Sean Sears picked up a goal and two assists to lead his Guelph team to a 3-0 win over Weston. Robert Lockhurst and Dale Kolsmith added the other goals while Jeff McTae added an assist.

ATOM
 Two unanswered third period goals by Oshawa enabled them to tie with St. Kitts at 3-3. David Paul opened the scoring from Jason Stanbridge in the first period for St. Kitts. In the second period Kitts got goals from Darryl Bartlett from Todd Nellis, and Raymond Authier from Chris Stewart. Kevin Brown tallied the only Oshawa goal of the period. In the third Oshawa got comeback goals from Peter Timmerman and Brown. Tom Turtseher assisted on the Timmerman goal.

Hamilton and London exchanged markers in the second and third periods but a first period goal by London's Steve Harkins gave them the edge. John Coniglio fired the other two for London and assisted on the first. John Moran also assisted on the first. Kevin Richie and Ron Robinson scored the Hamilton goals. Novices improving
 The Alton-McIsaac Concrete Construction Novices are improving every time out. It was no more evident than Saturday when the locals went up against Hespeler. In the first meeting of the season Hespeler skated to an easy 9-2 win but it was a different story this time as two third period goals lifted Hespeler from a 2-1 deficit to a 3-2 win. John Van Dam opened the scoring with an unassisted goal with 3:25 remaining in the second period. Hespeler tied the game before Van Dam went back to work netting his second unassisted goal. Hespeler came back with two, including the winner with 3:22 remaining, for the win. We had them worried all game said coach Dan McGilloway. McGilloway was pleased with the performance of the entire team but centered Mike Williams for his fine play in the Acton net.

Teachers top students in 'Sports Nite' classic

Students of Acton High School, last week participated in the third school Sports Nite.

Student participated in a variety of different sports activities in hopes of gaining points for their color houses. The Athletic Society sold tickets to approximately 250 people for the evening that included different types of relay races, an obstacle run, Showdown, a floor hockey game between the students and teachers, darts, table tennis, chess, checkers and other games of skill and chance.

JUVENILE
 Three unassisted goals by Dave Johnson helped Boston salvage a 5-5 tie with Chicago. Rick McNabb and Randy Van Fleet added the other Boston tallies. Terry Winters scored twice and John Morganbirk, Trefor Gardiner and Dave Williamson added singles for Chicago. Randy McNallyre added a pair of assists for the Hawks while Hoganbirk, Bob Broomer and Steve Mitchell added singles.

Showdown has probably the most popular event as the students tried to make the all-star team that was to face the teachers. Each participant started behind his net and stickhanded his way past two pions, made a backhand pass, then a forehand pass and then moved in on

chess. Rick Papillon checked. Norman Bourassa and Don Weaver for euchre and Jim Penny for darts. The green house won most of the relay events and wound up the overall champions. Yellow house was second with Red finishing third only half a point ahead of Blue. The evening ended with a dance in the cafeteria.

The students were led by Sandra Brundle and Jim Penny the winners of the individual showdown events. The teachers, who had no real leaders, came from behind in the game to take a 7-5 win.

Other individual winners included Steve Van der Eyken and Karen Chapman for the obstacle run, Steve Lumbers and Sharon Cook in table tennis, Tony Wright
