

Acton Legion Hockey Waterloo-Wellington hockey begins asks town for money

Acton Legion Minor Hockey league is asking the town for financial help to cover the cost of equipment lockers installed at the arena. The lockers cost \$552.

The lockers were built by a member of the Legion at a fraction of the cost, according to a letter from Kerwin McPhail.

The letter pointed out the house league operated at a \$2,000 loss. It stated each boy and coach was presented with a medallion and chain to mark the 25th anniversary of legion hockey in Acton. This cost \$1 each for 400 people, said McPhail.

He said goal equipment at a cost of \$2,000 has to be replaced this year, with half of it coming from a Wintario grant.

The letter pointed out the registration has been raised

from \$25 to \$30 per boy. He said a further expense if the formation of a house league for juvenile hockey, requested by more than 30 boys.

Councillor Pat Patterson said this group had to raise the fees, no doubt creating hardship in some cases.

Councillor Peter Marks reminded the committee there is also minor soccer and lacrosse.

The committee decided to refer the request to the '79 council for consideration when setting the grants budget.

The Waterloo Wellington Minor Hockey League will have a 736 game schedule for 1978-79. The schedule runs from October 23 to February 4. There are 10 divisions ranging from Novice for 8 year old boys to Midget for 15 and 16 year olds with a total of 65 teams. Fergus, Hespeler and Woolwich (Elmira) all field 10 teams while New Hamburg has 9 and Acton,

Elora and Orangeville have 8 teams.

Hespeler, Orangeville and

Woolwich compete in O.M.H.A. "A" classification; Acton, Fergus and New Hamburg are in "BB" classification while Elora is in "C".

All teams except Novice will enter Ontario Minor Hockey Playdowns early in February and then complete the season with League Playoffs in February and March.

November 7

The recent Gemini-Burlington contest which was cancelled when refs failed to show up has been rescheduled for November 7 in Georgetown at 7:30 p.m.

League convener Larry Robertson said refs weren't sent out because of OHA confusion. OHA officials got the Gemini-Cougar confused with the Raider-Port Colborne Sailor match which was cancelled for last Tuesday because Sailors didn't want to compete with the World Series. Instead of not sending officials just to the game in Port Colborne the OHA cancelled officials for both Georgetown teams' games.

Robertson also reported the September 25 Gemini-Acton Sabres game which was to go November 7 has been bumped in favor of Burlington-Georgetown match. The game, to be played in Georgetown, with Acton is still up in the air.

Peewee puck passing predominate in pair

Acton major peewee picked up where they left off their hockey season at the end of last year. The peewees downed Georgetown Selects 3-0 in an exhibition encounter and took Orangeville in their league opener 8-3 on Monday night.

Last year as minor peewees Acton finished second behind Elmira.

Coach Barry Inscow was pleased with the club's performance commenting that the team passed and moved the puck with authority.

The peewees have five new players in their line-up, Brian Roach, Randy Coverdale, Troy McNaught, Brad McPherson, and Chris Hicks have fitted in well, according to Inscow.

Inscow feels his team has a good balanced offence this season and it is shown in the 8-3 Orangeville win. Seven

players shared in the scoring. Jim Richards was the only Acton player to score twice. Lorenzo Civiero, Bruce Canary, Steve Raine, Brad McPherson, Rick Dodds and Stan Smith added singles.

Rock Dodds picked up three assists. David McKnight, Randy Coverdale, Troy McNaught, David Milne, and Canary added single assists.

Tim McKendry and Brian Roach split the netminding duties in both contests.

Against Georgetown, Acton could have come away with a score in the double figures if it had not been for Ken MacDonald in the Georgetown net.

Bruce Canary, Randy Coverdale and Troy McNaught counted the Acton markers with Jim Richards, Brad McPherson and Canary earned assists.

Acton is at home to New Hamburg (tonight (Wednesday) at 8 p.m.
