

SHOOTING A SCENE for a commercial for a Saskatoon Real Estate company is director Tom Moore (second from right) and his crew. Moore set his equipment up in the Brewers Retail parking lot Monday morning.

Commercial piece filmed in Acton

People may have been wondering what a small film crew was doing in the Brewers Retail parking lot on Monday morning.

A Toronto director, Tom Moore, had his crew setting up and shooting part of a commercial for J. S. Laxtal and Associates of Saskatoon, Saskatchewan.

Laxtal and Associates are the advertising agency for McClocklin Real Estate in Saskatoon.

Laxtal had worked with director Moore on previous occasions and was pleased with the results thus warranting the film to be shot in the east where it was convenient for Moore.

Acton man announces 22 winners of \$1,000

Earl J. Steckley, manager, from the Acton branch of the Bank of Montreal, announced that 22 bank customers in Ontario were winners of \$1,000 each in the interim draw of the bank's contest for personal savings and chequeing depositors. There are 50 interim draw winners from across Canada. None of the winners are from Acton.

The contest features a \$150,000 grand prize, 10 prizes of \$5,000 and 100 prizes of \$1,000. The major awards and the remaining 50 prizes of \$1,000 will be drawn at the end of the contest November 17. The consumer receives one entry form for each \$50 deposit in either new or existing accounts, with a maximum of 100 entries per customer. A unique feature of the contest, available only to winners, allows them to deposit their prizes in a special "Double Your Money Savings Certificates" and double their winnings in six years.

CYNTHIA JACKSON gets her teeth checked over by dental hygienist Sonja Keys at the Acton Medical Centre. Mrs. Keys is working part time for Drs. Steen and Mikelenas.

Sonja Keys is dental hygienist

Acton dentists at the Medical Centre now have a part-time dental hygienist helping them with some of their workload.

Sonja Keys started work last month, working only Thursdays and Fridays. The other days she works for an orthodontist in Georgetown, where she is currently living.

Mrs. Keys graduated from the University of Toronto in 1974, with her diploma in dental hygiene. Before her job in Georgetown, she worked in a Toronto office.

She is originally from Chesterville, near Ottawa and became interested in this line of work when working for a dentist while in high school.

With her job in Acton, Mrs. Keys will be doing recalls, check ups, taking x-rays, scaling and polishing teeth. The most important part of the job, however, she says is the teaching of oral hygiene and making the public aware of the importance of their teeth and how to look after them properly.
