Dublin W. I. have October meeting

Mrs. Lorne A. Jefferson, of Arkell, was guest speaker at the October meeting of the Dublin Women's Institute on Thursday evening. Mrs. Kenneth Smith of the Sixth Line, Milton (Nassagaweya), was hostess for a good turnout of members.

Mrs. Jefferson told in a very interesting manner of her experiences as a first year Provincial Board member of the Women's Institutes of Ontario. A great deal of work and study are involved when Board members are called to sessions several times a year in Toronto. The important role that Women's Institutes play in the lives of so many women was well described by Mrs. Jefferson. Mrs. W. Lasby thanked Mrs. Jefferson for outlining the work of a Board member.

In the absence of the president, Mrs. M. Hunter, who was tutoring a class of 4H Girls for part of the evening, Mrs. Lasby, first vice-pres-

ident, chaired the meeting. Roll Call. "An item of interest from a 'Home and Country'", was called by Mrs. K. Smith, and each member gave interesting facts that they had gleaned from that periodical. Reports from the Visiting Committee were given by Mrs. A. Diamond; Citizenship and World Affairs by Mrs. W. Lasby and Quilting by Mrs. C. Armstrong.

Mrs. E. Wilson of the Catering Committee, reported up-coming events of a 50th wedding anniversary on October 21 and Acton Agricultural Society banquet on November 24.

It was decided that financial support will be given by the Branch to support the work of the 4H Girls in the neighbourhood. Other dates of interest to members are District Day to be held on November 9 in Ligny Hall at 12:30 p.m. and Guelph Area Convention at Bingeman Park, Waterloo on

October 30 and 31. A full account of the District Directors' meeting held on October 3 in Milton was given by Mrs. E. Norton. Plans and events of interest coming up within the next few months were outlined by her.

Experiences and impressions of Mrs. Raigh Rowe, A.C.W.W. president of Australia on a five and a half week trip to Asia were conveyed by Mrs. M. Nellis, as Convener of Public Relations, and was listened to with interest. After the program, it was fun time and fun it was! Following the theme of their everyday work experiences, two of the members enacted a skit. Mrs. E. Norton was in her role as claims representative of an insurance company, and Mrs. D. Hunter was the would-be claimant. As the claim was so complicated and so unusual, it was not sustained, to the amusement and enjoyment of the ladies.

Mrs. M. Nellis and Mrs. W.

Lasby were the winners of a contest introduced by Mrs. D. Hunter. Delicious cheese cake and beverage were served by the committee of the month, Mrs. H. Blyth, Mrs. M. Hunter and Mrs. W.

Frank, assisted by the hostess Mrs. Smith, and all enjoyed a talk feast afterwards. Courtesies were expressed by Mrs. H. Dodds for a fine evening's program and lunch.

Mrs. McGillivray attends cancer society conference

Education is everyone's business: a never-ending process of teaching and learning. About life. About love. About work. About health.

More than 300 men and women from across Ontario learned more about health and volunteer work in this field when they attended a two-day conference called '78 Education Update, held recently at the Prince Hotel in Toronto.

Consisting primarily of workshops, the gathering of Education volunteers served many purposes. The volunteers received additional new material to the Society's 'Celly' and '4-6 Kit' programs as well as witnessing the debut of The Kit (a guide to decision-making and health for grades 7-8). They also participated in 'refresher courses' on the adult education programs along with tips on effective public speaking and a review of the use of film equipment. English and

French editions of the revised Education Manual were also distributed.

Dr. Alan Bernstein from the Division of Biological Research at the Ontario Cancer Institute was one of the guest speakers. Dr. Bernstein outlined the various aspects of cancer research and the progress being made in each. Another guest speaker was Rosanne Laflamme, once crowned Canada's Handicapped Athlete of the Year. Those in attendance were also treated to a unique magic show that incorporated the Society's educational messages, and a fashion show with a twist — each volunteer modelled the costume of their District — 15 different outfits representing the whole of Ontario.

Attending the conference from this area was Catherine McGillivray — Education Chairman for the Acton Branch. Mrs. McGillivray said, "The workshops

provided us with answers to our questions about the Society and our role as an Education volunteer. Listening to speakers and participating in workshops enables us to keep in touch with what's happening in the field of education and with one another."
