Husqvarna 

And what makes Husqvarna best? Features. Like a 100% jam-proof shuttle. Color-coded stitch programmers that give you a wide variety of stitches now, more as we develop them — all at the turn of a dial! Low gear for full power at low speeds. Permanent lubrication. (No more oiling!) Patented Tri-motion[®] action for super-strong stretch stitches. In white or royal red.

You can't buy a more versatile, longer lasting, more dependable sewing machine — Husqvarna backs that up with a 25 year guarantee and we give you one year free service.
