

JENNIFER LINTON of Georgetown has been recently hired as recreation co-ordinator for Acton and Esqueping. Miss Linton has been connected with the recreation department for about 10 years, starting out as a playground leader in Georgetown.

Jennifer Linton is rec. co-ordinator

Georgetown native Jennifer Linton is the new recreation co-ordinator for Acton and Esqueping.

Miss Linton started her job October 30, replacing Karen King who went to work for the Ontario government. Hers is no new face to the recreation department since she worked in Georgetown as a leader when in high school, and was a playground supervisor for three years.

Miss Linton is also involved in all gymnastics in Halton Hills, and has been since high school. She is qualified to coach and judge the sport.

A graduate of Georgetown high school, Miss Linton recently graduated from the University of Waterloo with her Bachelor of Science in Kinesiology (human movement, man in motion).

Since she has only been on the job a short time, she does not feel she is in a position to come into town and change existing recreation ventures. "I'm still spending a lot of time getting to know what is available here, and meeting people."

"Recreation should be made available to everyone. It is not necessarily something you have to buy or take part in. It is up to the individual how he or she chooses to use leisure time," she said.

Miss Linton said she would like to meet with all sports-governing people in the two wards and discuss their particular sports and what the recreation department can do with them.

As recreation co-ordinator, Miss Linton is in charge of getting personnel for people who want to run their own activities, helping out community groups with projects and activities, booking facilities, and putting out the

summer and winter brochures listing what is available.

In her spare time, Miss Linton enjoys tennis, gymnastics and outdoor activities, and plays in the Halton County Softball league. She is also a movie buff, she says.

Novices triumph

The Acton Alton-McIsaac Concrete Construction Novices skated to their first win, a 7-1 triumph over Ferguson on Saturday.

John Van Dam led the Acton scoring attack hitting five goals, and assisting on another.

Van Dam scored the first five goals, two unassisted, with Rob Murray, Wayne McEachern and Greg Leatherland assisting on the other three.

Sabres drop 5-4 decisions regain Malcolm from 'A's'

The Acton Sabres lost another pair of games in Central Ontario Junior "B" action this week to bring their total losses to ten games in the last 11 starts. Of those ten losses only two, both to Streetsville, have been by more than two goals.

The Sabres dropped 5-4 decisions to Orillia, on a goal with eight seconds remaining, and Dixie.

In both games the Sabres surrounded the opposing net but came away empty. Shots bounced over sticks hit goal posts and did almost everything but go in.

Scott Malcolm has returned to the club after a short stay with Mount Hamilton of the Provincial Junior "A" league. Malcolm was the team's second leading scorer last season and should provide some added scoring punch.

Acton scored first in the Orillia game when Wade Vickery found the mark from

Mark Schinkel and Kelly McArthur.

Orillia tied the game before the period ended as Bruce McDonough found the range.

At the five minute mark of the second period the Sabres hit for two. Paul Pickard scored from Kelly Shaw and Brad Buchanan netted the twine from Glenn Murray and Jamie Ryan. The two goals came 29 seconds apart.

Orillia came right back with Jamie Ryan in the penalty box to pull the score back to within one. Kirby Wagg netted the goal unassisted off the face-off. Wagg picked up four scoring points for the Travelways.

Orillia scored two more before the period ended to take a 3-2 lead into the dressing room after two periods. Acton started the final frame shorthanded and Paul Pickard netted the Sabres and his fourth shorthanded goal in five games.

The two teams played scoreless the remainder of the way with the exception of the final minute when Glenn Murray went off for elbowing killing a Sabre powerplay. Bruce McDonough scored his second of the night with only eight seconds to play to give Orillia the win.

Acton outshot Orillia 39-36 and took 34 minutes in penalties to only 22 for the Travelways.

On Sunday afternoon in Dixie the Sabres fell behind early on a Dixie powerplay goal. Jamie Ryan was off for holding at the 1:49 mark.

Neil Anderson broke a 17 game scoring slump to tie the score from Jeff Shields and Kelly Shaw at the midway point of the period.

Jamie Ryan picked up a perfect pass from Paul Pickard and put in the top corner to give the Sabres a 2-1 lead after the first frame.

Dixie tied the game at the seven minute mark of the second before Kelly Shaw netted the Sabres second powerplay goal. The Bees scored only 37 seconds later as Acton performed what is becoming a habit, scoring and then sitting back and allowing the other club to get back on even terms.

Within 40 seconds Dixie had struck again to take the lead after two.

The Bees added to their lead at the five minute mark of the final frame with Brad Buchanan off with a penalty.

The Sabres seemed to come to life in the final four or five

minutes. Glenn Murray scored from Jeff Shields and Scott Malcolm to pull within one but time ran out as the Sabres threatened to get the equalizer with goaltender Rob Bremner on the bench in

favor of an extra attacker. The Sabres will try to get back to winning tonight (Wednesday) in Milton. Saturday the Sabres take on the Burlington Cougars at the Acton Community Centre.

The Cougars and the Sabres played to a 5-5 tie in the first meeting of the clubs. It was the only point Burlington had lost heading into their first confrontation with Streetsville last night (Tuesday).

Rockwood's Waples one million winnings

Chalk up another record for horseman Ron Waples. When the Rockwood horseman drove the pacer Roan Baron to a 3 1/2 lengths victory in Monday's eighth race at Mohawk Raceway, he became the first driver in the history of the Ontario Jockey Club harness racing circuit to have driven horses to purses in excess of \$1 million in a single year.

Waples reached and surpassed the mark in fine style, winning with four of the six horses he drove, getting a fifth and a third place finish in the other starts.

Roan Baron, a five-year-old gelding Waples owns with Joe Panaro of Kitchener and Marshall Dorion of Collingwood, picked up \$2,150 from the \$4,300 purse to send Waples' earnings to \$1,001,757.

The wins and the two minor shares were worth \$12,183 in purses with the veteran trotter Fromming Hanover bringing in almost half of that with his triumph in the featured \$12,000 Free-For-All Handicap in the fourth race. Waples' first drive of the night.

Like Roan Baron, the eight-year-old Fromming Hanover is owned by the partnership that races under the W.A.R. stable banner. The gelding, which piled up three straight wins at the Handicap level in Montreal in the last three weeks, had left Mohawk in mid-October with two consecutive victories in the Free-For-All.

Monday's neck decision over the fast-closing Viking Dart was the trotter's 13th win in 37 starts and sent his season's earnings to \$98,570—his best year since being purchased by Waples as a three-year-old for \$16,500.

The 34-year-old Waples roared right back into the winner's circle in the next two races, winning with Dominic, a pacer owned by D. LeBlanc, J. Baker and R. Reyes of Toronto in the fifth and taking the sixth-race with Potomac Lobell, a three-year-old pacer owned by Denton Johnston of Peterborough and John Hoey of Orono.

Waples had now reached the \$999,362 mark and with three more drives remaining was a cinch to reach the plateau. In his next drive he

finished fifth with Good Better Best, a pacer he owns with the Grants Direct Stable of Toronto. The \$245 share of the purse brought his total to \$999,607, leaving Roan Baron to push him over the mark. Were the horse to miss, Waples still had a drive to go, with Valiant Ides in the ninth race.

But Roan Baron came through, not only for Waples but also for the 5,837 fans who had made the gelding a 3-to-5 pick to win. Valiant Ides, in finishing third, sent Waples' earnings to \$1,002,345 in his last drive of the night.

Waples was voted Canada's Horseman of the Year last season after becoming the first driver in Canada to surpass the \$1 million mark in a single year racing solely in this country. At the same time, he also was the first driver to win more than 300 races in one year.

That year he earned a record \$918,576 in purses on the O.J.C. tour of Greenwood and Mohawk raceways while winning 268 races. The four victories last night brought this season's win total to 242.

LEARNING TO SKATE at the pre-school figure skating class is four-year-old Jacqueline Skeggs. The class which runs Mondays at 4 p.m. has skaters between two and four years old. Instructor Colleen DeBruyn helps Jacqueline out.

Elmira scares unbeaten pee-wees

The Beardmore Union Minor Pee-wees keep rolling up the wins in Waterloo-Wellington league action. The latest victims, Elora and Woolwich, the pee-wees edged Elora 3-1 and Woolwich 5-3 to remain unbeaten.

Elmira gave the Beardmore boys a scare in the first period as they opened the game with two goals.

Tony Van Dam got Acton started near the end of the period with an unassisted goal.

Elmira extended their lead in the early portion of the second but after that it was all Acton.

Mike Hudson netted the first of the comeback goals from Greg James at 3:26. Tony Van Dam netted his second of the contest from Hudson to tie the game before Hudson scored two un-

answered goals to give Acton the win. Van Dam assisted on the first third period marker.

Acton outshot Woolwich 29-9 in the contest.

Against Elora the team played scramble according to coach Bob Raine. "They played the Elora style," he said.

Bruce Raine opened the scoring with the only goal of the first period from Jamie Lawson.

Mike Hudson extended the lead with an unassisted marker in the second, and Raine with his second of the night from David Thomas and Terry Danagher gave Acton their three goals.

Terry Hoelscher broke the Acton goaltenders bid for a shut-out with 2:01 remaining.

So far this season Acton is 6-0, scoring 40 goals and giving up only nine.

Cagers eliminated from post-season

Acton High School Varsity Girls basketball team was eliminated from further post-season play Monday afternoon when they were upset by third place Georgetown 27-22.

Acton finished second in league play, beating Georgetown in a previous encounter, and having home court advantage.

The game started slow as both teams had trouble finding the range. Karen Chapman netted the only two Acton points of the first quarter as the teams tied 2-2.

Georgetown picked up nine points in the second frame to

hold an 11-6 lead at the half.

Acton pulled to within one in the third quarter only to watch Georgetown regain their poise and the lead.

With five minutes remaining Acton got back into the game and trailed by only one point. Georgetown tightened up the defence and kept Acton away from the boards the rest of the way picking up four points of their own for a 27-22 win.

Lynn Margetts led the Acton scorers with 10 points. Karen Chapman netted eight points and Shirley Ancker potted four.

Claire Galbraith led the

Georgetown team with 14 points.

500 Club

Acton Minor Hockey is trying to locate all 500 Club ticket sellers and holders from last season.

Anyone interested in a ticket for the new revamped 500 Club, has been selling tickets in the past, or is not interested in their ticket for this year is asked to call Harold Townsley or Frank Allsop.

Things start Saturday with a double draw. Ten numbers will be drawn from the drum instead of five.

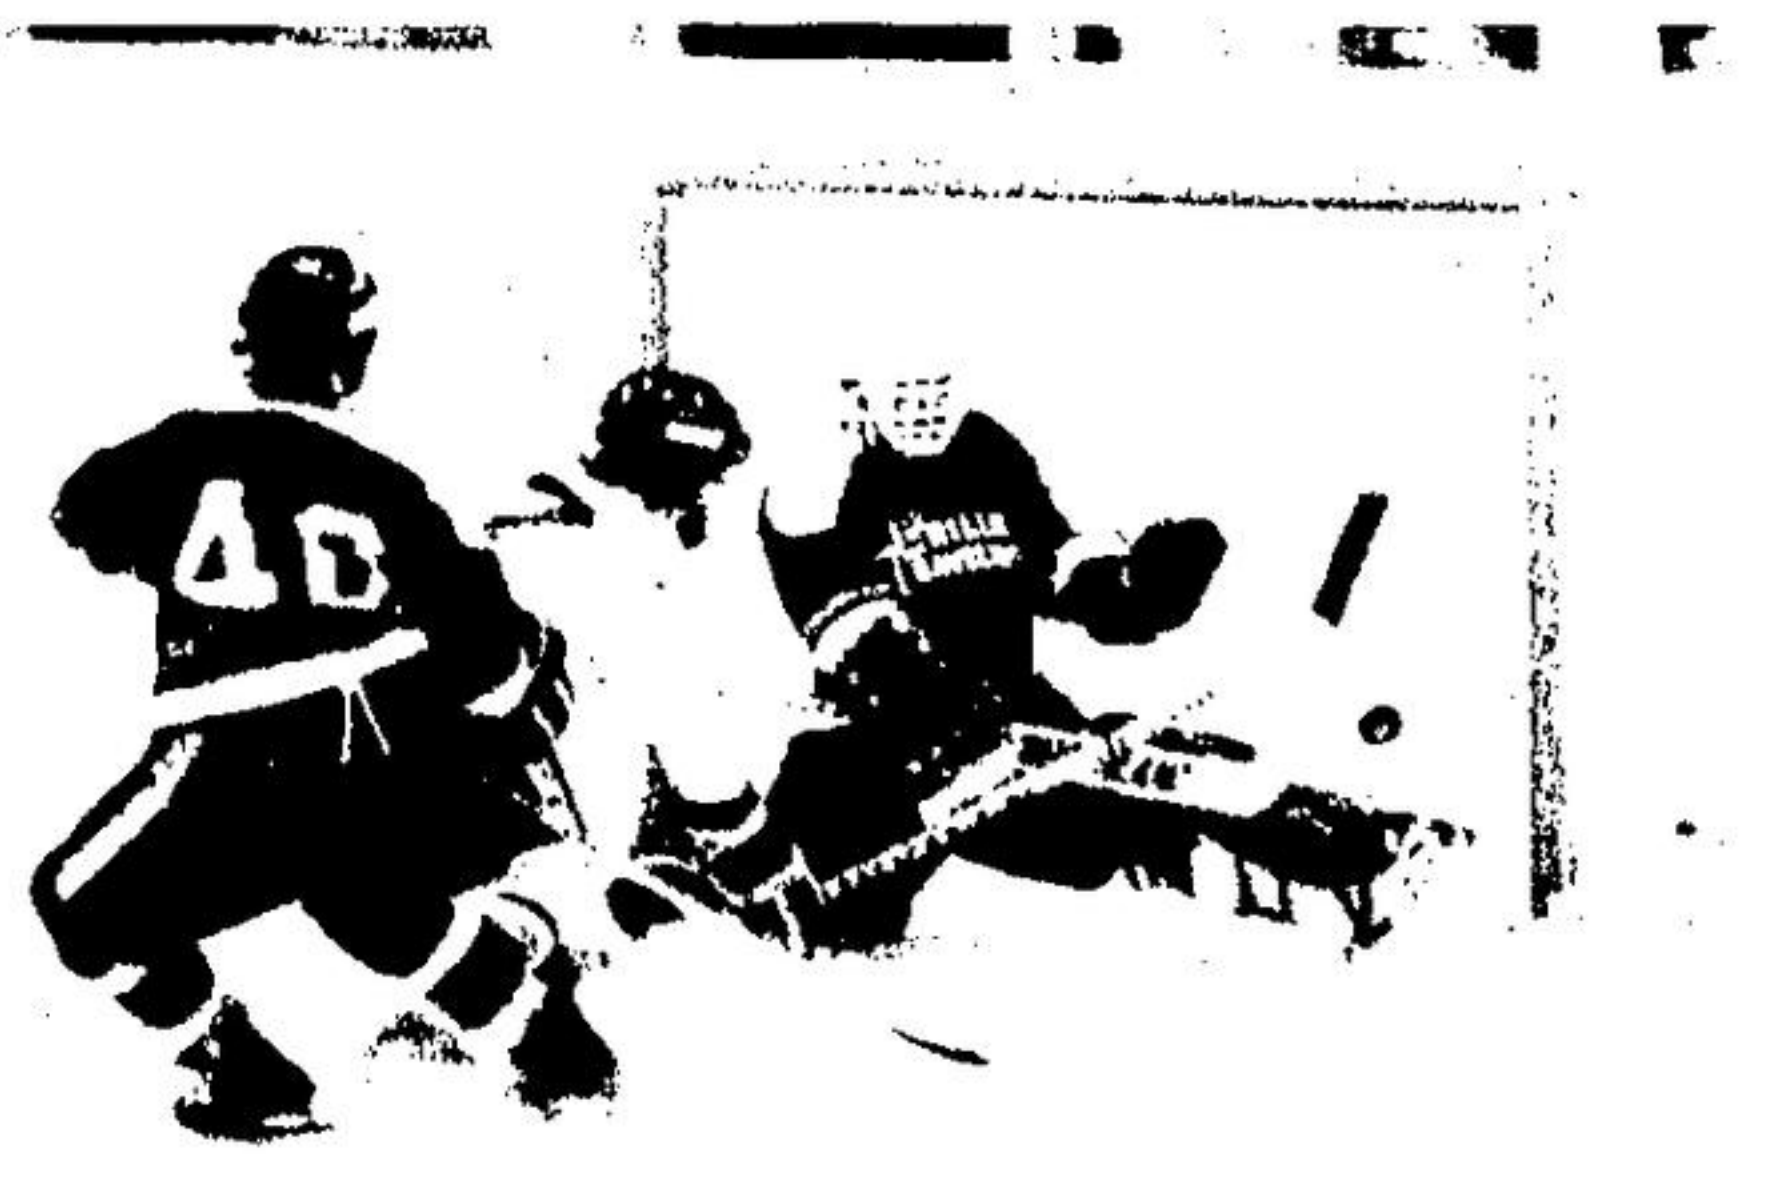

It's a game of inches — the Sabres are just short

Off the post. . . .

the wide open net

and the good stop.

EIGHT GAMES by two goals or less. That's the Sabres' problem. The team is playing well enough to win but bad luck around the opposition goal has led to defeat instead of possible wins. The pictures here are a good example. In the picture on the left, Kelly McArthur flips a backhand

that eludes Orillia goaltender Bob Morley. The shot ended up clanging off the post. Centre picture Drew Gareau had plenty of time and lifted his backhand shot across the crease into the far corner. When the Sabres do find the target good stops by the opposition goaltenders are doing them in.

Morley got a pad on the attempt right by Jeff Shields. Orillia edged the Sabres 5-4 with a last minute goal. Dixie also edged the Sabres 5-4. The Sabres hope to get back on the winning track tonight (Wednesday) in Milton. They are home to Burlington Saturday night at 8.30 p.m.
