

## Three babies baptized, area residents wed

by Mrs. Winifred Smith  
The congregation attending church service on Sunday was somewhat larger than usual. There were three infants baptized. It was good to see grandparents, aunts, uncles and friends out to witness the sacrament of baptism.

The following children were welcomed into fellowship of the Church of Christ through Baptism: Andrew James Munro, son of Mr. and Mrs. Bruce Munro; Christy Ann Mairi Pinkerton, daughter of Mr. and Mrs. Robert Pinkerton; Lucas Roy Wood, son of Mr. and Mrs. Douglas Wood.

To add to the service the mens' choir sang the musical selection "By Cool Siloam's Shady Hill."

It was announced that the U.C.W. are to have a mini-bazaar and bake sale on Saturday next, also afternoon tea will be served. It will be at the church. Annual turkey supper is coming up early in November.

The interesting Sermon, by the minister was, "What Christians Are" and was entitled "Salt and Light".

The Ballinafad 4H club have just completed their fourth meeting. They have chosen the name "Metric Magicians." The club project is "Essential Edibles."

The measure used for all cooking is the new metric system. The recipes followed all have ingredients essential to health.

Following are some of the recipes made, and sampled by the girls: Granola, energy squares, healthy peanut bread, peanut and carrot spread, potato cheese chowder, and a "La Metric" made with metric white sauce with ham and mushrooms added.

It was stressed that all the meals were important, especially breakfast. The girls are being taught to make all meals including brunch, interesting and colorful as well as nutritious.

The club leaders are Mrs.

Reggie Slessoraitis and Mrs. Betty Koperdraad. Club officers, president Shelley Wilson, vice-president Helen Schwarz, secretary Floating, treasurer Melanie Shepherd, press reporter Kathy Lozinski. Other members are, Christine Curry and Jackie Koperdraad.

A wedding of interest to Ballinafad residents, took place at the Church of the Latter Day Saints in Guelph on Saturday afternoon, when Elizabeth Rogers and Hugh Bass exchanged vows. There were around 40 guests present.

The couple are enjoying a honeymoon in Florida. On their return they will reside in Guelph. Mr. Bass farmed on the tenth line in Erin township before retiring when he moved to Guelph. Mrs. Rogers was a resident of the village for a number of years, before she and her late husband moved to Guelph. We extend congratulations to the happy couple.

Another long-time resident of Ballinafad passed away last week in the person of Mrs. Ethel Ferguson. She was the wife of the late Duncan Ferguson who was the village blacksmith way back in the thirties. Mrs. Ferguson has not had good health for

the past few years and was confined to hospital at the Halton Manor. Sympathy is extended to the family and relatives of the deceased.

Mr. and Mrs. Ernest McEnery are to be congratulated in the fact that they are grand parents again. Son Bill and his wife Cheryl, recently became the proud parents of a son. The first grand son for Ernie and Eileen.

The annual banquet and dance for the Ballinafad Ball Club was held at the Community Centre on Saturday night. There were about 90 present. The meal was excellent. Awards were given out. Bonnie Walker was declared the most improved player with Penny Shortall, a close second. Music for dancing was provided by Kent Tocher, of Hillsburgh. Doris Foeller was responsible for the clever decorations in the centre for the occasion. A good time was had by all.

The "Take a Break" meetings have begun at the Community Centre. They take place on Wednesday mornings between 9.30 and 11.30. There is one hour of exercise and usually a speaker. More participation is needed, so come along and enjoy morning coffee.

## All night vigil in Ballinafad

A Ballinafad man is in hospital in Guelph after spending the night in his barn with police outside waiting patiently for him to come out.

According to Guelph OPP, the man entered the barn with a rifle and refused to come out. Police blocked off a section of Halton Road 7 in the village for a short time Friday evening when it was reported the man had fired a shot. Police later told this newspaper the shot was accidental, and the man had no intention of hurting anyone or

committing any crime.

Police stayed on the scene until Saturday morning when the man came out. They explained they stayed to make sure the man did not hurt himself and was alright after his all night vigil. No one tried to talk the man out, but just let him come out when he was ready, police said.

The man was intoxicated, and depressed the OPP explained. No crime was committed at any time.

## OHIP review

The Progressive Conservative members of Ontario's select committee on Health Care, Financing and Costs submitted a statement of their position before the committee.

Jack Johnson, PC member for Wellington-Dufferin-Peel, spearheaded a drive to replace the current OHIP subsidy system with one that reached more people in need of financial assistance as the submission stated. "Subsidies should be replaced by a tax credit system that would insure—as the current subsidy system does not—that all those entitled to premiums assistance in fact receive it... we estimate that nearly one half million tax filers in Ontario would benefit by such a system."

### Horseshoe pitchers

by Barb Wynneck  
Would you like to spend your summer evenings pitching horseshoes under lights next year?

The Eramosa Recreation Committee is curious to know if there is a revived community interest in this old

time sport. If there is, plans could be made to incorporate a horseshoe pitch at Rockwood Park.

Make a presentation to the Eramosa Township Recreation Committee, Township office, Hwy 24., if this project appeals to you.
