4-H members' mothers, W.I. attend luncheon

by Winifred Smith

The 4-H Homemaking club entertained at a luncheon on Saturday afternoon in the basement of the Church. It was in honour of members' mothers and friends. Members of the W.I. were also invited to attend.

The six girls, under the leadership of Mrs. Slessor-aitis and Mrs. Koperdraad have just completed the course, "Essential Edibles". They named their group "The Metric Magicians."

All measurements in preparing food was done with the new Metric Measure. Helen Schwartz welcomed the guests as they arrived. Tables had been set up and each one centered with flowers. The meal was arranged buffet style.

On the menu, served first was Grape Sparkle punch with a tasty Tid-Bit followed by hot dishes of ham and mushrooms with white sauce served on tea biscuits, a savoury mixture of eggs, cheese and ham was served in the form of a pie. To complete the first course, cheese swirls, relishes and pickles accompanied the meal. Desserts were Fruit Cocktail loaf, tempting pineapple squares and sour cream loaf.

A happy ending to the luncheon and a nice gesture on the part of the girls was the presentation of a large decorated cake, aglow with candles, to Helen Schwartz one of their group who was celebrating her 16th Birthday. Kathy Lozinski made the cake. As it was being carried from the kitchen all joined in with the birthday song. The cake was

served with a dessert called "Pink Velvet".

An interesting and informative quiz contest on metric measurement was called by two of the girls. Mrs. Edith Volmar was the winner of the contest. Kathy Lozinski, on behalf of the girls and their leader thanked all for coming. Mrs. Jamieson president of the W.I. replied by congratulating the girls on their good work and praised the leaders for giving of their time to make it all possible. All showed their appreciation.

UCW meeting

The November meeting of the UCW took place in the basement of the Church Tuesday evening November 14. Mrs. F. J. Shortill presided. Roll call was answered by each one naming a family tradition that takes place at Christmas. Mrs. LaRose gave the devotion. The treasurers' report showed it had been a successful year for all projects undertaken. The secretary gave the report of the nominating committee. The other items of business were soon dealt with including the plans for the Christmas meeting.

Mrs. Shortill welcomed visitors, a sister group of women, the Sharon Group associated with St. Paul's United Church, Brampton. Each one introduced themselves.

The president called on Mrs. Schwartz for the program. She showed slides of her native Germany. They were most interesting as she commented on each one as

she went along. Meeting closed and a social time was enjoyed.

Mrs. Ada Kirkwood recently enjoyed a few days holiday in Toronto.

Constable Beverly Swann, R.C.M.P., who is stationed in Winnipeg, accompanied her father and spent last Wednesday with her grandparents and other relatives at the Smith Farm.

The dance at the Community Centre was well attended Saturday night. A disc jockey provided music. Pot luck supper provided lots of food which all enjoyed and a good time was had by everyone.

Rev. Walter Fosbury occupied the pulpit on Sunday in the absence of Rev. Stiles who was taking part in the Anniversary Services at St. Andrew's, Georgetown.
