

ONE-TWO-THREE, that was the order Gary Lumbers, Tim Evans and Dean Hughes of Acton finished in a tri-school cross country meet at Acton High last Thursday. All three boys are in the midget age class.

Three teams in Halton-Peel

Janet Saxon and Shirley Ancker, Scott Malcolm and David McGilloway, and Deb Ruppert and Lynn Margetts all advanced to the Halton-Peel Schools Tennis Championships when they reached the finals of the Haltons last week.

In each group the finalists advance to the next meet. All three of the Acton doubles teams to reach the finals were defeated.

In junior ladies doubles Ancker and Saxon defeated teams from Perdue 9-2 and Lester B. Pearson 9-1 before falling to Oakville Trafalgar 3-6, 3-6.

In senior men's doubles McGilloway and Malcolm downed Oakville Trafalgar 9-5 and Perdue 9-8 before falling to M.M. Robinson 1-6, 0-6.

In senior ladies' doubles Margetts and Ruppert dumped Aldershot 9-3 and White Oaks 9-1 before losing to Oakville Trafalgar 0-6, 0-6.

Martin Oso and Tom Rosenbersky downed M.M. Robinson 9-8 in a first round junior men's doubles match before falling 1-9 to Pearson.

The junior mixed doubles team of Sharon Cook and Steve Springle beat both

White Oaks and Perdue 9-6 before dropping a semi-final match 5-9 to Oakville Trafalgar.

In junior men's singles Larry Kee went down 9-2 to White Oaks. Gord Bruce lost his senior singles match 0-9 to the eventual champion. In junior ladies' singles Cheri Lindsay dropped her match 9-5 to Perdue.

Three doubles teams advance to the Halton-Peel tourney today (Wednesday) compared to only one team last year.

Arena ice

There should be ice in the Acton Community Centre by October 2, said arena manager Harold Townsley.

Townsley hoped that the ice would be in sooner but it all depends on the weather. The compressors were turned on last Thursday and if the weather stayed cool there was a chance that the arena floor temperature would be cold enough to put water on by Saturday or Sunday.

Whether or not the ice is in before October 2, Mr. Townsley said that he would not allow skating on the surface before that time.

See Jays down Yanks

Some 35 Acton High School students travelled to Exhibition Stadium last Wednesday to witness the Toronto Blue Jays 8-1 win, in the first game of the double-header, over the New York Yankees.

Most students travelled to the game by bus and returned after the first game but a few drove down and stayed to watch the Jays give up three runs in the ninth inning and go down 3-2 in the second game of the twin bill.

The trip was run through the Acton High School Athletic Society.

Bishop Macdonell takes softball title

Tournament rules stated that the team must consist of five men and four ladies on the field at any one time and that a lady must pitch at least two innings in preliminary games and three innings in the final.

Acton won the tournament in its inaugural year. Georgetown did not enter a team to defend the title they won last year.

Bishop Macdonell was the winner of the third annual Acton High School mixed softball tournament at M.Z. Bennett Friday.

Bishop Mac defeated Milton in the final of the three team round robin tournament 10-5 after losing to the Milton team in the first round, 3-1. Acton was eliminated from the tourney when they went down to Milton 8-7 and Bishop 7-1.

Cross country team dominates first meet

Acton High School hosted a tri-school cross country meet at the high school last Thursday.

Acton won the overall title with 98 points, White Oaks Secondary School finishing second with 155 and Burlington Central finishing third, with 186.

Top runners for Acton included, midget girls, Heather Thatcher, second, and Eike Zeissig, third. Junior girls, Sharon Cook, second and Janice Itaine, third and senior girls Tammy Alshop finished third and Cindy Brill fourth.

The Acton High cross country team will run at a meet in White Oaks today (Wednesday) and will be at York University for a meet on Saturday.
