

YOUNG AND THE not so young enjoy public skating at the Acton Community Centre twice a week. Skating is Friday or Saturday night, depending on when the Sabres play from 8.10 to 10 p.m. and on Sundays from 1.40 to 3.40 p.m.

Atoms trounce Elora drop first to Fergus

Acton Major Atoms couldn't keep their winning ways last week in Waterloo-Wellington action as they fell to Fergus 2-0. In other games they rallied to an 8-2 win over New Hamburg and then TOTALLY dominated Elora 25-0 (not a misprint).

In the Fergus game Acton started off well with a goal by Kevin Lobsinger from Clinton McMillan and Gord Mitchell but fell behind 3-1 before Gary MacEachern could make it 3-2 with assists from John Lloyd and Mike Cunningham but that was all as Fergus scored three more unanswered goals.

Acton 8—New Hamburg 2
in New Hamburg November 5, Acton jumped out in front 2-0 with goals by Clinton McMillan and Brad

Demone, with assists going to Philip Wedge, Brad Demone, and Clinton McMillan but New Hamburg came back to tie the score at 2-2. After that it was all Acton with goals by Kevin Lobsinger, Philip Wedge, Gord Mitchell, Brad Demone, Gary MacEachern and Clinton McMillan. Assists went to John Lloyd, Clinton McMillan and Kevin Lobsinger. Final score Acton 8, New Hamburg 2.

Acton 25—Elora 0

Monday Acton travelled to Elora for the biggest mismatch of the year as Elora just didn't seem to have any team. The score was Acton 25, Elora 0. Assistant coach, John Cunningham was disappointed in this kind of game as it doesn't aid either team

Guelph Marlins hold development meet

A C.A.S.A. Short Course Development Meet was held in Guelph recently. Swimmers from Brantford, Cambridge, Niagara Falls and Woodstock attended the meet which was hosted by the Guelph Marlin Aquatic Club.

A development meet is held for the purpose of establishing times in order to qualify for invitational meets. Ribbons were awarded to those with the best 6 times of each age group. Many of the senior Marlins did not participate in this meet. Qualifying times are required for the Brantford Invitational Meet to be held Nov. 24-26.

Julia Mullins of Acton placed third in the 13 and 14 year old girls 400 metre freestyle. She also finished second in the 200 metre breast stroke and fourth in the 200 freestyle.

Peter Bray finished fifth in the ten and under boys 100 metre freestyle and sixth in the 100 backstroke.

Adrienne Kovacs finished fourth in a 10 and under girls 100 metre fly race.

Guelph had 25 swimmers attend the Etobicoke swim meet recently. 22 had personal best times; an excellent beginning for the new season since training is mostly over distance. Guelph finished 2nd to Etobicoke. Mark Bray and Kevin Auger were the outstanding swimmers. Mark Bray swam a club record in the 50 m fly with 0:33.94. Kevin Auger defended 1st place from 1977 in the 50 m back with 0:29.94.

The Guelph Marlin Aquatic Club is now preparing hard for the Brantford Invitational. The Marlins men's team won the 15 and over division trophy there last year.

Atoms shut-out win first of young year

Acton Minor Atoms split games last week, downing New Hamburg 3-0 for their first win of the season and a loss to Woolwich 2-1.

In Woolwich the score was tied at one with two minutes remaining in the contest. Woolwich scored what manager Richard Kilpatrick called a blatantly offside goal to secure the win.

Acton goal with an assist going to Kirk McNabb.

In the team's second road game in as many days Acton got the boost they needed with a 3-0 win.

Peter Cargill got the first Acton marker from Atherton. Gord Taillefer netted his first rep goal unassisted and Paul Kilpatrick found the mark from Toth Hill.

Curling Club results

by Karen Knickle

With the curling season now officially one week underway the club would like to extend a warm welcome to all new curling members who have joined us for the first time. To all the "experienced" curlers from last year "welcome back".

Two free weeks of curling were offered before the opening of the season affording new and old members alike an opportunity to limber up unused muscles and try and understand just how this game on ice is played. Peter Vidler, our ice man, has been working many long hours to get the ice into such superb shape. Thank you, Pete, for all the effort. During the last two days of the free curling a clinic for beginners and experienced curlers alike was held. The clinic was run by a group of experienced curlers from the various clubs. We thank them for their time and effort and perseverance. New curlers learned all the proper technique required of a good curler. The rest of us found out how many bad habits we really had.

Pulling the goalie works, Firefighters gain draw

Acton played a strong fore-checking game according to coach Steve Marshall forcing Hespeler into many mistakes and giving Acton good scoring opportunities. Marshall praised the line of Rick Greenley, Andy Vaivods and Fred Kappert along with the defence for their play.

Acton pulled goalie Rob Munro in an attempt to get the equalizer and with 28 seconds remaining a Bob Vermeulen slap shot passed the net with perfect passes

Tennis Talk

by Ray Briggs

The finale to a successful season took place at the Acton Tennis Club's annual awards dance, held at the Band Hall. This year's dance was attended by a good crowd who enjoyed music played by disc jockey Ken Cosman.

Club members are reminded that the club's annual general meeting is to be held on November 21 and all members are requested to attend.

Hydro downs Acton

Brampton Hydro beat Acton 8-6 in Wellington-Dufferin-Halton non-contact hockey league play Saturday night. It was their first victory of the season.

The Hydro crew, playing its home games at Inglewood, is coached by Gene Gilbert of Georgetown. A number of Halton Hills men play on the Brampton Hydro team.

THE NEW 1979 MAZDA GLC WAGON HAS AS MANY FEATURES AS THE 1979 GLC AND SOMETHING MORE. MORE SPACE.

For many people, 86 cubic feet of passenger and cargo space in a hatchback is more than enough. That's what the 1979 GLC has. (Other hatchbacks like the Honda Civic can only wish they had that much space.)

But maybe, that's not enough for you. Maybe you have to carry around more or bigger things than any hatchback will hold. Maybe what you need is a station wagon. But suppose you don't want an enormous, gas-guzzling, hulk-of-a-wagon that's going to take up two lanes on the road. In that case, we're sure you'll be big on a sub-compact wagon like the new GLC wagon. It's got 113% more cargo space than the GLC. Yet, the new GLC wagon is only 9" longer. In other words, there's a lot inside for such a small outside.

The new GLC wagon isn't a hatchback in disguise either. It may resemble the GLC somewhat, but it was built to be a wagon. For example, the new GLC wagon weighs more than the GLC, it's 2 inches higher in the back, it has bigger front disc brakes, a bigger gas tank and higher road clearance than the GLC. And yet, with all these differences, there are similarities.

This year, all 1979 GLC's and GLC wagons have a new higher performance engine. It gives improved acceleration, more pulling power and quieter operation. It also gives excellent gas economy. You can expect to get 6.3ℓ/100 km (72 km/gal.) highway, 8.7ℓ/100 km (52 km/gal.) urban and 7.2ℓ/100 km (63 km/gal.) rating.*

And instead of giving you a long list of options you'd have to pay extra for, the GLC

Deluxe and the new GLC wagon give you a long list of standard features which include:

- Rear window washer and wiper.
- Electric rear window defogger.
- Tinted windows.
- Trip odometer.
- Split rear seats.
- Day/night mirror.
- Wall-to-wall cut-pile carpeting in both passenger compartment and cargo area.
- Fully reclining bucket seats.
- Power assisted front disc brakes...

Just look at what we put into our 1979 GLC wagon. And just think of what you'll be able to.
