

STONE ROAD MALL... A GREAT CHRISTMAS PLACE TO BE

We're trying to serve you better!

As store manager at the Stone Road Mall Miracle Food Mart, I'd like to invite you to shop in our store. We're happy to serve you and all your shopping needs with our large, modern facilities.

My staff are working as hard as they can to look after you when you shop... we like to think we're a little more to Guelph than just a supermarket.

That's why we do our best to listen to what our customers say - we take into consideration your comments, complaints and compliments!

We've tried to incorporate your ideas where we could, and think we've come up with a number of excellent features and services. These include:

- large, attractive produce department
- excellent deli featuring BBQ products, variety of luncheon meats, sausages, cheese and salads
- In-store Tudor Bakery with a selection of products baked fresh each day
- ethnic imported food section
- wide aisles and weigh scales at the checkout for easier shopping
- Innovative electronic scanning system with new detailed tapes and prices marked on the majority of items.

As well, there are now two lanes of traffic, in peak times, for our parcel pick-up system. Our system enables you to shop, visit the rest of the mall and eliminates having to take your groceries to the car. It also ensures buggies are always in the store and not in the parking lot.

If you're not already a customer of Miracle's, we hope you'll give us a chance to show you the Miracle difference! If you are, we'll continue to serve you as well as we can.
