is a musical called "Bye Bye Birdie". Practicing and hard work will make next year's drama club play, just as successful as last year's.
Student cards have been on sale since Tuesday. The cards will be needed to get into all dances at Acton High.
Talking about dances, this Friday September 22 Acton High's first dance will take place. The Mug in co-operation with the Student Association will hold a disc-jockey dance, open to all Acton High students with a student card, and outsiders of Acton High will have to be signed in. Doors open at 8:30 the cost is \$1 with a Student card.
Congratulations goes to the 1978 Miss Acton Victoria Lenizky and 1st runner up Kim Ottaway, both from Acton High School.

BRENDA BOSSERT, stand, and Carolynne Hoare will be the Robert Little school columnists this year. They are both 10 years old and in grade five. They are seen here looking through a copy of the paper.

Halton 4-H News

TRACTOR CLUB
By David Agnew
The last meeting of the Halton 4-H Tractor Club was held at the farm of H.C. Reid on Aug. 23 at 8 p.m.
This was the meeting for the quiz. Russell Murray and Bill Lasby handed out the quiz and the members completed it. We discussed what we are going to do about a display at Milton Fair. John Reid brought his new tractor in the shop and talked to the members about it.
After that the meeting was adjourned.

JR. DAIRY CALF
By Ann Reid
The last meeting of the Halton 4-H Junior Dairy Calf Club was held at Jeff Nurse's.

The meeting was opened with a quiz, reviewing what we have learned from the meetings this summer.
Ken McNabb clipped a calf and Jeff explained what he was doing.
After that a group of calves was led in and each member had to clip one. When we were all finished clipping the calves, Jeff gave us a lesson on showing our calves at the fair.
When the meeting closed, Jeff invited all the members and their parents to a barbecue around a campfire. It was a very good lunch of barbecued hamburgers, water-melon, pop and ice cream bars.
Everyone thanked Jeff and Mr. and Mrs. Nurse for their hospitality.

M.Z.B. news

by Craig Colton
The M.Z. Bennett Safety Patrol is in full operation now. Jody De Vries is the captain. Mr. Magwood is the school supervisor. Constable Raj Swaminathan of the Halton Police will assist in the patrol's work. There are 35 patrolers altogether.
Many of our students entered the competitions for school pupils at the Acton Fair. We won our fair share of prizes. It appears that the fair was very successful this year.
Last week Mr. Magwood hired Mrs. Orysia Weedmark, to be our morning half-time Kindergarten teacher. Mrs. Weedmark taught at M.Z. Bennett as a supply teacher a few years ago, and taught Kindergarten for several years in Georgetown.

Free Press Youth Page

M.Z. BENNETT school columnists for the Free Press got together last week to discuss their newly appointed jobs. Left to right Maria Krul, Craig Colton and Trevlynn Mason.

WRITER OF THE St. Joseph's school column for the Free Press is Susan Lidbury. Susan is in grade 7.

Speyside news

by Kim Ivison & Julie Nipper
PLAYGROUND—Our school has a treeline. Some children like to play there. Jessie and Jeff built a fort there. Our treeline is full of paths; really, it's a beautiful place to be.
Craig Ivison and Richard Nipper play in the sand box almost every recess. Glen English practises math outside. It is his favorite subject.
Kelly Kolner dislikes work altogether. She thinks school is worse than being in a jail.
KINDERGARTEN—Jeffrey Nipper can't wait because he knows he is going to love the apple farm. They are going on Tues. Sept. 19. What's in store for the Kindergartens next? Well, when they get back, they are going to make apple sauce!
KIDS—Donna Schrader and Tami Sheldon both think school is great, their teacher is Mr. Coe.

Library film

With the fall fair variety show and crowning of Miss Acton in the Community Centre only eight people showed up at the Acton Public Library to watch the weekly film "Why Rock the Boat".

McKenzie-Smith Correspondence courses big

by Terry Lynn McStravick and Shirley Van Rijk
The school volleyball team will start anytime for the girls, and boys volleyball started today. The girls' coach is Mr. Coleman and Mr. Roche may assist. The boys' coach is Mr. Boycott.
Flag Football was to start Monday with Red competing against Brown, but was cancelled because of the rain.
We asked Mr. Dawkins how he thought school was going this year and these are his comments.
"School opened well and went smoothly the first few days. It is continuing to go smoothly. I think reasons for that are: Present grade seven and eight students know their routines and are a great help to make school go smoothly, and the seven and eight's helped the grade six's get to know the school."
People are training for the upcoming crosscountry meet on Sept. 25.
We are having a school election for Student Council on Friday. People running for president are: Paul Stables and Ken Kavanagh. Running for treasurer are: Richard Kilpatrick and Edward Wong. Running for Secretary are: Lisa Gilliss and Andrea Rodriguez. Campaigning for Friday's election started Monday.
On Tuesday we had our Friday to start off our house leagues, everybody had a great time. Results will be published next week.
Mr. Mashiner has started a grade 6 and 7 choir called "The McKenzie-Smith Singers". We hope it will be a big success.

At a time when some Canadian universities are reporting a downturn in enrolment in correspondence programs, the University of Waterloo finds the field booming.
A year ago, UW offered correspondence courses in the spring term (May, June and July) for the first time, and 700 students enrolled. This year the spring enrolment doubled—to 1,400. This fall's enrolment is expected to top the 3,500 figure of a year ago despite the fact that the date for enrolling was moved ahead a full month—to Aug. 18.
